DTA Presidents Message

Fellow trap shooters,

I would like to welcome everyone to the 120th annual Delaware State Trapshooting Championship. The Delaware Trapshooting Association (DTA) board has worked very hard to make this a great shoot and hope everyone enjoys themselves and shoots well.

There are very few events that encompass 120 years of history and among these even fewer that are put on exclusively by volunteers. In order to keep this amazing tradition alive, we need volunteers. The Board of Directors has open positions and we encourage any Delaware resident to get involved. All contributions, large or small, are welcome and this shoot wouldn't be possible without the efforts of many. As well, we all need to encourage young people and those that haven't yet shot trap to experience trapshooting. We also need to encourage those that have shot trap in the past to retake the line.

Everyone at DTA would like to thank the New Jersey Trapshooting Association and Pine Belt Sportsman's Club for their support in hosting the 2023 Delaware State Shoot. The management and staff at Pine Belt have always been great to work with and we greatly appreciate the hospitality.

I would also like to recognize and thank everyone at Wilmington Trapshooting Assn. Visit www.wiltrapshoot.org for info about events they host throughout the year.

As it has been for several years, the New Jersey State Shoot will take place at Pine Belt the week following the DE State Shoot. This makes for a great opportunity for shooters to get eight days of championship shooting over ten days at one venue, as All American points are awarded at both shoots.

The 2023 DE state shoot will have nine events starting on Friday and finishing on Monday. DTA is having a \$1000 shootout on Monday and an ATA Hall of Fame 50/50 again this year.

I wish everyone a great 2023 target year! As always, safety is a priority, so keep it safe, keep it open! The DTA board of directors thank you for your support and look forward to seeing you at the 120th DE State Shoot!

Fritz Carlsten
