2021 GRAND AMERICAN***

PRESIDENT'S WELCOME

2021 Grand American

Welcome Shooters,

On behalf of the ATA Executive Committee, our Central Handicap Committee, and all the staff and volunteers that have contributed to this event – welcome. The Grand American is the largest and most prestigious tournament of our registered trapshooting year – one of the finest events worldwide.

The Covid-19 Pandemic has had a devastating impact on our sport and that includes our vendors, clubs, sponsors, as well as our shooters. What will be our new “normal”? Time will tell. For now, we all just want to shoot clay targets and compete for honour and trophies.

Thank you for attending. May this 122nd Grand American be fruitful, rewarding, and fun.

A handwritten signature in black ink, appearing to read 'Paul Shaw', written in a cursive style.

These staff members are in direct communication with one another and the Tournament Office.

REMOTE REGISTRATION

The ATA has created a way for shooters to classify, squad, and cashier remotely from a computer or mobile phone!

- * **Prior to the Grand American** shooters may request classification Friday, July 16 - Wednesday, July 28 using the link under "Latest News" at shootata.com.
- * Shooter Classification will be emailed back by 8/3. Any questions regarding remote classification, please go to Classification when arriving to the Event Center.
- * Remote classification **during the Grand American** is available by calling 618-484-9762 and speaking to a CHC member, 7:00am-5:00pm.
- * Remote squadding **during the Grand American** is available at no charge through presquad.shootata.com
- * Remote cashiering is only offered for events beyond the current day's events through the website presquad.shootata.com. You must already be squadded and have either requested classification **prior** to the Grand American or already be classified **during** the Grand American to access remote cashiering.

These features will save time in line, traffic flow in the Event Center, and follow the COVID-19 guidelines for social distancing.

ENTRY PROCEDURE

- 1) The Events Center will open on Tuesday, August 3 at 10 A.M. and will be open from 8 A.M. to 5 P.M. each day thereafter, unless posted otherwise. Before being classified/handicapped, you must have an ATA plastic card and average card. Participants with a broken or worn plastic card can get a replacement by presenting positive ID and their current plastic card, otherwise there will be a \$1.00 service charge per card. Replacement cards are available at the Member Services counter, adjacent to the cashiering counter.
- 2) Your Handicap yardage and Singles/Doubles classification will be determined by the Central Handicap Committee (CHC) at the classification counter. Also, any category declaration, including chair shooter, must be made at this time. Junior-Gold, Juniors and Sub-Juniors, [please refer to #11 for rules regarding reduced rate entries](#).
- 3) All participants must be handicapped/classified prior to making their first entry as this is how classification and Handicap yardage are noted for entries throughout the tournament. The cashier will not be able to process your entry prior to classification. Shooters must have their plastic ATA card with them when they are squadded and cashiered.
- 4) If you draw squad positions that will not be used for an event, please see squadding personnel or use the self-service terminals in the Events Center or Vendor Mall area immediately to release your position. Releasing your position allows us to fill the squad, making this tournament more enjoyable for the other shooters who signed up in the squad. A shooter may not draw more than one (1) position per event.
- 5) In an effort to avoid unused positions, it is imperative that you either cashier or release all positions that you have squadded for, prior to the event. Anyone that does not cashier or release positions that have been squadded in their name will risk having any or all subsequent squadded positions in their name released by management. You may call the office at [\(618\) 484-9762](#) to have your position released in the event that you cannot make it to the grounds in time.
- 6) Please have your ATA plastic card with you. Event entry will not be allowed without it.
- 7) You will directly input your entries, including options, at the cashiering windows using a touch screen system. Upon paying your entry fees, you will be supplied with a receipt showing your squad and position along with your class/yardage, options, and any applicable categories for each event entered. After initial entry, you may return to cashiering and add options prior to the start of an event. Options may not be removed from an entry at anytime.

You are not considered entered in an event until your entry for that event is paid. It is solely the responsibility of the shooter to ensure payment has been made prior to shooting an event. Failure to pay prior to shooting will result in disqualification of that score.

Also, review your squad and post assignment by event to ensure that you are shooting in your squadded position. Failure to shoot in your squadded position could result in disqualification.

