PRESIDENTS MESSAGE

Welcome Shooters and families to the 84th annual WSTA Championships!

First of all, I would like to thank you—the Shooters! Your dedication keeps our sport thriving despite increasing costs and accessibility challenges. Your commitment not only preserves these traditions but passes along the values of discipline, focus, and sportsmanship to the next generation.

Nothing makes me prouder than seeing young shooters standing alongside their parents and grandparents during the national anthem, watching our flag fly. These moments give me tremendous hope for the future of shooting sports and our country!

My sincere thanks to the Walla Walla Gun Club and the WSTA Board of Directors for their efforts in organizing this shoot and ensuring everything runs smoothly.

I also extend my deepest gratitude to our sponsors and advertisers whose generous contributions make this event possible year after year.

It has been an honor and privilege serving as your WSTA President. I look forward to connecting with all of you throughout the championships!

Good luck to every competitor, and remember, “They aren’t hard to hit, they are just easily missed!”

Jim Pelissier, WSTA President

RULES

J. SPECIAL CATEGORIES

All Ladies, Sub-Juniors, Junior, Junior Gold, Veterans, and Senior-Vets must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy. No contestant will be allowed to declare or change a special declaration after firing his/her first shot. The only exception to this rule will be to correct an ATA classification error. The following rules apply to shooters who have declared a special category. At all tournaments where All American points will be awarded in any event, shooters may declare only one (1) category (i.e. Lady I, Lady II, Sub-Junior, Junior, Junior Gold, Sub Veteran, or Senior Veteran) Note: Chair shooters are exempt from this rule.

- 1. A female shooter, who has not reached her 55th birthday, may declare Lady I.**
- 2. A female shooter, who has reached her 55th birthday, may declare Lady II.**
- 3. A shooter who has not reached his/her 15th birthday may declare Sub-Junior.**
- 4. A shooter who is 15 but has not reached his/her 18th birthday may declare as Junior.**
- 5. A shooter who is 18 but has not reached his/her 23rd birthday may declare as Junior Gold.**
- 6. A shooter who is 55 but not reached his/her 65th birthday may declare as a Sub Veteran.**
- 7. A shooter who is 65 but not reached his/her 70th birthday may declare as a Veteran.**
- 8. A shooter who is 70 years of age and older may declare as Senior Veteran.**

This rule does not supercede paragraph 10

9. Age based categories are established on the birthday of the shooter. For purposes of determining age category for HOA and HAA awards the category declared by the participant on the first day he/she shoots shall be used.
10. Shooters who become eligible for new age based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. (For example, a shooter reaching age 70 may elect to continue to shoot as a Veteran for the remainder of the current target year.) However, once a shooter has elected to move to the new category that decision is irrevocable and he/she may not again declare eligibility for the previous category. Junior shooters reaching the age of 18 may continue to declare Junior category for the remainder of the current target year.
