

GENERAL INFORMATION

The management reserves the right to refuse any entry, to change or cancel all or part of the program or adjust the traps at any time, as circumstances require.

The 16 yard and handicap events will be shot using the traditional 5-target per post procedure unless attendance requires this to be changed.

In case of error, it shall be the duty of the contestant in whose score the mistake has occurred to have the error corrected before he or she has fired the first shot at the next position. Otherwise, the score will stand as shown.

Shooters are also reminded to check their scores on the scoreboard. Management will not be responsible for any errors after the purses have been figured except to correct the score for ATA records purposes.

Light food service will be available on the grounds from approximately 9:00 a.m. to early afternoon.

There will be no charge to campers for this shoot. The campground will be open on Friday 10/3/24.

The Montpelier Gun Club grounds are located off the "East Montpelier Road" (Route 2), approx. one-half mile east of the intersection of U.S. Routes 2 and 302. After crossing the second bridge over the Winooski River, take right onto Marvin Road. Take next right onto Goodnow Road and proceed to Club on right.

We offer a middle 50 jackpot for the handicap event in all of our shoots this year. To win the jackpot you need a 50-straight in the middle 50. If there are no 50-straight then 25% of the entry that day will go to the high score in the middle 50 of the jackpot entrants that day. The jackpot carries to the next shoot until there is a 50-straight. If a 50-straight has not been shot by the last shoot of the year, the pot carries over to next year.
