

Mid Carolina Gun Club will not be shooting the 1st Sunday Shoot in November. It is listed on the ATA website but there is NO SHOOT. Sorry for any misunderstanding. We will start our Sunday Shoots in December. The SCTA Board will be meeting that day so if anyone has any concerns they want discussed let a Board member know and they will try to get you an answer.

Remember the time changes this Sunday morning !!! Mid Carolina is also planning a couple "Night Big 50 Shoots" and "Doubles Marathons". The dates have not been decided but I will send out an email a couple weeks in advance. We are still shooting our **weekly Tuesday Big 50** shoots and our 3rd Saturday Shoots.

Hope to see you at any of our shoots !!!!!

ATTN: Jim DeLuca, Jim Hughes, and Derrick Randall I have trophies you won at The SCHOF Shoot. See or contact me for your trophy.....Good Shooting !!!!
