Welcome to the 2026 New Mexico State Trap Shoot everyone. Our 78th State shoot is hosted by the NRA Whittington Center (NRA WC). NRA WC offers beautiful scenery and a premier facility in northeastern New Mexico.

The NMSTA Board of Directors has worked to provide you the best trap shooting experience possible. Great targets, awesome trophies, good food and special events to remember shooting in the Land of Enchantment.

Congratulations to our All-American Team members, State Team members, High Average winners and Hall of Fame inductee. Our high school shooters are receiving recognition on the national level also. These achievements require incredible time and effort.

Bring your family and shooting friends to join in the fellowship of our New Mexico trapshooting community.

Please, practice good common sense firearm handling.

Thank you to all of the shooters who shoot in New Mexico, the NRA WC staff, the NMSTA Board, event and trophy sponsors for providing this opportunity for us.

Travel safely on your way to and from the NRA WC. Take the memories of this shoot with you. It is an honor to have you here with us as we continue to grow our sport in New Mexico. Thank you for being a part of the 2026 New Mexico State Trap shoot.

Kindest regards,
 David W. Piacino

The Grievance Committee shall be composed of the NMSTA President (or Vice President) and ATA delegate (or alternate). After the facts of the grievance have been presented to the Grievance Committee, the plaintiff shall be notified within 1 hour of when the grievance committee makes a decision on the grievance. If the grievance is upheld, the \$20 fee will be returned to the plaintiff. If the grievance is denied, the fee will be deposited in the NMSTA bank account.

COMMITTEE MEMBERS: Shawn Perkins, David Piacino and Samantha Rainsdon

GENERAL INFORMATION

Daily fees of \$4.00 ATA and \$4.00 NMSTA will be collected once per day per participant.

We will be open Tuesday from 3:00 pm until 5:00 pm for early sign up, and at 7:30 am until 3:00 pm Wednesday through Sunday. **ALL PRE-SQUADDING OF AN EVENT MUST BE CASHIERED PRIOR TO 8:00 AM THE DAY OF THE EVENT OR YOUR PRE-SQUADDING WILL BE DELETED.**

The NMSTA will be accepting cash or check for your registration. A fee of \$50.00 is charged for any returned check.

New Mexico (Resident) Junior and Sub-Junior Shooters will be eligible for reduced price targets (\$38.00 per 100) as long as NO Options are played.

Practice traps will be open at 7:30 am Wednesday through Sunday. Practice rounds will be sold by the NRAWC \$8.00 Per Round.

Factory ammunition will be available for sale at the shotgun range. Shooters will only be sold ammunition in quantities that match the total events registered for in the shoot. Use of reloads conforming to ATA rules is permitted. Empty shells on the ground become the property of the NRA Whittington Center.

Currently, we have 120 RV spots (full hook-up) available. Please contact the NRA Whittington Center for reservations and pricing. Other lodging is also available, for a complete list and availability, please call us at **800-494-4853**. We encourage you to make your reservations as early as possible. RV spots will fill quickly.

Breakfast and lunch will be available from Wednesday through Sunday.

Trap setting will be done before each event by officers of the State Association and/or assigned Club officers, per ATA rule Section XIII, E. Should a trap be throwing targets that, although not necessarily illegal, appreciably vary from trap to trap, any shooter may request that the trap be reset, per ATA rule Section IV, G.7. The final decision as to whether or not a trap is to be reset will be made only by shoot management.

All ties in the preliminary events will be carried over to the next similar event. State Championship ties will be decided as soon as possible after the conclusion of the day's events. If you do not respond to a shoot-off within 5 minutes of the final call, you forfeit all rights. Class winners in events 7 and 8 will be advanced one class for the next like event. Any shooter earning yardage in any handicap event must report to Classification to have their average card punched to the new yardage **prior** to shooting the next handicap event. Any shooter whose class or yardage is changed for any reason shall be considered to be notified when the new class or yardage is posted on the bulletin board.

Trophies and added money will be furnished by and awarded by the NMSTA and/or ATA. Only one trophy or money will be awarded to any person in any one event. Only bona fide New Mexico residents are eligible for state trophies. Proof of residency may be required. Only Non-Resident shooters are eligible for non-resident trophies. Special category shooters must declare when classified. Special category shooters must shoot for the category trophy. If they don't qualify for a category trophy then they may shoot for class or yardage. All purses, options, and special events are non-compulsory. All ties will divide on purse and options

Shooting will be over 8 to 16 program traps pending shooter turnout. Orange Dome White Flyer targets will be thrown on all fields. If your trap breaks down, take your score sheet and continue shooting on the next trap. The remainder of your targets will be shot on the first available trap as the line clears. You will be shooting 50-targets per trap over two-trap banks. In order to get shooters through the daily events in a timely manner, please be at your starting trap on time and after finishing your first 25 targets, return to the line promptly for your next 25 targets.

