PRESIDENT'S MESSAGE

The WTA Board of Directors, ATA Delegates, our Secretary Amy Jenkins, Treasurer Arlene Otto and I welcome you to the 119th Wisconsin State Trapshooting Championship.

This year marks the fifth anniversary of our Homegrounds opening in the Town of Rome, and our 6th state shoot here after 49 consecutive years in Waukesha. Through the dedication and hard work of the WTA directors, many volunteers, and contributions from fellow trapshooters, we have continued to build upon past successes to improve our shooting facility. This year we celebrate the opening of our new central building which was made possible largely by fundraising efforts of Friends of the WTA. During the past 2 years, Friends of the WTA has raised nearly \$200,000 for our association.

Attendance at our state shoot, with 30 fields and a first-rate campground, continues to be popular, especially amongst our out-of-state shooters and All-Americans. As the third largest state shoot, participation in championship events gives us an All-American points competition Factor 5 four years in a row. Category shooters will continue to receive points for runner-up and 3rd.

Festivities will begin Tuesday at 9:30 am with a ribbon cutting ceremony to open our new Events Center. The WTA Meet and Greet, and State Team and High Average winners will be honored on Thursday at 5:00 pm inside our new Center including a Hot Dog feed. The Friday Night Fish Fry, will be in the Hoop Building at about 5:00 pm. There will be a live auction, a silent auction, fun events and door prizes.

The WTA Hall of Fame induction banquet will take place Saturday evening at the Ridges Golf Course in Wisconsin Rapids. We will honor Kenneth Beutler and John Madson.

Let's never forget all those who preceded us, who worked tirelessly to build this wonderful facility, and those who continue that work.

Thanks to everyone for your participation. Shoot well and have fun.

Fritz Thistle - WTA President

This certifies that the Wisconsin Trapshooting Association has been authorized to hold an ATA Registered Shoot at the WTA Shooting Complex and Learning Center in Rome, Wisconsin, July 10 thru July 15, 2018.
Lynn Gipson, Executive Director, ATA

The Directors of the Wisconsin Trapshooting Association reserve the right to change the program as conditions warrant and to reject any entry without explanation. The entire program is conducted by the WTA. In the event of trap breakdowns or other circumstances which could impede the progress of this shoot, the Directors of the WTA reserve the right to move squads to other than their starting locations to efficiently expedite the completion of events. In the event of a dispute over interpretation of this program, the decision of the Directors of the WTA shall govern.

WTA Zero Tolerance Policy—There will be zero tolerance of any shooter or observer interfering with the shoot by abusing any shooter, WTA Director, Officer, or employee in any way; unauthorized operation of equipment or partaking of alcoholic beverages prior to shooting, including shoot offs. This behavior will result in an immediate and automatic request to leave the grounds, disqualification of scores, and forfeiture of any entry fees paid. **This will be enforced!**

NOTICE: The Handicap Committee reserves the right to change a shooters classification at any time. Any changes made by the Classification Committee during this shoot become official when the shooter is notified or when posted on the scoreboard. Errors may be corrected at any time. If you gain yardage you must check at the Squadding Table to see if you need resquadding for the remaining handicap events.

ENTRY PROCEDURE - PLEASE READ

The grounds will be open at noon on Monday, July 9 for classification, squadding, cashiering, exhibitor set-up and camper set-up. In order to expedite the shoot, please follow the entry procedure in the following order:

Memberships - Before you can make any entries, all shooters must be a current ATA member and in addition, Wisconsin residents must be a WTA member. If you need an ATA or WTA membership or renewal, go directly to the cashier's counter. The WTA \$10.00 annual membership must be paid and sticker on ATA card in order to classify. You are now required to have your plastic ATA card and paper averages for classifying, squadding, cashiering and the collection of event payoffs.

Classification - All shooters, whether pre-squadded or not, must start at classification. Present your plastic ATA card and ATA paper average card to a member of the Classification Committee at the classification table. Your paper average card must be presented and up to date or you will not be classified! They will enter your classification, yardage and any special category for which you declare into the computer system. If you do not have a plastic ATA card or ATA number, then the computer will assign a temporary Shooter Number. Otherwise your ATA Number is your Shooter Number. Do not misplace this number as it will be required for squadding and cashiering.

Squadding - If you have pre-squadded for this shoot at presquad.com beginning May 1 (at noon CST), you may proceed directly to the cashier's counter. Otherwise, proceed to the squadding table and stand in the line for the event(s) that you wish to enter. Present your plastic ATA card or Shooter Number to the squadding personnel. They will enter your squadding information into the computer system. You will not receive any paper entry cards. Shooters must take an available position or squad that's open in the next available flight of squads. There is a limit of one full squad per shooter per event. There will be no exceptions except for those shooters that are handicapped. Any shooter or group of shooters found trying to circumvent these procedures by requesting multiple squads and/or positions will have their entries refused and could be subject to further disqualification from an event or from the entire tournament. To ensure your shooting times and positions, the use of presquad.com is recommended. **Please note:** The trapline is arranged into fourteen (14) banks of trapfields with 14 starting points, Bank A is at the East end and Bank N is at the West end of the trapline. Fifty targets will be shot per trap for all singles, handicap and doubles events. Charts showing the starting locations for squad numbers will be made available and posted about the grounds.

