

GRAND NATIONAL YOUTH TRAPSHOOTING CHAMPIONSHIPS

August 2-4, 2020

Missouri Trapshooters Association - Linn Creek, MO

ATA EXECUTIVE DIRECTOR'S WELCOME

Welcome to the AIM Grand National Championships. This has been a hectic year filled with a lot of unknowns and last-minute decisions that have been difficult but just couldn't be avoided. We appreciate your continued support of the AIM program and we look forward to a more stable and traditional schedule of shooting events for 2021.

Thank you to the parents, coaches and participants who have devoted their time and efforts to attend this year's championship during a year which most likely provided limited practice and competition opportunities to prepare for the National Youth Championship.

Please support the AIM sponsors listed in this program. They have invested their products and resources in the AIM program to make it recognized as a premiere shooting sport program nationwide.

We will return to Sparta in 2021, but for 2020, please thank the MTA officials and staff that will be on hand during the shoot for the extra efforts they have made to allow the ATA to use their facility for the tournament.

Many of the Sparta management staff members will be on hand at Missouri to help make sure that this year's event is another memorable and highly competitive tournament.

Special thanks to the AIM Team, Jamie Jeffers, Kait Giacomo and Lindsey Cowan for their tireless efforts to plan, prepare and manage the tournament. None of this would have been possible without their hard work.

Regards,

Lynn Gipson

AIM CHAMPIONSHIP RULES

CATEGORIES (Based on Renewing Members):

Category	Age
Pre-Sub	Age 11 and Under
Sub-Junior	Age 12-14
Junior	Age 15-17
Junior Gold	Age 18-22

TARGET YEAR: September 1st, 2019 – August 31st, 2020

New Members - Age category is based on your age the day you join the ATA. **Renewing Members** - Age category is based on your age as of 9-1-2019. Shooters who become eligible for new age based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. Example: *A shooter reaching age 18 may elect to continue to shoot as a Junior for the remainder of the current target year.* However, once a shooter has elected to move to the new category, that decision is irrevocable and he/she may not again declare eligibility for the previous category. ALL mid-year category changes must be submitted to the ATA office within 7 business days of the shooter's birthday by calling 618-449-2224 or emailing aim@shootata.com.

SINGLES Classes within each category will be used for the AIM Grand Singles Championship. Singles classes for each age category are as follows:

CLASS	PRE-SUB	SUB-JUNIOR	JUNIOR	JUNIOR GOLD
AAA	N/A	92% - 100%	95% - 100%	N/A
AA	N/A	88.5% - 91.99%	92.5% - 94.99%	N/A
A	82% - 100%	84.5% - 88.49%	90% - 92.49%	96% - 100%
B	72% - 81.99%	80.5% - 84.49%	87% - 89.99%	93% - 95.99%
C	61% - 71.99%	72.5% - 80.49%	82% - 86.99%	89% - 92.99%
D	Under 61%	Under 72.5%	Under 82%	Under 89%

DOUBLES Classification will be used at the AIM Grand Individual Doubles Championship. The following classes will be used for all age categories:

Class A 85.5% - 100% **Class B** 78% - 85.49% **Class C** 69% - 77.99% **Class D** Under 69%

AIM GRAND CHAMPIONSHIP PENALTIES

SINGLES: Class B or higher if less than 400 registered Singles targets in 2019 and the current target year.

DOUBLES: Class B or higher if less than 200 registered Doubles targets in 2019 and the current target year.

HANDICAP: 21 yards minimum if less than 300 registered Handicap targets in 2019 and the current target year.

PLEASE NOTE

- IT IS THE SHOOTER'S RESPONSIBILITY TO VERIFY THEIR INDIVIDUAL CORRECT YARDAGE PRIOR TO SHOOTING, OR THEIR SCORE WILL BE DISQUALIFIED.
- CLASSIFICATION IN BOTH SINGLES & DOUBLES AT THE AIM GRAND CHAMPIONSHIPS WILL BE BASED ON THE TOTAL AVERAGE FOR THE CURRENT TARGET YEAR OR THE LAST 400 TARGETS, WHICHEVER IS HIGHER.
- TARGET REQUIREMENTS ARE EXTENDED TO THE CURRENT AND PREVIOUS TARGET YEAR FOR THE AIM CHAMPIONSHIP. THIS MEANS THAT ANYONE THAT MET THE MINIMUM TARGET REQUIREMENTS IN 2019 OR 2020 TARGET YEAR, WILL BE ELIGIBLE THIS YEAR WITHOUT PENALTY.

Shooters are expected to have both their Singles average and Doubles average computed on the targets they have shot in the current year. If you haven't been classified, or if you need to verify classes, please go to Classification. Up to date average cards can be brought to Classification to review averages and yardages.

FAILURE TO SHOOT FROM THE CORRECT INDIVIDUAL HANDICAP YARDAGE WILL RESULT IN SCORE DISQUALIFICATION.

It is the responsibility of all shooters to verify that they have been classified at the correct Handicap yardage. This includes **ALL** earned yardage from any prior registered tournament even if it was just prior to the AIM Grand Championships, and not yet entered into official ATA records. Also, any shooter that has ever registered targets in another shooting organization must inform classification **BEFORE** their Handicap yardage has been determined. These shooters will be required to shoot from the greatest documented yardage (Rule VI.C.4). All trophies or monies won for a disqualified score must be returned (Rule XII.B.7). Any yardage earned for a disqualified score will be added to the shooter's average card (Rule XII.B.8).

SQUAD CATEGORY Shooters may shoot on a squad composed of members of other categories. However, the squad will be shooting in the highest category represented in the squad. (Example: If a squad is comprised of 1 Pre-Sub, 2 Sub-Juniors, and 2 Juniors, the squad will be competing in the Junior category) Moving up in age group is for Team/Squad purposes only and does not affect a shooter's individual category with AIM.

For Singles, squads are defined as five (5) shooters competing on the same squad, at the same registered shoot, at the same gun club, and on the same trap field. There are no exceptions to this rule for this discipline.

SQUAD/TEAM CLASS Using the individual classification table found on the previous page, Singles squad classification will be based upon the composite average of the five shooters on the squad. The following classes will be used for penalty classified shooters:

	PENALTY CLASS (MINIMUM)	PENALTY AVERAGE (MINIMUM)
Pre-Sub	B	77%
Sub Junior	B	88%
Junior & Jr Gold	B	94%

Competition factor “7”

ATA All-American points will be awarded this year to Sub-Jr, Junior and Junior Gold ATA categories on the AIM trap events and High-All-Around. AIM Pre-Sub and AIM Sub-Jr shooters will be considered together to determine the ATA Sub-Jr Champion point winner and remaining All American points in that category. Category determination for the AIM Championship must mirror ATA rules (category is determined by birth date rather than beginning of target year category). The AIM Championship will carry “AA” competition factor of “7”.

Shooters are encouraged to review the ATA All-American rules in Appendix II of the Official ATA Rules.