- 8) You may use credit or debit cards to pay for entry fees and IDNR fees. MasterCard, Visa, Discover, and Debit cards will be accepted. However, payment for options must be made with cash or check.
- 9) No counter checks or second-party checks will be accepted by the cashier. Checks will be accepted for the amount of shooting fees only. Shooters presenting checks which are returned or dishonored for non-sufficient funds or any other reason will be charged a \$25 fee.
- 10) **All entries and ATA purchases must be made in U.S. funds only. NO EXCEPTIONS**
- 11) Any Sub-Junior, Junior, or Junior-Gold who enters any Grand American event, by paying the reduced rate of \$27.00 per 100 targets for target entry, must enter on the same basis in all events for the rest of the tournament. By selecting the reduced rate option, shooters are ineligible to participate in any purse, option (including the Grand Gun Option) or added money for any event. **HOWEVER**, reduced rate entry shooters are still eligible to win any trophy in that event. Once entry is made at the reduced rate, no shooter will be reclassified at full price. Likewise, any shooter who enters an event at full price will not be reclassified to the reduced rate option. **It is the responsibility of each competitor, who may be eligible for this reduced rate, to make a declaration at the time of classification. No reclassification will occur after the competitor enters an event.**
- 12) **No Refunds unless event is cancelled. NO EXCEPTIONS.**

RE-SQUAD PENALTY/MAKE-UPS: A squad will be held up to three minutes for a tardy shooter. If the tardy shooter does not appear within three minutes, the squad must begin the event without that shooter. Any shooter missing his/her squad or changing squads for any reason other than earned yardage in any event who desires to re-enter shall pay a \$25 penalty. **No shooter will be allowed to make up more than 50 targets on the make-up traps if he or she has missed a squad.** If you are unable to join your squad before they have started their third sub-event, you must be re-squadded and pay the \$25 re-squad fee. All make-ups for either missed squads or gun repairs report to the practice trap office within 30 minutes of when your squad finishes that event. **All make-ups must be completed by the end of the event.**

CLASSIFICATION

Shooters are expected to have both their Singles average and Doubles average computed on the targets they have shot in the current year. The following system will be used, whereby shooters will be classified on known ability and their official Singles and Doubles averages.

	SINGLES		DOUBLES
AAA	98% and above	AAA	96% and above
AA	96.25% and under 98%	AA	92% and under 96%
A	94.75% and under 96.25%	A	89% and under 92%
B	93% and under 94.75%	B	86% and under 89%
C	90% and under 93%	C	82% and under 86%
D	under 90%	D	under 82%

RULES AND REGULATIONS

CATEGORY SHOOTERS: All special categories, including chair shooter, must be declared at all tournaments where All-American points will be awarded. Such declaration **MUST** be made at the time of classification. Without such declaration a contestant will not be allowed to compete for the applicable category trophy. **Note: all special category shooters that will compete in the Champion of Champions race (Event #18) MUST DECLARE for that category at the time of classification.** No contestant will be allowed to declare or change a special category declaration after firing his/her first shot. The only exception to this rule will be to correct an ATA classification error. (See Rule IV.K.). The CHC will be solely responsible for identifying and correcting any classification error at this tournament.

In any event, shooters may declare only one special category (i.e. Lady 1, Lady 2, Sub-Junior, Junior, Junior-Gold, Sub-Veteran, Veteran or Senior Veteran). **Note: Chair shooters are exempt from this rule and may compete as both the chair and another special category.** All special category shooters who are tied for event champion may shootoff/carry-over for the championship trophy only. If a shooter fails in the championship trophy shootoff/carry-over, and has declared a special category, the shooter will fall back to the declared category (See Rule X. D. 3.). Any shooter who has declared a special category and whose score qualifies for any trophy in his/her declared category will compete for the category trophy only, and not for place, class or yardage group. Any special category shooter whose score does not qualify for a trophy in his/her category may compete for place, class or yardage group trophies (See Rule X.D.5).

