### CLASSIFICATION FOR SQUAD - SINGLES EVENTS

#### SQUAD CATEGORY

Shooters may shoot on a squad composed of members of other categories. However, the squad will be shooting in the highest category represented in the squad. Example: If a squad is comprised of 1 Pre-Sub, 2 Sub-Juniors and 2 Juniors, the squad will be competing in the Junior category. Moving up in age group is for squad purposes only and does not affect a shooter's individual category with AIM.

Squads are defined as five (5) shooters competing on the same squad, at the same registered shoot, at the same gun club, and on the same trap field. There are no exceptions to this rule.

#### SQUAD/TEAM CLASS (Online Zone Championship & AIM Grand Championships Only)

Using the individual classification table found on the previous page, Singles squad classification will be based upon the composite average of the five shooters on the squad. The following classes will be used for penalty classified shooters:

	PENALTY CLASS (MINIMUM)	PENALTY AVERAGE (MINIMUM)
Pre-Sub	B	75%
Sub Junior	B	87%

## 2018 AIM IOWA STATE SHOOT

Iowa State Aim Championship information

AIM Shooters will compete for AIM Championship medals in Singles, Handicap and Doubles on Saturday. The shoot will start at 10:00AM with registration and squading open at 8:00AM at the sign up building. There will be medals for non-Iowa residents also. Check [www.stockdalegunclub.com](http://www.stockdalegunclub.com) website for presquading.

Shooters are required to have current 2018 ATA, AIM and Iowa residents must have memberships paid prior to the shoot. Non-residents do not need ISTA membership.

Mixed age group squads are allowed to compete but will compete in the category of the oldest AIM member shooting on the squad. If you presquad, be sure you squad with the four other members of your team. You are not required to presquad.

Ties for AIM awards are not settled by shoot offs. They are resolved by reverse score by sub-event.

Shamrock Leathers has again graciously donated an 8 box leather bag to the Iowa State AIM Shoot program. The bag will be awarded by a lucky number (0-9) drawing at the end of the singles event; each lucky number will shoot off for the bag. The shoot off will be a "turkey shoot" type event. All shooters will shoot one target from the 16 yard line per post, then one per post from the 22 yard line, then one target per post from the 27 yardline, high score. If still tied, ties will be shot off miss and out by repeating at the 27 yardline.

Please plan to attend Friday. We will be running practice traps and marathon type ATA registered targets as a preliminary warm up to Saturday's event. At the end of the day approximately 6:00PM we will have a cook out for all contestants and their guests.
