Idaho State Trapshoot Program

Dear Friends,

The First Lady and I welcome you to the 2019 Idaho State Trapshooting Association's annual championship event. Thank you to the Pocatello Trap Club for sponsoring the event this year.

Trapshooting has a great history in Idaho. Records of champions date back to 1914. Trapshooting is a lifetime sport and one that everyone, young and old, can enjoy. It is a sport our entire families can take part in together.

As you participate in this competition, remember you are the successors of a proud tradition. You are among those who understand the Second Amendment right to bear arms comes with great responsibility. Thank you for passing on your values to the next generation of sportsmen.

Beat wishes for a successful and fun event this year. I am proud to see the tradition of shooting continue in our great state.

Sincerely,

Brad Little

Constitutional Change Proposals

Proposal to Amend ARTICLE IV: Section 2 of the Constitution for the Idaho State Trapshooting Association

Date: October 29, 2018 Submitted by: ISTA Board of Directors

Section 2: There shall be a Board of nine (9) Directors, the President and Vice President to be members of said Board. The State shall be divided into three zones as follows: Northern zone will provide three (3) Directors, Southeastern zone will provide three (3) Directors and the Southwest zone will provide three (3) Directors. Directors shall be elected for a three (3) year term, during the State Shoot, for their respective site. One Director for each zone will be elected each year. The State Delegate is a non-voting member of the Board.

Implementation: The Secretary-Treasurer, working with the Board of Directors, will phase in election term to allow transitions to the new election cycle. The current Board of Directors and their terms are listed below. A tentative schedule for elections associated with the transition is included and needs to be verified by the Secretary-Treasurer. :

North	**Term Ends**	**2019 Election**	**2020 Election**	**2021 Election**	**2022 Election**
Spud Storey	2020	None from N	1-1 year term	1-3 year term	1-3 year term
Wayne McCulley	2020		1-2 year term		
Joe Eichert	2020		1-3 year term		
South West					
Joe Turner	2019	1-3 year term	1-3 year term	1-3 year term	1-3 year term
John Keppinger*	2019	1-2 year term			
Guy Johnson*	2019	1-1 year term			
South East					
Lloyde Herbst	2021	none from SE	none from SE	1-3 year term	1-3 year term
Scott Abo	2021			1-2 year term	
Rick Erickson	2021			1-1 year term	

Rationale: The Board of Directors has the responsibility to enact the objective of the organization which is to: "promote the interest of Trapshooting and to make all regulations pertaining thereto". This responsibility requires that the Board of Directors act in such a manner as to promote and support the sport throughout the State of Idaho. It is the full membership that elects all members of the Board, not just the membership of the zone. This change ensures that prospective members of the BOD are representative of the entire ISTA membership. The proposed change assures statewide continuity of the state wide Board of Directors, by assuring that at any time that there are Directors from each zone who have experience in enacting the role of the Board. In addition, recruitment to run for positions will be easier, when only one person needs to be recruited for each zone, instead of 3 from one zone.

IDAHO TRAPSHOOTING HALL OF FAME/IDAHO SHOTGUN SPORTS MUSEUM

The Idaho Trapshooting Hall of Fame, formed in 1988, is a nonprofit organization with the following mission "To record and memorialize significant people, places and events in the history of trapshooting in the state of Idaho and to promote trapshooting and educate the public as to the values of the sport of and to preserve the history, records, artifacts and other memorabilia as well as to promote and provide inspiration to all trapshooters. Over the past 31 years 44 people have been inducted into the Idaho Hall of Fame, becoming part of the Idaho trapshooting legacy.

Idaho Trapshooting Hall of fame has explored building a facility for storage and display of historical trapshooting items several times. In 2018 a member of the Boise Gun Club offered $10,000 toward the construction of an Idaho Shotgun Sports Museum at the Boise Gun Club if shooters will match the funds. This museum could become the physical home of the Idaho Trapshooting Hall of Fame.

The museum will include items and information dealing with hunting, the development of the shooting sports of trap, skeet and sporting clays, the history of shotguns and much more.

The Idaho Trapshooting Hall of Fame is seeking donations from interested clubs and individuals to reach the goal of matching funds and ultimately the construction of a facility where historical memorabilia can be located to aid in recording the history of shotgun sports. Please consider making a donation to this important historical project..

All donated funds are being held in a separate account through the Hall of Fame and are tax deductible. Should the matching funds are not be met your donations will be fully refunded.

You can send your donations mad to Idaho Shotgun Sports Museum (ISSM) Project to:

Idaho's Own, Stuart Welton
Inducted to the Trapshooting Hall of Fame 2019 Grand American

Stuart Welton was introduced to shooting by his father, Dwayne and supportive mother, Margaret. Stuart and his brother, Tony, worked at the Boise Gun Club as kids—Tony pulled while Stu worked in the trap house, which he liked since he was out of the weather. At the end of the day, Dwayne would let them shoot a few rounds. Then in 1974, at the age of 12, Stu began his ATA career. In just two years, Stuart was shooting from the 27-yard line. In 1980, at the Grand Tournament, Stu won five trophies, including the Junior Titles in the Doubles Championship, All-Around and High-Over-All.