A shooter's handicap yardage may be increased at anytime during the year, including immediately before and during the Grand American World Trapshooting Championships: at the discretion of the Central Handicap Committee, or voting members of the Executive Committee (See Rule VI, F., 3..c). Failure to shoot from the correct Handicap yardage will result in score disqualification. It is the responsibility of all shooters to verify that they have been classified at the correct Handicap yardage. This includes **ALL** earned yardage from any prior registered tournament (See Rule XII.B.1.e). Also, any shooter that has ever registered targets in another shooting organization must inform classification **BEFORE** their Handicap yardage has been determined. These shooters will be required to shoot from the greatest documented yardage (See Rule VI.C.4). All trophies or monies won for a disqualified score must be returned (See Rule XII.B.7). Any yardage earned for a disqualified score will be added to the shooter's average card (See Rule XII.B.8).

AMMUNITION: New shells are mandatory for all Handicap events and Handicap shootoffs. Shooters will be able to bring their own shells (including reloads for Single and Double events) or may buy shells through Gamaliel Shooting Supply at the shell house at retail pricing. **The shell house closes at 6 P.M., so make sure that you get your shootoff shells before 6 P.M.** Violations of the shell standards as listed in the ATA rule book will be dealt with aggressively including possible long suspensions.

AMMUNITION AVAILABILITY: Ammunition may be limited. It may be necessary to restrict ammunition sales based upon event entry. This may require presentation of a cashiering receipt in order to purchase ammunition in quantity not to exceed the need for events for which you have cashiered.

We strongly recommend you bring your own ammunition.

PLEASE NOTE: THE EXECUTIVE COMMITTEE HAS DETERMINED THE TARGET REQUIREMENTS DESCRIBED BELOW REFLECT ADDITIONAL TIME GRANTED TO MEET THE 2021 GRAND AMERICAN MINIMUM TARGET REQUIREMENTS. - 2) No participant shall be classified to shoot Handicap events at less than 25 yards unless they have a minimum of 1000 registered Handicap targets in the current, and previous 2 target years, beginning September 1, 2018. Shooters may use any preliminary week targets to meet the minimum handicap target requirement (see item #5 below). However, participants who fail to meet the Grand American Handicap qualification, as described above, shall have the choice of shooting **targets only** from their assigned ATA yardage provided they waive and forfeit all rights to ATA trophies, options (including Grand Gun Option, purses, and added money. In all events that include class advances, all shooters (regardless of category) with scores that equal or exceed the score of the class champion will be advanced starting with the next like event. Any shooter earning yardage in any Handicap event shall report to the Central Handicap Committee counter in the Events Center to have their average card punched to denote their yardage earned. - 7) Any shooter failing to follow Item #6 above will be subject to disqualification and will be ineligible for any trophy and/or money.
- 8) Members of foreign shooting associations must show their current "home" classification cards. Down-the-line averages will be classed the same as ATA Singles, non-ATA Doubles the same as ATA Doubles, at the discretion of the Handicap Committee.

**Special note for Junior-Gold, Junior and Sub-Juniors:
see Entry Procedure Rule 11 for reduced rate targets on page 19.**

MONEY DIVISIONS, OPTIONS, & SPECIAL PURSES

MONEY DIVISION: Added money, purses and options are calculated using a variety of money pay-off systems. Our objective—through the use of percentage system, class purses, Lewis Class, yardage groups, and high-gun system—is to provide something that each participant desires.

- 1) I.R.S. regulations require a Social Security number before accumulated event winnings checks of over \$600 can be distributed. If you anticipate receiving option checks through the mail, it will be necessary to report your Social Security number. You can directly input your SSN at any self-service kiosk.
- 2) Each shooter who is entitled to receive money won during any event agrees that if such money is not received by him/her during the period of the Grand American Tournament, a payment for the money won may be mailed to the address indicated by ATA records and, when so mailed, the ATA will not be liable in any manner whatsoever for any check lost, stolen, unclaimed, undelivered or otherwise not received by the shooter.
- 3) After initial entry, you may return to cashiering and add options prior to the start of an event. Options may not be removed from an entry at anytime.
- 4) **SCORES ARE FINAL FOR PURSE AND OPTION CALCULATIONS two (2) hours after the event is completed for all events. SCORES ARE EASILY VERIFIED THROUGH THE USE OF COMPUTER TERMINALS LOCATED IN THE SCORE SHEET ANNEX AND EVENTS CENTER. AN ATA PLASTIC CARD IS REQUIRED FOR ACCESS.**

GRAND GUN OPTION: A special option will be offered in Events 10-15-16-17-19-20-21-22-23-24. All persons entering these events can play a \$15 option. Winners will receive a new rifle or shotgun. All winners will be drawn at random and names will be posted at the Membership Services Counter in the Events Center on the following day. Winners need to visit the Membership Services Counter to provide verification so that they can pick up their prizes. Guns will be distributed in strict accordance with all state and federal firearms laws. Please check with membership services for more details. The option is in no way considered a donation.

