2021 MA STATE SHOOT HONOREE BOB SCOTT

Bob Scott is usually found surrounded by family and friends, a busy guy juggling family, his contracting business of 36 years and shooting, always with a phone stuck to his head. He can be spotted in the ATA website when you print your average card, probably telling someone how much fun the Grand American is. If you know Bob, his family is especially important to him, often visiting at many of the shoots. His 4 daughters have been involved, helping at local shoots and benefits.

Bob started his trap career by shooting at targets off the side of a cruise ship. He won his first trophy there, a bottle of champagne. THAT WAS IT!!! "HE WAS HOOKED". Bob started shooting registered targets in 2005, and currently has 52,200 Singles, 41,000 Handicap, and 44,100 Doubles registered targets

Shooting accomplishments of note are MA State Handicap Runner-Up 2014 and 2020, Handicap Champion 2016 and the High Handicap average for 2011. He was Runner up at the Southern Grand in a Handicap event with a score of 98/100. Bob is always willing to go compete at the local shoots, as well as the state and national events. For many years Bob had the top target attainment for a Massachusetts resident, and has been named to the state team numerous times.

Bob is the Trap chairman at Woburn Sportsmen's Association. He has brought registered league shooting to WSA and the Club has ranked 5th in the country for league targets thrown since. He spearheaded a lead reclamation program at WSA, yielding Gipson Ricketts, LLC the highest amount of lead reclaimed in a single day. He was also able to bring the country's leading trap shooter, Harlan Campbell, to WSA for clinics to help shooters improve their game.

Bob, with the support of others, was instrumental in starting the "Take Aim at Cancer" benefit shoot. This shoot quickly became a favorite for many shooters. It grew so big; it was moved to Minuteman Sportsman's Club to handle the number of competitors. To date, this shoot has raised over \$240,000 for breast cancer research, and it continues to grow today with the help of Vista Outdoors.

Bob has been VP of the MATA for 5 years and in this time; he has positively influenced the sport. He pushed for the addition of a 4th day at the MA State Shoot, increasing the targets 1,100 - making it the largest state shoot in the Northeast! Also, constantly working to improve the shooter experience, he changed the MATA trophies, and took the "Bull by the Horns" to raise funding for an all Pat Trap presentation.

One of the things that Bob is most noted for is his ability to make the game fun for as many shooters as possible. He hosts the *RA Soiree's* and can be found at the campsites or trap line making people welcome and having fun. Bob has acquired a large shooting family that he shares his love of the sport, a squad mate who is always there, with integrity and a smile.

Bob is a true Ambassador of Trap, striving for what is right, and making the sport fun for all.

Congratulations on being the 2021 MA State Shoot Honoree!

Mission Statement

The mission of the Massachusetts Trapshooting Hall of Fame is to honor and reward those persons who have contributed to the sport of trapshooting for 15 consecutive or cumulative years by a record of outstanding shooting accomplishments, a history of service to the MATA as an officer or Committee member, a history of contributions to the sport that might include introduction of new shooters to trapshooting and the MATA with an emphasis on sportsmanship or a combination of any of the above.

The committee will consist of seven members who will meet 2 - 5 times a year to review the submitted records of the nominees. Voting will be by telephonic or paper ballot and a simple majority will be required for induction. The nominee's names and the committees' voting results will remain undisclosed until the Hall of Fame Committee Chairperson notifies the nominator and nominee. One member will be responsible for minutes, which will be archived.

- The candidate must have been an active member of the ATA and MATA. He or she must have been an outstanding participant in either the shooting venue or service to the MATA as an officer or Committee member, a history of contributions to the sport that might include the introduction of new shooters to trapshooting and the MATA, or a combination of any of the above for a period of no less than 15 cumulative years. The individual must also have demonstrated true sportsmanship during that period.
- For shooting accomplishments, a concise written shooting record must be submitted; this can be obtained from the ATA if unavailable through local research (there is a nominal fee to acquire a written shooters history report from the ATA). The nominator may call or send email to the ATA office for this information.
- For service accomplishments there must be a written statement that shows either dedicated service as an officer or Committee Member in the MATA or contributor to the sport of trapshooting for a period of no less than 15 consecutive years. It should contain information about the types of service, dates, and contributions to the sport and/or how the individual enhanced the sport.

- Any nominee may have a combination of any of the above and needs to have written documentation of all categories that apply.
- All nomination requests must be clearly written and may be submitted to any committee member. The nominator must provide the Hall of Fame Committee with the individuals name; address and ATA number along with the nominators contact phone number or email address.
- The committee will meet to discuss and vote on the nomination. A majority vote of acceptance will be required and the committee chair will notify the nominator and nominee in writing of the Hall of Fame Committees decision.

For questions or nominations please contact Chairperson Evelyn Kazen at Cat8tales@aol.com