Four illustrious decades later Stu has been honored to earn 11 men's All-American Team placements, 40 awards at the Grand Tournament, 3 Spring Grand Titles, 4 Western Grand Crowns, and over 30 Idaho State Titles. He was victorious in the longest one-day shoot off in AA Singles history, knocking down 625 extras (25 rounds) in the 2001 Idaho State Shoot. Then again, in 2012 he was victorious in the longest Doubles shoot off, which went 15 extra rounds at the Western Grand Tournament. Despite his full-time work schedule as an electrical contractor, business owner, and avid hunter, he enjoys the opportunity to represent Idaho in as many shoots as he can attend.

Stu enjoys spending time with his family and friends on his property in Gardena, ID. Anyone who knows Stu, knows he is very humble about his shooting accomplishments, because for him, nothing matters more than his family. Stu has been married to Raeleen for 34 years and they are the proud parents of three grown children and son-in-law, as well as three grandchildren. Their daughter Tanea works for the Idaho State Police; their son Nick is a computer engineer; and their daughter Chandis is a registered dietitian. Tanea and Nick have both registered ATA targets, and Nick will be presenting Stu for the HOF induction at the banquet in August.

Stu is grateful for the friendships the sport has brought and he looks forward to every shoot. When asked about how it feels to have so many wins under his belt, Stu says: "It's a grand feeling when you get to be a champion." And a champion he is – Idaho's born and raised ATA Trapshooting Hall of Famer: Stuart Welton.

Stuart would like to sincerely thank Dieter and Betty Krieghoff, Krieghoff International and awesome Staff for their great support over the years!

Alvin F. Connerley

Alvin Connerley, avid trapshooter and member of the Idaho Trapshooting Hall of Fame passed away Saturday November 17, 2018, at his home in Lewiston, Idaho of causes related to age. He was 89 at the time of his death.

Alvin was born June 6, 1929 in Buhl, Idaho and raised in Twin Falls, Idaho. Although his work took him many places he was always an Idahoan at heart. Alvin met Luana (Lou) Scholes in 1946 while in high school. They married on February 2, 1948 eloping to Elko, Nevada, and started their life journey with $13 between them. They initially made their home in Twin Falls, Idaho. In 1956 they started living a nomadic life throughout the Pacific Northwest due to Alvin's occupation as a bridge builder. They lived with their growing family in campers, small homes and often in remote areas. They first resided in Lewiston, Idaho from 1959-1962, when Alvin oversaw the building of the Spalding Bridge. They relocated back to Lewiston in 1965, from Montana, where they lived the remainder of their lives. In 1966 Alvin was introduced to trapshooting at the Lewiston Gun Club and he participated with an unrivaled intensity and passion for the sport for the remainder of his life.

He earned many awards and was soon a AA/27/AA shooter. He shot trap throughout the United States participating in PITA and ATA shoots. In 1976 he and Luana began traveling to Arizona each winter to participate in the trapshooting winter chain and he made his last journey there in 2017.

Alvin was well known on the trap line for his wit, fierce competiveness and great sportsmanship. Alvin was inducted into the Idaho Trapshooting Hall of Fame in 2004; he was one of 77 people to have been awarded the 500,000 target award by the ATA; through his shooting career he shot 804,425 registered ATA targets and was a national leader on number of targets shot in the ATA. He enjoyed shooting many PITA events, and particularly liked traveling to shoot in the PITA Grand Pacific, which was one of his favorite summer events. Alvin started in the 1960's and never stopped, shooting his last registered target in May 2018 at the Culdesac Gun Club where he was a life member.

Alvin enjoyed introducing others to his favorite sport. He readily shared equipment, guns, and ammunition to provide people an opportunity to try it out. His brother, sons, daughters, niece, nephew, grandchildren and great grandchildren joined him in trapshooting, received his direct coaching and assistance; they loved the opportunity to shoot with him at registered and non-registered events.

Alvin thrived on work; it was his life passion and he embraced it with enthusiasm. He would work long hours, seven days each week, but always said "I never felt like I went to work a day in my life". He translated this same work enthusiasm in his love for trapshooting and was instrumental in the development and maintenance of the Lewiston Gun Club where he was a life member, serving on the board, as president and as a constant contributing source of energy, ideas and work. Though Lou's health made it impossible to shoot in her later years, she traveled with and supported Alvin in his trapshooting career, becoming well known for providing "1 straight" pins," fooled you shot a 2" pins to deserving shooters across the nation.

Alvin Connerley will be missed by family and friends throughout the country, but his absence on the line will be a notable loss for the trapshooting community.

WARRANTIES DON'T MATTER IN THE BACKCOUNTRY

Whether you're on the hunt of a lifetime, on the firing line at a once-a-year competition, or trying to complete a critical mission, your time is priceless. You might only get one shot at it. Literally. At that moment, the most generous warranty on earth won't help you if your scope fails.

That's why we put so much time and attention into little things. Because little things overlooked or ignored have a way of becoming big problems.

Many optics companies brag that their products are "backed by such-and-such warranty." We see it differently. The best warranty is one you'll never have to use.