FIVE TARGETS PER POST: All Grand American Singles and Handicap events will be shot on four (4) trap fields (5 targets per post). All Grand American Doubles events will be shot on two (2) trap fields (5 pair per post). The entire trap line will still consist of 27 banks with each bank consisting of four (4) trap fields. The entire line is not used on all events. White Flyer Orange Dome Targets will be used for all events.

CHARITABLE LEWIS OPTIONS: Charitable Lewis options are offered this year on seven Grand American events. Please consider participating in these options and help to advance the efforts of these truly worthwhile causes.

- ATA's AIM Youth Program - provides a rounded trapshooting program and scholarship opportunities for our future champions
- ATA's Gun Club Fund - provides needed funds for enhancements and improvements to select ATA gun clubs
- Trapshooting Hall of Fame - preserves the history of our great sport
- Ronald McDonald House - provides lodging for families of critically ill children

Half of your entry, along with any other direct contributions to these charities is a tax deductible contribution. ALL of these charities are recognized by the IRS as 501(c)3 organizations.

JACKPOT LEWIS OPTION:

- Split 40%(60-40%) / 30%(50-30-20%) / 30%(50-30-20%).
- The top two scores will receive 40% of the purse split 60-40% ties divide.
- The second Lewis division will pay the 3rd, 4th, & 5th Scores and will receive 30% of the purse split 50-30-20% ties divide.
- The third Lewis division will start halfway down the list and will receive 30% of the purse split 50-30-20% ties divide.

SHOOTOFFS

Shell House closes at 6 P.M.

Grand American shootoffs will begin immediately following the last event of each day. All shooters should be ready to shoot at that time. All Handicap shootoffs will be held on the day the event is completed and as close to the end of the last event of the day as possible. All Singles and Doubles ties will be carried over until the last respective event of the tournament, with the exception of Event 17. Ties from 17, the Wenig Class Doubles, will carry over to Event 22, the ATA Doubles Championship presented by Federal Premium. Ties for the Preliminary High-All-Around, the High-Over-All 1,000 and the High-Over-All 1,500 will carry over by combining the results of the 50s of Events 15, 16 & 17. Remaining ties will be determined by reverse long run, Event 17 and if necessary, Event 16 and then Event 15.

Contestants will be called over the P.A. to report for check-in, which is located behind the grandstands. Shooters will be assigned to a specific field after they check in and have been squadded. It is the shooter's responsibility to promptly report to the assigned field ready to shoot. Those shooters who have not reported by third call or are not at their assigned field when called will be disqualified from the shootoffs.

Leaders-to-date listings are displayed on video monitors in the Events Center and throughout the Complex to allow shooters to track potential shootoffs. Shooters are advised to note where special category shooters may have the high score/tie in class and in special category. It is possible that a score lower than what is broadcast on video display terminals may be involved in a shootoff.

Shootoffs for Singles events that have reached the 200-target maximum for the event may be shot off the following night beginning as soon as possible. Handicap shootoffs—Ties in Handicap events will be shot off the day the event is completed.

Shootoffs will be under the sole direction of the Shootoff Manager. All shootoff determinations and decisions including the order of the shootoffs will be made by the manager or his appointed immediate staff and will be final. An ATA Delegate, Alternate Delegate, or State Association Official will be assigned to referee at each shootoff field by the shootoff manager or his immediate office staff. Referees' responsibilities will be to ensure compliance with ATA rules on their assigned field.

Shootoffs will be on a 25-target basis in Singles and Handicap events, ten (10) pair in Doubles. Participants involved in Singles shootoffs should be prepared to shoot at fifty (50) targets before re-squadding. Shootoff shells are available in the vendor mall UNTIL 6 P.M. Shootoff target color will be Orange Dome until the shootoff manager determines the need to change to all White.

