PRESIDENT'S MESSAGE

On behalf of the Board of Directors, employees and many volunteers for the Michigan Trapshooting Association we welcome everyone to the 2018 shooting events at the Michigan Trapshooting Association. We continue to make new improvements in the program and grounds to provide you with an enjoyable shooting experience.

The Board of Directors has been working throughout the winter months to promote and grow the positive aspects of our sport and to secure many items as special trophies. Through generous donors we will have the Michigan Three Gun Lewis, the Case of Ammo a Week for a Year prize, a Miss and Out contest, and several other cash awards.

We would like to present the newest inductees into the Michigan Trapshooting Hall of Fame – James Doolittle and Andrew Suda. Shooters, past Hall of Fame Inductees, families and friends are invited to attend the award ceremony in the pavilion on Saturday June 30, 2018 after the singles championship.

The Hall of Fame continues to raise funds for a permanent climate controlled location to preserve our museum collection.

In closing I would like to thank all of the people who volunteer to help with the shoots; target setting, classification, shoot referees, and those who help new shooters get started.

I would like to thank the Board of Directors of Michigan Trapshooting Association for allowing me the honor and privilege of serving as President of our Association. It is their work and sacrifices that make the Michigan Trapshooting Association one of the best trapshooting grounds in the United States

Sincerely

PRESIDENT

MTA WORK DAY

Please join us April 21, 2018 to prepare the Michigan Trapshooting Association grounds for a great shoot season

9:00 am to 3:00 pm – Lunch Provided

BRING YOUR GUN – OPEN SHOOTING AFTER

MTA HALL OF FAME & MUSEUM

The MTA Hall of Fame & Museum had another successful year in 2017. Generous donations from Michigan trapshooters and their families expanded the museum collection and raised funds to preserve our trapshooting heritage. Come on over to the 2018 MTA shoots and be sure to stop in the clubhouse and check out the new museum displays.

We are thrilled to announce the **2018 Hall of Fame inductees – James Doolittle and Andrew Suda**. These men have earned this honor through their many shooting accomplishments and their support of Michigan trapshooting. All are invited to attend the Hall of Fame Ceremony and celebrate their accomplishments at our State Shoot on June 30, 2018.

The Hall of Fame & Museum Board is grateful for the generous donations in 2017. This money will be used to pay for the annual Hall of Fame ceremony, ongoing museum artifact preservation and displays, to fund the scholarship program, and future capital projects. Fund raising events in 2018 will include 50/50s, gun raffles, and the annual silent auction at our State shoot. ***Donations of silent auction items are being accepted now and are appreciated.***

The first Michigan Trapshooting Association Hall of Fame College Scholarship will be awarded at the 2018 State Shoot in conjunction with the Michigan State Team presentation. We are accepting applications for the 2019 scholarships now. Current high schoolers graduating in 2018 or 2019 may apply. (Coaches - let your youth shooters know this money is available.) ***Scholarship applications can be found on the Michigan Trapshooting Website (Michigantrap.com), at the MTA home grounds, or by contacting any Hall of Fame Board Member. Please submit your application by the last day (July 1, 2018) of the Michigan State Trapshooting Championships, to be considered for the Scholarship(s) in 2019.***

The existing facilities at the MTA grounds do not provide the appropriate climate control to preserve the Hall of Fame and Museum artifacts, exhibits, and photos. Each year, all items are removed from the clubhouse and stored over the winter. We are reluctant to accept additional items to grow the museum collection until we have appropriate housing. The HOF Board of Directors and MTA Board of Directors have been discussing ways to provide a permanent Hall of Fame & Museum area to preserve our collection year-round. Preliminary bids indicate the cost will be \$45,000 to \$50,000 to renovate part of the clubhouse for this purpose. This cost is beyond our current resources. We are considering ways we can accomplish this goal.