Cashiering - Present your plastic ATA card or Shooter Number to personnel at the cashier's counter. They will ask which purses and options that you wish to play. Please make this decision in advance, as no additions or withdrawals will be allowed for any event after you have cashiered. Checks will be accepted for the amount of shooting fees only. Make checks payable to the WTA. No two party checks or endorsements. A \$50.00 fee will be charged on all bad checks. There are no refunds unless an event is cancelled.

Sub-Junior/Junior Entry: Shooters under 18 years of age are offered targets at a reduced rate of \$24.00 per 100 only if purses or options are not played. These Sub-Juniors/Juniors are still eligible for trophies and added money if their score so qualifies them.

Event Payoffs - You must present your plastic ATA card or Shooters Number to cashier personnel in order to receive any event payoffs. Announcements will be made or posted daily as to the availability of payoffs. All payoffs not made at the shoot will be mailed within 10 days. No payoff check \$600.00 or greater will be issued unless we have a W9 SS# Request Form on file or the shooter fills out one before receiving their check.

THE CASHIER'S COUNTER WILL OPEN ONE HOUR PRIOR TO THE SHOOT START TIMES and CLOSE AT 5:00 PM DAILY.

Payoff checks will be available after noon the next day.

FEES - Daily fees of ATA \$3.00 and WTA \$3.00 will be added to your first entry of each day.

SQUAD HUSTLING

Check in with the squad hustler at your starting trap and sign in on your squad sheet at the starting trap scorer's bench. At each of the starting locations, the number of the squad that is actually shooting is posted on the scorer's bench. **We Do Not Call Squad Numbers On The PA System.** No shooter will be allowed to make up more than one sub-event on make up practice traps 17 or 18. If you are unable to join your squad before they have started their second sub-event, you must be resquadded and pay a \$20.00 resquadding fee. If you miss one sub-event, you must report to a WTA Director and make up the sub-event on a practice trap.

TARGET SETTING

Targets will be set each morning. Only authorized WTA personnel may reset targets. Any unauthorized person observed resetting targets may be disqualified from that event.

SHOOT OFFS

Any shooter who is tied for event Champion may shoot off/carryover for the Championship trophy. If a shooter fails in the championship trophy shoot off/carryover and has declared a special category at the time of classification, the shooter may fall back to the declared special category.

Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group.

Any special category shooter whose score does not qualify for a trophy in his/her category, may compete for place, class or yardage group trophies.

Category shooters can shoot off for resident category trophies and then fall back to open category trophies if their score allows.

Once any declarations have been made either by a shooter or shoot management, the declaration is final and cannot be changed. There shall be no exception to this rule.

When there is a tie between two or more shooters, if one or more of the shooters leaves the grounds, that shooter or shooters will be disqualified. If the other shooter has consumed alcohol, they are disqualified (Stingl Rule). 1st ATA rule is for "no show", 2nd rule regards "no tolerance." Ties under this rule will be decided by a coin flip or by draw.

Note: No Shooter may win more than one trophy per event, except the concurrent awards of Husband/Wife, Parent/Child, AIM Awards and Club Team Championship.

ATA RULE - SPECIAL CATEGORIES: All Ladies I and II, Sub-Juniors, Juniors, Junior Gold, Sub-Veterans, Veterans, and Senior Veterans must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy. No contestant will be allowed to declare or change a special declaration after firing his/her first shot. There will be no exceptions to this rule. The following rules apply to shooters who have declared a special category. At all tournaments where All-American points will be awarded in any event, shooters may declare only one (1) category. Note: Chair shooters are exempt from this rule. Shooters who become eligible for new age-based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. (For example, a shooter reaching age 70 may elect to continue to shoot as a Veteran for the remainder of the current target year.) However, once a shooter has elected to move to the new category, that decision is irrevocable and he/she may not again declare eligibility for the previous category. Junior shooters reaching the age of 18 may continue to declare Junior category for the remainder of the current target year.

PRACTICE TRAPS

Practice will be available each day on traps 17 and 18. Tickets must be purchased at the cashier's counter and are not refundable if not used. The cost is \$6.00 per 25 targets for singles or handicap and \$5.00 per 20 targets for doubles. Make your entry at the practice traps. Practice times will be posted and announced each day.

ATTENDANCE PINS

Attendance pins will be issued to contestants at the classification table. Your average card will be punched or marked upon receipt of pin. Please, only one pin per shooter. If there are extras at the end of the shoot, they will be made available at that time. Past State Shoot pins are available at \$1 00 each.