2021 Grand American Pre-Squadding Opens

JUNE 15

5:00 PM CDST AT WWW.SHOOTATA.COM

CLOSES AT 5:00 PM ON JULY 25, 2021

PRE-SQUADDING PROCEDURE

All pre-squadding may select the section of the trap line of their choice

- 1) Pre-squadding will only be available through the ATA web site, www.shootata.com, by selecting the link on the home page titled "Grand American Pre-Squadding".
- 2) In order to pre-squad, you will be required to furnish your ATA number and those of the shooters you wish to squad with you.
 - a. First, enter all the ATA numbers of those you wish to pre-squad. You don't have to position them to their post preference in the list; however, it will make pre-squadding easier and faster if you do so. Clicking the lock icon will lock them so they will not move. Clicking it again will unlock it. Clicking the red "X" will remove them from the list. You can enter more than 5 ATA numbers and move them around in the list as desired.
 - b. Select an event to view that event's squad matrix.
 - c. Select a squad that you would like to pre-squad on.
 - d. Move the ATA number(s) to the selected squad by clicking the appropriate arrow or the "Squad All" button to move them to their appropriate post(s).
 - e. Click the Reserve button to reserve that squad for that event.
 - f. Repeat for each event you want to pre-squad for.
 - g. When finished pre-squadding for all events, click the Checkout button.
- 3) In the case of yardage differential on Handicap events, you will be able to squad your list of shooters on individual squads. Only move the ATA numbers to their posts for those whose yardage meets the ATA's yardage differential on a squad. Handicap squadding will be done in strict accordance to the ATA rules.
- 4) You can find where your friends are squadded by selecting the "Find where a shooter is squadded" link on the top, right of the page.
- 5) A non-refundable service charge of \$2 per post, per event is due at Checkout of the pre-squadding process. Your pre-squad posts will be opened back up if you exit without paying and will not be held.
- 6) You will receive a confirmation email after your payment has been processed, listing all your pre-squadded positions. You can unsquad a purchased reservation by selecting the "Un squad Purchased Reservation" link on the bottom, left-hand side of the page. No refund will be given for those who unsquad their reservation.
- 7) Pre-squadding will open on June 15, 2021 at 5 P.M., Central Daylight Saving Time, and will close on July 25, 2021 at 5 P.M., CDST.

SQUADDING DURING THE SHOOT

1. You will enter your squadding preferences by using a touch screen system.
2. You **MUST** have your plastic card to squad. After swiping your ATA card, and the cards of others that you wish to squad with you, you will select the event that you wish to squad for and preferred post(s). After providing your preference of an early, middle, or late squad and preferred bank section, and which of these two is most important, you will be shown six possible squads on the screen from which to make your selection.
3. After making your selection, you will assign shooters to posts. You will then be given the option of squadding for another event, or exiting the squadding process.
4. In the case of yardage differential on Handicap events, you will be able to squad your list of shooters on individual squads, if necessary.
5. When squadding a group of shooters with yardage differential it is recommended that you squad for all Singles and Doubles events first, and then squad the first group of shooters that can shoot together on Handicap, followed by the next group that can shoot together.
6. Handicap squadding will be done in strict accordance to ATA rules.
7. A shooter may squad for only one position per event.
8. Squadding by telephone will not be allowed. If you draw squad positions that will not be used for an event, please return to squadding, or use one of the self service kiosks to release your position. Anyone that does not release unused positions will risk having any or all subsequent pre-squadded positions in their name released by Management. You may call the office at 618-484-9762 to have your position released if you cannot make it to the club in time.
9. The trap line will be divided into six sections and each section has several shooting banks within the section. All pre-squadding shooters may select their preferred section. There are 27 total banks of four fields each at the World Shooting & Recreational Complex. The bank sections are defined as follows:
 - Section 1 – banks 1-4
 - Section 2 – banks 5-8
 - Section 3 – banks 9-12
 - Section 4 – banks 13-17
 - Section 5 – banks 18-21
 - Section 6 – banks 22-27
10. **Remote squadded shooters that do not pay for the first event of any day 30 minutes prior to the first event of the day risk having all pre-squadded positions opened up for that day.**

PLEASE NOTE THAT NOT ALL BANKS ARE USED FOR EVERY EVENT AT THE GRAND AMERICAN.

