Everyone who has been in the Lincoln trapshooting community for any length of time has heard of Dr. James Green. Referred to simply as "Doc Green" by his fellow shooters, he was a dentist, who shot tens of thousands of registered targets, and was a long time supporter of Lincoln Trap and Skeet Club. In fact, for 15 years LTS hosted the Doc Green Singles Marathon in his honor. Doc's love of the sport was so great that when he experienced a stroke in his later years and was unable to shoot right handed he switched to his left side and kept right on shooting.
