

GENERAL INFORMATION

The management reserves the right to refuse any entry, to change or cancel all or part of the program or adjust the traps at any time, as circumstances require.

The 16-yard and handicap events will be shot using the traditional 5-target per post procedure unless attendance requires this to be changed.

In case of error, it shall be the duty of the contestant in whose score the mistake has occurred to have the error corrected before he or she has fired the first shot at the next position. Otherwise, the score will stand as shown.

Shooters are also reminded to check their scores on the scoreboard. Management will not be responsible for any errors after the purses have been figured except to correct the score for ATA records purposes.

Light food service will be available on the grounds from approximately 9:00 a.m. to early afternoon.

There will be no charge to campers for this shoot. The campground will be open on Saturday, 8/24/24.

There will be no electrical or water available

HANDICAP MIDDLE 50 JACKPOT

Entry—\$10.00 (Currently \$1,347.00)

We offer a middle 50 jackpot for the handicap events in all of our shoots this year. To win the jackpot you need a 50-straight in the middle 50. If there are no 50-straight then 25% of the entry that day will go to the high score in the middle 50 of the jackpot entrants that day. The jackpot carries to the next shoot until there is a 50-straight. If a 50-straight has not been shot by the last shoot, the pot carries over to next year. All ties divide.

SPECIAL NOTICES

Ties for added money in all events will be decided by forward long runs until tie is broken. If this method does not determine a winner, then money will be split.

The 16-yard and handicap events will be shot using the traditional 5-target per post procedure unless attendance requires this to be changed.

All sub-junior, junior, and junior gold shooters will be charged \$17.00 per hundred for targets provided no purses or options are played.