The Executive Committee reserves the right to change or modify the program in any manner at any time. Interpretation of this program will be made by the Executive Committee, and their decision shall be final.

In case entries are so numerous that darkness or any other cause prevents the finish of any event the same day it is commenced, management reserves the authority to stop the shooting at any time it may be deemed necessary. In this case, weather permitting, the shooting will begin where it left off promptly the next day no later than 8 A.M.

Gambling is not permitted on the World Shooting & Recreational Complex grounds at any time. In any case of ties not otherwise covered, the monies for the number of places covered will be added together and divided equally among those in the tie, regardless of the outcome of any shootoffs.

The Executive Committee may reject or refund any entry at this invitational tournament pursuant with ATA official Rule III, C., 3.

PHOTOGRAPHERS: Amateur and professional photographers are not allowed in front of the sidewalk behind each field during registered competition and shootoffs.

DISCLAIMER: The ATA reserves the right to film and record all participants and spectators for the use of promotional videos and publications.

PETS: Shooters are required to have their pets leashed at all times while on the grounds. It is also mandatory that you clean up after your pet. **NO PETS ARE PERMITTED IN BUILDINGS.**

FIREARMS TRANSFERS AND AMMUNITION SALES: Illinois Public Act 99-0029 (rev. 2015) provides that any non-Illinois resident registered competitor or attendee of a nationally sanctioned competitive shooting event who is not prohibited otherwise from purchasing or obtaining a long gun or long gun ammunition may do so on the grounds of the World Shooting Complex during the event with no waiting period. Firearms transferees will be required to check in at a designated area in the WSRC Event Center prior to initiating a firearms transfer. All federal regulations and any regulations of the transferee's state of residence concerning firearms transfers will be applicable. Firearms transfers to Illinois residents will require the presentation of a valid Illinois Firearms Owners Identification (FOID) card and will be subject to all statewide firearms transfer regulations.

IDNR 5-STAND: Will be open during the tournament. Please visit the Sporting Clays Registration Building for assistance.

THE CHAMPION'S CHOICE

HARD SHOT & DENSE PATTERNS TO BLAST THOSE TARGETS LIKE NEVER BEFORE

Challenger's[®] reputation for making "Champion's" shotshells goes all the way back to 1983. That's when Elie Zarifé started making shotshells because clay-shooters and hunters couldn't get quality and premium ammunition at the right price.

The original product lines have been expanded and new ones added. But through the changes, our formula for success has been constant: To bring innovation in creating a product with an incredible ballistic performance, while aiming at offering both quality and value!

GRAND HISTORY

The Grand American World Trapshooting Championships is one of America's oldest sporting events. The Grand American has evolved into the premier shooting event in the world with thousands of competitors.

This storied event dates back to 1893 when the first Grand American was held at Dexter Park in Long Island, New York. The 24 competitors shot at live birds. R.A. Welch won the Grand, shooting 23 out of 25.

In 1900, the first Grand American using clay targets was contested at Interstate Park in Queens, New York. Originally a four-day tournament held in June, there were 74 entrants. The shoot was managed by Elmer Shaner and the winner of the Grand was Rolla "Pop" Heikes of Dayton, Ohio.

The Grand American traveled to such cities as Chicago, Columbus, and St. Louis before making a home in Vandalia, Ohio in 1924. The ATA Homegrounds remained in Vandalia until the end of an era in 2005.

The Grand American currently takes place in Sparta, Illinois, at the World Shooting & Recreational Complex. The facility is truly a spectacular site. It has 120 trap fields, which stretch over three and a half miles along a beautiful countryside. There are 1,000 campsites, 4,001 parking spots, and 3 lakes on the grounds.

There are many activities being planned near the facility in various cities.

Today, the Grand American is truly an international event. Competitors travel from around the globe to take part in this annual tournament. Over 400 trophies and more than one million dollars in purses and options will be distributed to winners during the tournament.

Enjoy your stay at the 2021 Grand American and remember to invite a friend to "GIVE IT A SHOT!"
