

WELCOME

March 2024

Dear Fellow Shooter,

We are pleased to once again send you the Bradford Gun Club Program of Events booklet. In addition to our registered trap shooting events, this booklet contains information on our Ironman Shoots, 5 Stand, Skeet League, benefit clay shoots, and much more. Please take a moment to review the 2024 booklet complete Shoot Schedule shown on the inside of the front cover.

A special “Thank You” goes out to all of our advertisers and shoot sponsors who generously contribute to the production of this booklet as well as adding prizes to our sponsored shoots.

The Bradford Gun Club is open year round on Wednesdays from 4 to 8 PM and Sundays from 10 AM to 3 PM. On the days that we hold registered trap shoots the sporting clays course will be available.

There will be Special Events conducted on most of the handicap events at our multi-day trap events. Every effort will be made to hold live auctions as long as time permits. There will be no target requirements in 2024.

For shooters who have been to the Bradford Gun Club in the past, we thank you for your patronage and we look forward to seeing you again in 2024. We are anxious to meet and welcome shooters who are new to our Club. Let’s all hope for great weather and great shooting in 2024! Please visit our website at www.bradfordgunclub.com.

Sincerely,

The Board of Directors

GENERAL INFORMATION

SPECIAL CATEGORY DECLARATION. In accordance with ATA rules, all declarations of a special category, that is, Lady, Veteran, Junior must be declared at the time of entry. In accordance with new ATA rules, should a shooter be eligible for a trophy in addition to a category trophy the category trophy will be considered superior. A shooter may win only one trophy per event.

TARGET REQUIREMENTS. Due to the continuing shortage of ammo and the rising costs of participating in shooting events, there will be NO minimum number of targets required at 2024 ATA registered shoots. However, a shooter is still responsible for keeping their average card up to date and accurate. This average card must be presented at the Classification desk and will be used to classify a shooter along with "known ability".

TARGET/SHOOTER SERVICES AND FEES. The price of targets and shooters services will be \$35.00 per 100 for registered targets. Practice trap targets will be \$6.00 for 25 singles or handicap targets, \$5.00 for 10 pair of doubles targets. Tokens for the practice trap must be purchased at the office before proceeding to the practice trap. The daily fees are \$6.00 (\$4.00 for the ATA and \$2.00 for the PSSA).

TELEPHONE. There is a telephone in the office where you can be reached in an emergency. The number is (814) 368-6245. This phone is not for outgoing calls.

WEBSITE. Please visit BGC's website at www.bradfordgunclub.com.

YARDAGE REDUCTIONS. Handicap reductions received by a shooter during the course of the shoot shall be honored. However, the shooter must have his card in his possession and present it for reclassification.

ATA REGISTERED OPEN TRAP SHOOT

JUNE 23, 2024

The sponsors will generously give away 3 flats of shells each to two lucky shooters from Event #2 — the Handicap event. To be eligible to attempt to win the shells the shooters must abide by the following rules:

1. The shooter must have competed in event #2 — Handicap.
2. Upon completion of the event, BGC representatives will randomly and publicly select two numbers from zero to nine. Be sure to check your scores promptly. For purposes of this shoot-off, no scores will be changed after the two numbers are drawn.
3. Shooters with a score ending in the numbers selected will be eligible for the shoot-off. For example: if one of the numbers is a 2, then all scores ending in a 2 will be eligible for the shoot-off (e.g. 92, 82, 72, 62 etc.).
4. All shooters who have signed in to shoot-off will be assigned to shoot-off trap(s) and should have their guns and shells ready.
5. Shoot-off participants will proceed to shoot two shots from each post for a total of ten targets. All targets must be shot from ATA assigned yardages. Shoot-off rounds of ten targets each will continue until the two winners are determined.
6. Decisions by shoot management regarding the above listed rules, or other disputes, shall be final. All decisions will be made in conformity with ATA rules.
