Nora Martin Ross

Nora Martin Ross is a 34-time Amateur Trapshooting Association All-American. One of her most amazing accomplishments came in 1990 when she became the first woman to break 100 straight doubles at the Grand American Trap Shoot, where she scored a 120 x 120 in a shoot off to capture the ATA Championship. Nora became the youngest person ever inducted into the ATA Hall of Fame in 1999.

Nora has shared her expertise traveling all over the United States conducting clinics to sharpen the skills of trapshooters. It's as simple as an email or a phone call to contact Nora directly to schedule a clinic for your group. Nora's students have said time and time again that they walked away from her clinic equipped with knowledge that would help them continue to improve their shooting. Her warm and friendly personality allow for a comfortable and non-intimidating atmosphere for students of all ages.

Otter Creek is proud to host 2 Nora Martin Ross Clinics on July 8th and 9th and July 10th and 11th.