We are asking for your input. If you are a general contractor, electrician, framer, or any other building trade specialist, we would love to hear your ideas and would appreciate your help. Anyone interested in helping with this project is invited to contact a MTA board member or HOF board member. MTA is a 501c3 organization. Contributions are tax deductible to the extent of the law.

The MTA Hall of Fame & Museum activities would not be possible without the generous donations and support from trapshooters and the volunteers who help with events. Thank You to all who support the MTA Hall of Fame & Museum. Best wishes for a successful 2018 shooting year.

HOW TO ENTER AN EVENT

In order to shoot in an event, you must first be classified and have your information entered into our computer system at the classification counter. The classification and squadding counters are located in the buildings east of the cafeteria. Classification, Squadding and Cashiering will be open from 4:00 pm to 5:00 pm the day prior to each shoot. Classification, Squadding, and Cashiering will open at 8:00 am every day during the shoot (7:30 am on the Sunday of the Team shoots). Closing will be 4:00 pm or a time set by management and announced on the PA system prior to closing. The cashier windows are located in the east end of the cafeteria building.

1. Classification: Your singles and doubles class and your handicap yardage will be determined at the Classification counter. You must have proof of your current A.T.A. membership in order to be classified. You may join the A.T.A. or renew your membership at the Classification counter. See the Classification section for Classification details.

2. Squadding: You will only need your A.T.A. number to pull squads. There are no cards given out as in the past. Pre-Squadding is done through the www.presquad.com website. If you pull a squad/position and you are not going to use it, please notify the Squadding counter as soon as possible. This will allow us to fill the holes in short squads, making the tournament more enjoyable for everyone.

3. Cashiering: You will only need your A.T.A. card in order to pay for your shooting. When you pay for the first event, you will receive a receipt showing all of the squads that you've squaded for (paid for or not), and options played (if any) for each event cashiered.

CLASSIFICATION

Shooters will be classified according to their known ability. To determine a shooter's known ability, the following will be considered:

- a. Official averages (abnormally low scores will be discarded)
- b. Non-registered scores including shoot-off and practice scores.
- c. Any other information bearing on a shooter's abilities to shoot and break targets.

1. The following system will be used for all shoots except the Great Lakes Grand. (See the Great Lakes Grand shoot program for classification and target requirements.)

SINGLES		DOUBLES	
AA	97% and over	AA	93% and over
A	94% and under 97%	A	89% and under 93%
B	91% and under 94%	B	85% and under 89%
C	88% and under 91%	C	78% and under 85%
D	under 88%	D	under 78%

2. High scores in each class in all singles and doubles events will advance one class. Should you earn yardage in any handicap event, you must report to the classification counter to have your average card punched to the new yardage. Any shooter whose yardage or class has changed for any reason shall be considered to have been notified when the new class or yardage is posted in the scoreboard annex. Change of yardage for any shooter may be made at any time during the year including immediately before and during the shoot.

3. Any shooter who shoots in a class or from a yardage higher or lower than the assigned class or yardage will be subject to disqualification and will not be eligible to share in any money division or eligible for trophies.

4. PENALTIES

Singles – No entrant shall shoot 16-yard singles events in less than Class A, or higher (Ladies and Sub-Junior in Class B or higher) without having a minimum of 1,000 registered targets for the current and previous year combined.

Doubles – No entrant shall shoot doubles events in less than Class B or higher without having a minimum of 500 registered targets for the current and previous year combined.

Handicap – No entrant shall shoot any handicap events at their current A.T.A. yardage without having a minimum of 1,000 registered targets for the current and previous year combined. Handicap entrants not meeting the requirements shall be assessed a 2-yard penalty (Ladies and Sub-Juniors, 1 yard) to their current yardage.

Handicap target requirements will be waived for Senior Veterans.

Penalty yardage will be waived, if shooting targets only. The shooter will not be eligible to win trophies or play options.

