IMPORTANT NOTICE

COVID 19 VIRUS UPDATE FOR FULTON COUNTY GUN CLUB

ATA Events CANCELLED thru Wednesday April 29th, 2020 NO Friday Night Games in April

Obviously these are trying times for many, tragic times for many of those less fortunate. I pray that this notice finds all of our shooting friends and their families safe and healthy.

Unfortunately, given the President's directive about travel and "social distancing", the extension of Governor Holcomb's "Stay at Home" Executive Order (20-08) and the resulting travel ban in Indiana and even more so because of concern and an obligation to the health and welfare of our shooters, staff and their family members, I find it necessary to CANCEL all shooting events here at Fulton County Gun Club thru Wednesday April 29th, 2020:

Sunday April 12th .. CANCELLED (NO practice on Saturday April 11th, 2020)
Wednesday April 15th .. CANCELLED
Wednesday April 22nd .. CANCELLED
Sunday April 26th .. CANCELLED (NO practice on Saturday April 25th, 2020)
Wednesday April 29th .. CANCELLED

In addition, there will be NO Friday Night Game events held in April..

At this time the intent is still to keep the remainder of the season intact (next scheduled ATA event is Wednesday May 6th) but obviously none of us can predict what affect the spread of the COVID 19 virus may have in store for the future for any of us. Undoubtedly there will be further decisions made by local, State and/or Federal officials that could impact these events. I will continue to keep each and every one of you informed as more is known.

THANK YOU for your understanding and continued support.
