Food and primitive camping are available at the club grounds.

We all have struggled to get through this year, because of this we have cut back a little on some, but it will still be a good time for all. This is one shoot that is always going to stand.

**Please plan to come to our events, bring your friends, and enjoy the hospitality of the North Woods as
We carry on the tradition of my parents Delbert and Gerry.**

Thank all of you, Cecil Nye
