 Event 2 starts at completion of Event 1
 Event 3 starts at completion of Event 2, etc.

SHOOT PROGRAM RULES

These are invitational shoots and the Club Directors reserve the right to reject, refund, or disqualify any contestant who, in their judgment, interferes with the harmony of the shoot or violates ATA or safety rules and regulations. ATA rules govern all events and referees will make decisions in accordance with them. Targets and target settings will comply with ATA rules. A shooter may win only one trophy in each event. See “**Special Categories**” and “**Make-ups & Shoot-offs**” for more information on declaring categories and trophy eligibility.

Classification – Singles and Doubles: Shooters will be classified according to their known ability and must have their current average card and ATA membership card with them to enter. Unless otherwise stated in a specific shoot in this program, the following 4-class system is used: (*MI Zone 6 shoot would have 5 classes*)

Singles (4)

A 95% and over
 B 92% and < 95%
 C 89% and < 92%
 D Under 89%

Doubles (4)

A 90% and over
 B 85% and < 90%
 C 78% and < 85%
 D Under 78%

Handicap will be ATA assigned yardage. Any shooter who shoots in a class or a handicap yardage higher or lower than the assigned class or yardage will be subject to disqualification and are not eligible for trophies or Lewis purse winnings.

Special Categories: Shooters may only declare one special category (example: lady or junior, but not both). For the purposes of trophies, Veteran and Senior Veteran may be combined in the Singles and Handicap events. For Singles the other Special Categories generally are Sub-Junior (under 15 years), Junior (15 – 17 years), and Lady (Lady I and Lady II are combined). Handicap and Doubles may have anywhere between one to four special categories depending on the shoot, or there may be no special categories (*see the specific shoot for details*). These categories must be declared at registration before shooting. Special Categories take precedence in awarding trophies over class or yardage, “if high in their category”. See “**Ties**” on next page for more information on shoot offs.

Minimum Class Assignment: Unless a shooter’s known ability can be established (example: 500 registered targets in the current and previous years combined per ATA, or known practice scores, etc.), they will be assigned a minimum of class B (class C for Ladies and Juniors, class D for Sub-Juniors) for the singles & doubles events. There will be no penalty yardage assigned to the handicap events. Shooters will shoot their assigned ATA handicap yardage (19 through 27 yards).

Make-ups & Shoot-offs: Any shooter missing all or part of a round, should report to Registration for make-up. This must be done before the next event starts and before last event ends for the day. Contestants in shoot-offs will be called over the PA system. Those who fail to show within 10 minutes of second call for a shoot-off, forfeit rights to that trophy. Shoot-offs are conducted after the last event of the day.

Ties: Any shooter who is tied for event Champion, Runner-Up, or Third Place (providing the event has such) *may* shoot off for the Champion, Runner-Up, or Third Place trophy. If a shooter fails in these championship trophy shoot-offs and has declared a special category, the shooter will fall back to the declared category ***if high in their category*** (i.e. cannot "shoot off" for Class or Yardage Group). If shooter loses in their category shoot-off, ***but are the lone score (i.e. only shooter) in their Class or yardage (e.g. only 25-27yd shooter), they may take Class/yard trophy.*** If shooter is NOT high in their category, they may shoot off for Class or yardage.

Fees: (Subject to target price changes. Any changes will be posted at the shoot.)

➤ **Free Pre-squadding will be available for all shoots. Call 269-483-6803 to pre-squad.** Pre-squadding may also be available on the ScoresR website for some shoots. There is no fee for these services, but it's helpful to us for shoot management, staffing, and food planning.

Daily Fees: \$7.00 (ATA \$4.00, MTA \$3.00) paid once per day only

MTA Target Assessment Fee: \$2.00 per 100 targets (shoots held in MI)

Adult (≥ 23 years) Targets & Trophies: \$28.00 each event (per 100 targets)

➤ National Trap Day Shoot Targets and Trophies: \$32 per 100

Youth (≤ 22 years) Targets/Trophies: \$22.00 per event (per 100 targets)

➤ National Trap Day Shoot Targets & Trophies: \$27.00 per 100

ATA Trap Practice rounds \$7 (adult), \$5 (youth ≤ 22 years)

Options: Lewis Class is offered at most of the registered shoots and events. Payout is 2 classes with a 60/40 split of the monies per class, however in the event there are less than 10 entrants, there will be only 1 class. Minimum of 4 entrants is needed to hold the Lewis. Monies will be returned if there are less than 4 entrants in an event. Other options may be offered, see specific shoot information for details (example: Class Purse).