5. SPECIAL CATEGORIES

Lady I, Lady II, Junior, Sub-Junior, Junior Gold, Sub-Veteran, Veteran and Senior Veteran categories must be declared when you classify. *This is the responsibility of the shooter. Once the shooter shoots at the first target the classification cannot be changed. Exception to this rule is if the classification error was the fault of the classifier. Check your classification before you leave Classification.* If your special category does not appear on the posted score sheet, please report the omission at the Classification counter.

Age-based special categories are determined at the beginning of the target year, or on your birthday. Please see the A.T.A. rule book for details.

Ages for special category are:

Veteran:	65 years old up to 70 years old
Senior Veteran:	70 years old and older
Junior:	15 years old up to 18 years old
Sub-Junior:	Under 15 years old
Sub-Veteran:	55 years old up to 65 years old
Junior Gold:	19 years old up to 23 years old
Lady I:	Under 55 years old
Lady II:	55 years old and older

Additional Special Category Trophies:

Zone Team, Parent and Child, Husband and Wife

For the Michigan State Shoot Singles Championship (Event 13) July 1, 2017.

Your eligibility for these additional special category trophies must be declared at the Squading counter, prior to the start of the event.

TROPHIES, TIES AND SHOOT-OFFS

1. A shooter may not win more than one trophy in the same event. If a shooter's score qualifies for more than one trophy, that shooter must notify the office within 15 minutes after that event's last scores have been posted, as to which trophy he/she desires to take or shoot off for. Concurrent special awards are exempt from this rule.

If the shooter fails to make appropriate notification of his/her choice, the Directors will make the choice for that shooter.

Second and third places in Special Categories will be determined by **reverse** long run or coin flip if not decided by Championship shoot-off.

This rule shall not be interpreted to affect the right of all contestants whose score qualifies them from shooting off for the Championship Trophy in any event. Championship Trophy, for the purpose of this rule, means the trophy awarded to the highest scoring event winner. It does not mean class champions, special category champions or any other trophy than the high score winner and runner-up.

2. Leader-to-date listings are displayed on the video monitors in the main cafeteria building and scoreboard annex to allow shooters to track potential shoot-offs. Shooters are advised to note where special category shooters may have high score/tie in class and special category. It is possible that a score lower than broadcast on the video display monitors may be involved in a shoot-off.

3. Trophy ties in all handicap events will be shot off after the last event of each day. Trophy ties in singles and doubles events will be carried over to the next like event on the regular program whenever possible, and shot off by sub-event. If the program does not indicate a carryover for singles or doubles events, the trophy ties will be shot off after the last event each day.

4. Contestants in shoot-offs will be called over the public address system to report to the designated check-in area. Anyone in a tie who does not answer the call for shoot-offs will forfeit rights to any trophy.

5. The trophy room is located at the east end of the cafeteria. It will be opened each day of the shoot at times determined by the Directors. Trophies will not be mailed.

6. Lists of unclaimed trophies are posted in the trophy room and the squading room. The M.T.A. will make every effort to get trophies to the winners. However, any trophies for the year not picked up by the end of the next shoot will be forfeited. Fall Team Trophies not picked up during the Fall Team Shoot can be picked up during the next year's Spring Team Shoot. After that the trophies are forfeited.

7. **Pins and Patches:** Anyone breaking 100 or 200 straight without carryover for the first time at the Michigan home grounds will be awarded a State Pin. Only one pin will be awarded to any individual. Please inquire at Squading.

MAKE-UPS

Any shooter missing all or part of a round should report to the practice traps for a make-up sheet, and make up the round(s) no later than 10 minutes after the last squad in that event has completed the event. Make-up rounds will be shot alone or with other make-up shooters. If the make-up is not shot within 30 minutes after the event, all targets not fired at will be scored zero. No shooter can make-up more than 50 targets on the practice trap. They must re-squad or forfeit.

FEES

1. **Fees** – Daily Fees: A.T.A. \$3.00, M.T.A. \$3.00. Payments may be by check (exact amount only) or cash in U.S. funds only. **Payment by credit card is not available.** The cashier will accept no counter checks or secondary party checks; no exceptions.
