Welcome Shooters
to the
2019 NRA Southwestern Trapshooting Championships!

The NRA Whittington Center is pleased to be the home of the 2019 NRA Southwestern Trapshooting Championships. We would like to thank you for coming to our facility and experiencing what the NRA Whittington Center has to offer.

The NRA Whittington Center is located in northeast New Mexico just outside the town of Raton. With just over 33,000 acres, the NRA Whittington Center is home to 19 shooting ranges and a comprehensive shotgun facility that includes 17 trap fields, 4 skeet fields, 3 sporting clays courses and two sets of 5-stand.

We would also like to thank all of our generous sponsors and supporters who have helped make this event possible (White Flyer, CZ-USA, Prize Possessions, Krieghoff & Tex Hollis Custom Leathers) These great companies have been instrumental in helping us bring this event to fruition, so if you happen to see any of these sponsors while at the NRA Whittington Center, be sure to let them know how much you appreciate their support of the NRA Whittington Center and the 2019 NRA Southwestern Trapshooting Championships.

On behalf of the National Rifle Association and the NRA Whittington Center, welcome to the Land of Enchantment and good luck!

Ronald Schmeits, Chairman

GENERAL INFORMATION

White Flyer orange dome targets will be thrown on 16 trap fields with wired voice releases.

The Club will be open Wednesday from 3:00 pm to 5:00 pm for registration and practice.

NRA Whittington Center will be accepting cash, checks or credit cards for your registration.

Practice will be between 7:30 am and 8:30 am Thursday through Sunday. Practice rounds are \$7.00 for 25 targets. Registered shooting begins at 9:00 am.

ATA daily fees of \$3.00, NMTSA fees of \$4.00 will be charged daily on your first event.

For your dining pleasure, breakfast, lunch and dinner will be available Thursday through Sunday.

Factory ammunition will be available for sale at the Club. Use of reloads conforming to ATA rules is permitted. Empty shells on the ground become the property of the Club.

Currently, we have full RV spots with 50 & 30 amp electricity available. Please call the NRA Whittington Center if you would like a reservation. The NRA Whittington Center also has other lodging available. Please call for a complete list and availability. You can reach us at 800-494-4853.

Trap setting will be done before each day by officers of the State Association and/or designated Club officials, per ATA rule Section XIII, E. Should a trap be throwing targets that, although not necessarily illegal, appreciably vary from trap to trap, any shooter may request that the trap be reset, per ATA rule Section IV, G.7. The final decision as to whether or not a trap is to be reset will be made only by shoot management.

If your trap breaks down, take your score sheet and continue shooting on the next trap. A sub-event is 25 targets for Singles and Handicap and 50 targets for Doubles.

All ties in Thursday's singles and doubles events will be carried over to the next similar event. All Handicap events will be shot off after the final event of that day. Shooters will receive three five minute calls for shoot-offs. If you do not respond, you forfeit the shoot-off.

Only one trophy shall be awarded to any one person in any separate event.

There will be NO class advances in singles or doubles during the shoot. Earned yardage will be determined per ATA rules.

Purses and options are non compulsory. No changes or withdrawals will be allowed after the event has started. Payoff sheets will be posted on the information bulletin board at the conclusion of each event. It is the responsibility of purse and option winners to report their earnings to the Internal Revenue Service. All ties will divide on purse and options. **All option payments will be made by check and mailed to the shooter's address at the conclusion of the tournament. No options will be paid during the shoot.**

There is \$15,000 added money provided during this tournament during the championship events on Saturday & Sunday. Please refer to each championship event for how option money will be distributed.

Shoot management reserves the right to change, modify or alter the program at any time, and reject, refund or disqualify any contestant who interferes with the conduct or sportsmanship of the shoot. The management has used reasonable care in the preparation of this program; however, not all issues can be addressed. ATA rules will govern the operation of this shoot.

The NRA Whittington Center and shoot management provided by the New Mexico State Trapshooting Association will not be liable for any damages to persons or property, or losses of any kind by any participant or spectator. All persons entering this tournament do so at their own risk and assume all liabilities for any damages or losses caused or suffered by them.

Squadding will be done by computer. A shooter shall be allowed to enter any event and play all of the options or purses at any time prior to the first squad clearing the first sub-event of any new event. All shooters that have pre-squadded must be signed up and paid by 8:30 am or will be dropped from their squad.

Juniors and Sub-Juniors will receive one-half price targets provided they do not participate in any options or purses. Juniors and sub-juniors are eligible for added money awards.

100 & 200 straight pins will be awarded by the NRA Whittington Center.

This certifies that the NRA Whittington Center has been authorized to hold a registered trap shoot in Raton, NM on October 3 thru 6, 2019. The Amateur Trapshooting Association rules will govern the shoot and the scores will be included in the official record.

CLASSIFICATION AND HANDICAPPING

Classification will be in accordance with the ATA rulebook using six classes for singles and doubles. There will be no penalty yardage or classes for this tournament. However, the Club has the option to change the class of any shooter at any time during the shoot.

A new shooter may be assigned to any class in 16-yard and Doubles events, at the discretion of classification personnel until the shooter establishes his/her known ability. New lady shooters and new sub-junior shooters will be assigned to the 19 yard line. A new male shooter who has reached his 15th birthday will be assigned the 20 yard line.

It is the contestant's responsibility to have his/her average card up to date before approaching the classification table. It is also the contestant's responsibility to show entire registered ATA shooting history for the current year. Please have your average card current and up-to-date when presented to the classifier.

SPECIAL CATEGORIES

Declaration of a special category is voluntary. If a shooter declares a special category, it is the shooter's responsibility to see that the classifier puts him/her in the correct special category. No changes or additions of special category will be allowed after firing his/her first shot. Since All American points may be awarded during this tournament, shooters may declare only one category.
