### REGISTRATION CERTIFICATE

This is to certify that the Montpelier Gun Club, Inc. has been authorized to hold a registered shoot at its club grounds in Berlin, VT on June 15, 16, and 17, 2018. ATA rules will govern this shoot and all scores will be included in the official records.

*Amateur Trapshooting Association  
Sparta, IL*

**Special Categories:** It is the responsibility of Ladies (I & II), Juniors Gold, Juniors, Sub-Juniors, Sub-Veterans, Veterans, and Senior Veterans to make sure that your correct category is indicated on your classification receipt and on the scoreboard sheets if you choose to declare.

**Sub-Juniors, Juniors, Juniors Gold:** The target entry fee for all sub-juniors, juniors, and juniors gold in all events will be \$20.00 per hundred targets provided that no options or purses are chosen.

**Membership Dues:** Shooters must have a current ATA membership card or dues receipt, otherwise the annual membership fee of \$20.00 (\$12.00 for Juniors Gold, Juniors, and Sub-Juniors) will be charged.

**Scores, Monies & Pay-offs:** Please verify your scores on the score sheet before changing positions or leaving the field and on the scoreboard after you have completed an event. **Scores cannot be changed after leaving a shooting post and shooting your first target at the next post.** Scores are final for purses and options one hour after each event. Pay-offs for Events 1 through 4 will be available the following day. Pay-offs for Events 5 & 6 will be mailed. Once the money options are figured, there will be no changes unless the cashier has made an error in computing the pay-offs. The Vermont sales tax is included in the cost of targets for all events.

**Trophies & Shoot-offs:** Ties in Event 1 and Event 3 will be carried over by sub-event to Event 4 and Event 5, respectively. Ties in any other events will be shot off at the end of each day. Shooters with tie scores who are not present for a shoot-off will forfeit. Shooters are eligible for only one trophy per event. **Please pick up your trophies before leaving the club grounds.**

**Starting Traps:** Trap bank assignment will be picked at random before each event. Charts will be posted showing where your squad will shoot. To improve the overall flow, management reserves the right to change trap assignment when gaps in squadding or mechanical breakdowns occur. Due to scratched squads, there may be jumps in squad sequence. Please watch the starting trap board to determine where and when your squad will shoot.

**Target Shooting Procedure:** We will use the traditional 5-targets-per-post procedure for singles and handicap but all shooters must take 50 shells to the line for all 16-yard events and only stop after 25 rounds to verify scores.

**Lights:** If weather or attendance conditions warrant, floodlights for 3 fields will be turned on at approx. 8:00 p.m.

**Practice Trap:** If it is not being used for program events, the practice trap will be available starting at 8:30 a.m. each day. The cost for practice is \$5.00 per round of 25.

**Green Mountain Cup (Team Trophy):** The VTA sponsors the Green Mountain Cup Team Trophy. Any state or province may enter one team. Team members must be identified before shooting. The total score for all five shooters from the championship events determines the winning team. The winning team takes possession of the Green Mountain Cup for one year, to be returned in 2019.

**VTA Annual Meeting:** The annual meeting of the Vermont Trapshooting Association will be held on Sunday, June 17<sup>th</sup> at 8:30 a.m. in the clubhouse. The purpose of the meeting is to elect a delegate, alternate delegate(s), officers, and conduct any other business of the Association. The ATA refund to the VTA for dues and daily fees paid during the 2017 target year was \$393.00.

**Golf Carts:** Except for management personnel, the use of golf carts or other similar vehicles will only be permitted on the roadway. Please avoid use on or near the trap fields.

