WELCOME SHOOTERS

The Southwestern Shotgunners Trap Club is pleased to be hosting our 2022 Southwestern Zone Shoot. We had a great time hosting this event in the past and look forward to doing it again this year. We expect high scores and perfect weather.

The Club will open Thursday at 1:00 pm on July 14th for registration and practice. Our first event will kick off on July 15th at 9:00 am.

The Silver City area has so many fun things to do for the whole family. We are located in the Southwestern part of New Mexico, we set high in the mountains just south of the Beautiful Gila Wilderness. This time of year will offer you nice warm days with cool nights.

We would appreciate if you would **Presquad** for this shoot. This year there is no cost for you to presquad @ **Presquad.com**. If you need help with this please feel free to give us a call and we will do this for you.

There are two great New Mexico Club's hosting the Southwestern Zone this year. We appreciate you considering to spend this summer weekend with us!

On behalf of our Club Officers and Club Members.....

Welcome to 2022 Southwestern Zone Shoot. We wish you all
good luck.

GENERAL INFORMATION

White Flyer orange dome targets will be thrown on 3 trap fields with wired voice releases.

The Club will be open Thursday from 1:00 pm to 5:00 pm for registration and practice.

We will be accepting cash or check for your registration.

Practice will be between 1:00 pm on Thursday and 8:00 am Friday through Sunday. Practice rounds are \$8.00 for 25 targets. Registered shooting begins at 9:00 am.

ATA daily fees of \$3.00, NMTSA fees of \$4.00, and ATA Zone fees of \$2.00 will be charged daily on your first event.

Lunch will be available Friday through Sunday.

Limited factory ammunition will be available for sale at the Club. Use of reloads conforming to ATA rules is permitted. Empty shells on the ground become the property of the Club.

Currently, we have dry RV spots only. Please call if you would like a reservation. No cost to dry camp/park at the Trap Range property. Please call for availability. You can reach us at 575-538-1016.

Trap setting will be done before each event by designated Club officials, per ATA rule Section XIII, E. Should a trap be throwing targets that, although not necessarily illegal, appreciably vary from trap to trap, any shooter may request that the trap be reset, per ATA rule Section IV, G.7. The final decision as to whether or not a trap is to be reset will be made only by shoot management.

Friday's Class Doubles and Singles will carry over into the respective Championship events on Saturday and Sunday. Friday's Preliminary Handicap shoot offs will be at the conclusion of Friday's events. If you do not respond to a shoot-off within 15 minutes of the first call, you forfeit the shoot-off.

Only one trophy shall be awarded to any one person in any separate event. Only Southwestern Zone residents are eligible for Southwestern Zone trophies and added money.

Zone winners and ties in the Class Singles and Doubles on Friday will not advance. Earned yardage will be determined by the number of entries at the Club where the score was broke, not the entire Zone. Yardage will be changed automatically; however, it is the shooter's responsibility to get his/her card punched for earned yardage.

There is \$3,000 ATA added money that will be paid to each zone trophy winner. \$50.00 will be mailed to each winner after the shoot. Non-Zone residents are eligible for club options and Zone Lewis in the Handicap Championship.

Reverse run sub-event scores will be used to break ties, if still tied then coin flip or card cutting will be used to break ties.

Shoot management reserves the right to change, modify or alter the program at any time, and reject, refund or disqualify any contestant who interferes with the conduct or sportsmanship of the shoot. The management has used reasonable care in the preparation of this program; however, not all issues can be addressed. ATA rules will govern the operation of this shoot. Shoot times and activities not subject to the rules of the Southwest Zone are subject to change without notice.

The SWSG, Inc. will not be liable for any damages to persons or property, or losses of any kind by any participant or spectator. All persons entering this tournament do so at their own risk and assume all liabilities for any damages or losses caused or suffered by them.

Squadding will be done by computer. There will be **NO** penalty yardage or classes for this tournament. A shooter shall be allowed to enter any event and play all of the options or purses at any time prior to the last squad clearing the first sub-event of that event.

Juniors and Sub-Juniors will receive reduced targets prices. Option payed will not change your reduced target fee.

CLASSIFICATION AND HANDICAPPING

Classification will be in accordance with the ATA rulebook using six classes for singles and doubles. There will be no penalty yardage or classes for this tournament. However, the Club has the option to change the class of any shooter at any time during the shoot.
