Penalty Classification: Shooters not having at least 500 16-yard targets, 300 doubles targets, and 500 handicap targets for the 2022 and 2023 target years combined will shoot in Class B or higher and 2 yards over their current yardage (minimum 22 yards, maximum 25 yards). For Ladies, Juniors, Sub-Juniors, and Veterans the minimum penalty yardage will be 21 yards. There will be no penalty yardage for those shooters 70 years of age or older. REGISTRATION CERTIFICATE

This is to certify that the Montpelier Gun Club, Inc. has been authorized by the Amateur Trapshooting Association to hold a registered shoot at its club grounds in Berlin, VT on June 16, 17, and 18, 2023. ATA rules will govern this shoot and all scores will be included in the official records.

Amateur Trapshooting Association, Sparta, IL

Special Categories: It is the responsibility of Ladies (I & II), Juniors Gold, Juniors, Sub-Juniors, Sub-Veterans, Veterans, and Senior Veterans to make sure that your correct category is indicated on your classification receipt and on the scoreboard if you choose to declare.

Sub-Juniors, Juniors, Juniors Gold: The target entry fee for all sub-juniors, juniors, and juniors gold in all events will be \$25.00 per hundred targets provided no options or purses are chosen.

Membership Dues: Shooters must have a current ATA membership card or dues receipt, otherwise the annual membership fee of \$20.00 (\$12.00 for Juniors Gold, Juniors, and Sub-Juniors) will be charged.

Scores, Monies & Pay-offs: Please verify your scores on the score sheet before changing positions or leaving the field and on the scoreboard after you have completed an event. **Scores cannot be changed after leaving a shooting post and shooting your first target at the next post.** Scores are final for purses and options one hour after each event. Once the money options are figured, there will be no changes unless the cashier has made an error in computing the pay-offs. The Vermont sales tax is included in the cost of targets for all events.

Trophies & Shoot-offs: Ties in Event 1 and Event 3 will be carried over by sub-event to Event 4 and Event 5, respectively. Ties in all other events will be shot off at the end of each day. Shooters with tie scores who are not present for a shoot-off will forfeit. Shooters are eligible for only one trophy per event. **Please pick up your trophies before leaving the club grounds.**

Starting Traps: Trap bank assignment will be picked at random before each event. Charts will be posted showing where your squad will shoot. To improve the overall flow, management reserves the right to change trap assignments when gaps in squadding or mechanical breakdowns occur. Due to scratched squads, there may be jumps in squad sequence. Please watch the starting trap board to determine where and when your squad will shoot.

Target Shooting Procedure: We will use the traditional 5 targets-per-post procedure for singles and handicap events. Doubles events will be shot with the 5 pairs-per-post procedure.

Lights: If weather or attendance conditions warrant, floodlights for 3 fields will be turned on at the same time at approx. 7:30 p.m.

Practice Trap: If it is not being used for program events, the practice trap will be available starting at 8:30 a.m. each day. The cost for practice is \$6.00 per round of 25.

Green Mountain Cup (Team Trophy): The VTA sponsors the Green Mountain Cup Team Trophy. Any state or province may enter one team. Team members must be identified before shooting. The total score for all five shooters from the championship events determines the winning team. The winning team takes possession of the Green Mountain Cup for one year, to be returned in 2024.

VTA Annual Meeting: The annual meeting of the Vermont Trapshooting Association will be held on Sunday, June 18th at 8:30 a.m. in the clubhouse. The purpose of the meeting is to elect a delegate, alternate delegate, officers, and conduct any business of the Association. The ATA refund to the VTA for dues and daily fees paid during the 2022 target year was \$400.00.

Golf Carts: Except for management personnel, the use of golf carts or other similar vehicles will only be permitted on the roadway. Please avoid use on or near the trap fields.

Camping: The camping area has capacity for approx. 25 units, with electrical hook-ups, on a first-come/first-serve basis. The cost is \$45.00 (flat rate) regardless of hook-up usage or number of nights stayed. Primitive tent sites are \$15.00 (flat rate) regardless of number of nights stayed. Please do not use air conditioners unless you have a generator. **AT THIS TIME WATER IS NO LONGER AVAILABLE AT THE CAMPGROUND. PLEASE PLAN ACCORDINGLY. Please contact Ron Minor at 802-524-4293 or ronminor@myfairpoint.net in advance to reserve a space.**