**Camping:** The camping area has capacity for approx. 25 units, complete with water and electrical hook-ups, on a first-come/first-serve basis. The cost is \$45.00 (flat rate) regardless of hook-up usage or number of nights stayed. Primitive tent sites are \$15.00 (flat rate) regardless of number of nights stayed. Please do not use air conditioners unless you have a generator. **Please contact Ron Minor at 802-524-4293 or ronminor@myfairpoint.net in advance to reserve a space.**

## 2018 VERMONT STATE SHOOT PRE-SQUADDING INSTRUCTIONS

1. Pre-registration will be available at [www.presquad.com](http://www.presquad.com). **It is preferred that you use this method for pre-squadding.** You will need all ATA numbers when pre-registering. If you do not have Internet access you may pre-register by mail by completing the form on the next page. Print your name, address, telephone number, and the names and ATA numbers of all shooters you are requesting positions for in the appropriate areas on the form. The cost for pre-squadding is \$2.00 per position per event (\$10.00 for a full squad). **This service charge is non-refundable and not applicable towards entry fees.** It must be included with your pre-squadding request form and received by mail within 5 days at the address below in order to secure your reservation(s).
2. On the manual form, determine the approximate time during each event that you would like to shoot and write an "E" (early), "M" (middle), or "L" (late) in the box next to each event. **We will try to select your squad based on your preference, however this may not be possible due to higher demand for certain shooting times.** The starting traps will be determined randomly and not in advance.
3. You may pre-squad for individual positions or a full squad. If you want a full squad, circle all 5 positions on the form. The maximum is one squad per event.
4. Multiply the number of positions you have chosen for each event by \$2.00 and enter that total in the pre-squad fee box. At the bottom of this column total all of the pre-squad fees and include a check in this amount, made payable to the Montpelier Gun Club, with your pre-squad form.
5. Squad assignments for all pre-squadded entries can be obtained at the squadding window starting Thursday, June 14<sup>th</sup> at 6:00 p.m. or any day thereafter. They will not be mailed. **Assignments not claimed at least 30 minutes before your start time will be released and you will need to re-squad.**
6. All requests for pre-squadding will be processed after May 14<sup>th</sup>. Any requests for pre-squadding postmarked before May 14<sup>th</sup> will be treated as if they were postmarked on May 14<sup>th</sup>. **No pre-squadding requests will be accepted after a postmark date of June 5<sup>th</sup>. The deadline for presquad.com is June 8<sup>th</sup>.**
7. Priority on postmark date will be given to full squads first, partial squads second, and individual position requests last. Shooters requesting partial squads may be assigned different positions if the first choice is unavailable.
8. Telephone requests will not be accepted.

Send your completed pre-squad entry form and check made payable to the Montpelier Gun Club to:

New this year, we are offering the "Montpelier Gun Club Lewis" in all events as a way to raise additional funds for the Club. The entry is \$10.00 with \$5.00 of it for the Club and \$5.00 for a special Lewis to be paid one money every 10 entries, 50/30/20 high gun, maximum of 3 classes. We hope that you will participate. All ties divide.

## *In Memory*

### **Maurice "Moe" Bigras (1931-2017)**

Moe Bigras passed away on August 30, 2017 at his home on Richardson Road in Barre, VT. He was born in Newport, VT and spent his early years in New Hampshire, moving to Vermont with his family at the age of nine. He attended Barre schools and, after graduation, joined the Air Force where he served in the Philippines during the Korean conflict. After his military service, Moe returned to Vermont and married his beloved wife Kitty in 1956. They were married 58 years until her death in 2014.

Moe was a hard worker his entire life. He was deeply dedicated to his work, his family, and the Montpelier Gun Club. Moe began his career as a stonecutter and started his own successful sandblast business which he operated with his son, Steve, until his retirement in 1993. Moe loved the woods and was an avid outdoorsman. He also loved trapshooting and the Montpelier Gun Club. He passed along his passion to his son and grandsons, Trevor, Tylor, and Collin. Moe is survived by his four children, Cindy, Steve, Lori, and Diane, as well as his sister, Lucille, and many grandchildren, along with one great-grandson, nieces and nephews.

Moe won the State Handicap Championship in 1995 and was always a force to be reckoned with in any handicap event. He joined the ATA in 1965 and registered 33,700 singles, 29,050 handicap, and 17,100 doubles targets in his career.

Moe was always willing to lend a helping hand. He was a fixture at the gun club and was instrumental in revitalizing the club grounds in the late 1960's so that the Vermont State Shoot could be held in Montpelier in 1970. He always had a positive "can-do" attitude and almost nothing was impossible. A humble man with a gentle soul, Moe is dearly missed by everyone.
