A NOTE FROM THE PRESIDENT

“131st Kansas State Shoot”

What a Year!!

Who would've ever thought in this country "The Good Ole USA" we would face the kind of crisis we have endured this year. Kansas has endured this as well or better than any other state in the union. Our Covid deaths have been relatively low and at this time our vaccination rate is ahead of schedule.

On another note The Kansas Trapshooting Assoc. had an exceptional year again last year, our state shoot was a record, up over 25% ! We are, this year, for the first time, (in 130 years) a "Mega Target Award Winner" Thanks for all the support from you shooters, sometimes things just work out!

This years Kansas State Shoot will be about 95% normal, we will have two shootouts, one sponsored by White Flyer (The Official Target of The ATA) and one sponsored by Winchester (The official Shell of the ATA), The Free Chicken Dinner sponsored by The Taylor Companies, Ice Cream furnished by Kevin Maloan, and as always The Absolute BEST TARGETS you will see this year!

Our Hall Of Fame Banquet will be postponed again this year due to overcrowding in our Hall of Fame building.

Last year the Kansas State Shoot played host to 79 ATA All American Team Shooters, we at the KTA are so proud that these Champions chose Kansas as one of their shoots.

We have the absolute best Team here in Kansas, people work tirelessly to assure that we all have the best possible trapshooting experience. Sandra, David, The Office Gals, Janet and ALL her Wonderful kids, Kevin and the Kitchen girls, our Tournament Director Jim Moody, Clint and our target setters, and of course the group that keeps everything looking, working, dust free, and landscaped outside, The Miller Lite Crew!!

Most of ALL I want to THANK YOU, The Shooters that come and support us every year, without you we would cease to exist.

Thanks Again for ALL your dedication to the sport of Trapshooting and the KTA.....

*Rob Taylor
KTA President*

The first event of the day will start at the time listed. Be on the grounds ahead of the time and watch for your squad. Your squad cannot wait more than three minutes for you to take your place. SAFETY (ATA Rule Sec. 4, 110)

All guns must have the action opened and contain no live or empty shells at any time, except while the shooter is on the firing line. A break-open gun's action may be closed when it is in a gun rack but it shall not contain a live or empty shell. Repeat offender(s) of these Rules will be given a 30 day suspension upon a second violation of these Rules; a third violation of these Rules will result in a 90 day suspension; and further violations will be reviewed by the Executive Committee for further disciplinary action.

Any shooter violating any of these Rules shall be disqualified from competition in accordance with these Rules. Any such violator shall be referred to the Executive Committee for possible further disciplinary action.

A contestant cannot use:

A gun with a chamber larger than 12 gauge. Guns of smaller gauges are permissible in registered and tournament shooting, but no competitive consideration shall be given in recognition of that fact for handicap and classification purposes. For example, chambering 12 gauge and 20 gauge shells in the same gun at the same time is prohibited. Any load with a velocity greater than 1290 FPS (Feet Per Second) with maximum shot charge of 1-1/8 ounces, or 1325 FPS with a maximum shot charge of 1ounce, or 1350 FPS with a maximum shot charge of 7/8 ounces, as measured in any individual shotshell. These velocities are maximum and no individual shotshell shall exceed these limits for the designated shot charge. In addition, no load containing more than 1-1/8 ounces (31.89 grams) or any shot larger than Number 7-1/2 can be used. Shot charges are maximum and no charge may exceed the charge amount by more than 3%. Any shell loaded with black powder.

CHALLENGE AND PROTEST (ATA Sec. 13, F)

Immediately following event #6 we will draw (20) names randomly from entries in events 4-5-and 6. Obviously you must shoot Event 5, The Colton Adams Handicap, to be eligible. The more events you shoot on Wednesday the more chances you have to win.

We will then squad 20 shooters on 4 traps.

Shooters will shoot two shots from each post starting at the 19 yard line and slide back two yards after each post.

This means ALL shooters will start on the 19 and end on the 27. In the case of a tie all shootoffs will be from the 27.