2023 VERMONT STATE SHOOT PRE-SQUADDING INSTRUCTIONS

1. Pre-registration will be available at www.presquad.com. **It is preferred that you use this method for pre-squadding.** You will need all ATA numbers when pre-registering. If you do not have Internet access you may pre-register by mail by completing the form on the next page. Print your name, address, telephone number, and the names and ATA numbers of all shooters you are requesting positions for in the appropriate areas on the form. The cost for pre-squadding is \$2.00 per position per event (\$10.00 for a full squad). **This service charge is non-refundable and not applicable towards entry fees.** It must be included with your pre-squadding request form and received by mail within 5 days at the address below in order to secure your reservation(s).
2. On the manual form, determine the approximate time during each event that you would like to shoot and write an "E" (early), "M" (middle), or "L" (late) in the box next to each event. **We will try to select your squad based on your preference, however this may not be possible due to higher demand for certain shooting times.** The starting traps will be determined randomly and not in advance.
3. You may pre-squad for individual positions or a full squad. If you want a full squad, circle all 5 positions on the form. The maximum is one squad per event.
4. Multiply the number of positions you have chosen for each event by \$2.00 and enter that total in the pre-squad fee box. At the bottom of this column total all of the pre-squad fees and include a check in this amount, made payable to the Montpelier Gun Club, with your pre-squad form.
5. Squad assignments for all pre-squadded entries can be obtained at the squadding window starting Thursday, June 15th at 5:00 p.m. or any day thereafter. They will not be mailed. **Assignments not claimed at least 30 minutes before your start time will be released and you will need to re-squad.**
6. All requests for pre-squadding will be processed after May 22nd. Any requests for pre-squadding postmarked before May 22nd will be treated as if they were postmarked on May 22nd. **No pre-squadding requests will be accepted after a postmark date of June 5th. The deadline for presquad.com is June 9th.**
7. Priority on postmark date will be given to full squads first, partial squads second, and individual position requests last. Shooters requesting partial squads may be assigned different positions if the first choice is unavailable.
8. Telephone requests will not be accepted.

Send your completed pre-squad entry form and check made payable to the Montpelier Gun Club to:

MONTPELIER GUN CLUB LEWIS

As many of you are aware, the Montpelier Gun Club has incurred a substantial amount of debt in building and maintaining the shot curtain, as well as cleaning up from flood damage during the past many years. Again this year, we are offering the "Montpelier Gun Club Lewis" in all events as a way to raise additional funds for the Club. The entry is \$10.00 with \$5.00 of it for the Club and \$5.00 for a special Lewis to be paid one money every 10 entries, 50/30/20 high gun, maximum of 3 classes. We hope that you will participate. Thank you for your consideration.

HANDICAP MIDDLE 50 JACKPOT

Entry - \$10.00

We will offer a middle 50 jackpot for the handicap events at all of our registered shoots this year. To win the jackpot you will need a 50-straight in the middle 50. If there are no 50-straight then 25% of the entry that day will go to the high score in the middle 50 of the jackpot entrants that day. The jackpot carries to the next handicap event or regular shoot until there is a 50-straight. If a 50-straight has not been shot by the last shoot, the pot carries over to the next year and continues to accumulate. All ties divide.

Preliminary Day Note

Ties in Event 1 and Event 3 will be carried over by sub-event to Event 4 and Event 5, respectively. Ties in Event 2 will be shot off at the end of the day. Class winners in Events 1 and 3 will not move up one class for Events 4 and 5.

In Memory

Robert "RC" Currier

Bob "RC" Currier died peacefully on January 6, 2023. Bob was 81 years old.

A lifelong resident of Springfield, VT, Bob started work as a mechanic at the age of 15 and ran 2 successful service stations in town. After "retiring" he continued on working from his home and through 2022 he performed service work for long time customers.

For recreation Bob started off playing horseshoes but trapshooting became his lifelong passion. He travelled to tournaments throughout the New England states as well as New York, New Jersey, and Ohio. RC won the Vermont State singles championship in 1980. Over the years he won hundreds of trophies and other accolades.

RC rarely missed a registered shoot in Vermont and was a regular at all of the Vermont Association's shoots. Over his 45 year career he registered 246,625 targets.

He will be missed by all who knew him.

A portion of RC's ashes will be spread on the MGC grounds during the 2023 state shoot prior to the start of the Singles Championship on Saturday June 17th.

In Memory

Mike Pratico

Mike Pratico passed away on October 8, 2022 at home, surrounded by his loving family.

A life member of the Amateur Trapshooting Association and former Vermont Delegate, Mike had won tournaments all over the country. At home he won over 20 Vermont State Shoot titles. During his 34 year shooting career Mike registered 126,650 ATA targets.

A natural entrepreneur, Mike owned several businesses over the years including the New England Outdoorsman, a gun focused sporting goods store in Rutland Vermont.

Mike was an avid hunter and always considered the first day of hunting season a holiday from work.

In Memory

Tom Minor

Tom Minor passed away October 10, 2022 at home with family and close friends after a courageous battle with Cancer.

Tom was the Handicap champion at the 1994 Vermont State Shoot and runner up in 1993. over the course of his 24 year trapshooting career he registered 5100 singles, 4300 handicap, and 2600 doubles. He also won multiple Ducks Unlimited shooting championships. Tom was an avid deer and waterfowl hunter as well.

For 30 years Tom also ran a part time gun shop serving the local community. His home was “base camp” for many people during deer season. His unassuming nature had a way of drawing people in. He will be greatly missed by all who knew him.