CLASSIFICATION AND HANDICAPPING

Shooter classification will be based upon ATA printed Rule V; Singles & Doubles Events

Classification will be based on registered targets shot this year, last year, or last 500 whichever is the highest. Known ability may also be considered if that may have a bearing on an individual's ability to break targets.

Any shooter that has registered fewer than 500 targets in 16 yard, handicap or doubles for the current year and two previous years may be assessed penalty yardage and classification. Penalty yardage and classification will be as follows: Men, Sub Veteran, Veteran, Senior Veteran, Junior Gold & Junior – Class B & penalty yardage 23. Lady 1, Lady 2 & Sub-Junior – Class C & penalty yardage 20.

If shooter has registered an excess of 500 targets in 16 yards or doubles, including current and last year, the average of the last 500 targets, current year's average, whichever is highest, will be used. Abnormally low scores will be disregarded.

It is the contestant's responsibility to have his / her average card up to date before approaching the classification table. It is also the contestant's responsibility to show entire registered ATA shooting history for the current year. If average card is not current and up-to-date when presented to the classifier, you will be asked to leave the line and update your card, then get back in line.

As per rule IV; ATA Tournaments

All special category shooters must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. No contestant will be allowed to declare or change a special category declaration after firing his/her first shot. Only one (1) Special Category may be declared. There will be no exceptions to this rule. (*Chair Shooters are exempt from this rule*). It is the shooter's responsibility to see that the classifier enters the correct special category on his / her entry card and also the special category is recorded by the computer upon entry. It is the shooter's responsibility to verify if asked special category status.

Special Categories: Female shooters shall be designated as Lady 1 or Lady 2. A female shooter who has not reached her 55th birthday will be designated as Lady 1. A female shooter who is 55 or over will be designated as Lady 2. Because of age, female shooters may also be designated as a Sub-Junior, Junior, Junior Gold, Sub-Veteran, Veteran or Senior Veteran. Kim Grady

With a career spanning nearly two decades, Kim has established herself in the world of competitive trapshooting. Since joining the circuit in December 2004, Kim has combined consistency with high-volume shooting, reaching many milestones along the way.

Kim's dedication to the sport is best reflected in her target counts. To date, she has surpassed the rare "hundred-year" mark in combined disciplines:

Singles: 0 0 targets with 9 average
 Handicap: 100,000 with a 83.20 average
 Doubles: 3,400 targets with 9 average

2026 NMSTA Hall of Fame Inductee cont...

These figures represent a profound level of endurance and commitment to the ATA standards.

Kim has amassed an impressive collection of titles. Her ability to perform under pressure is most evident in her record at the New Mexico State Championships:

Singles Titles: 4-time Lady I Singles Champion and 4-time Lady II Singles Champion.

HOA & HAA: Multiple-time winner of both High Over All and High All Around titles for the Ladies' category in New Mexico.

Kim earned State Team honors in 2009, 2010, 2012, 2013, 2014, 2015 and 2024.

Over the years competing in trapshooting in New Mexico, Kim has also contributed to the New Mexico State Trap Shooting Association awards and events at the State shoot.

Kim has earned the honor of shooting in the Champion of Champions event at the Grand American in Sparta, Illinois, an incredible eight times.

Recognition of Kim's elite status is reflected in her repeated selections to the All-American Team. Her presence on this roster across three decades highlights her longevity and evolution as an athlete:

All-American Team Honors: 2017, 2021, 2023, 2025 and 2026.

Kim's Legacy

Kim Grady continues to be a formidable competitor and a respected figure in the trapshooting community. Whether breaking targets in the dry heat of New Mexico or competing against the best in the world at the Grand American, her career is a testament to the "grind" of the sport—proving that precision is earned one target at a time.

JASON KRAUSE
2025 GRAND AMERICAN TRAP CHAMPION

IT FEELS LIKE CHEATING BUT IT'S JUST CONSISTENCY.

Championships aren't won with noise. They're won with discipline, preparation, and ammunition that performs exactly as expected — every time the trigger breaks. At the 2025 Grand American, Jason Krause trusted Remington Premier® STS® to win the Singles Championship — and Remington Premier® Nitro 27® when yardage stretched and pressure intensified in Handicap. STS® delivers the consistency and clean-burning performance competitors demand round after round. Nitro 27® carries the authority and pattern integrity required when distance leaves no margin for error. Built for the line. Built to win.

Meet Mike and Kim Grady—a power couple who live life at full throttle, whether they're in the air, on the green, or at the range.

Mike owns and operates J & M Baling Inc., an agricultural service and trucking company based in Farmington, New Mexico. Since starting the business in 1984, Mike has served as a contracted hay harvester on the Navajo Reservation, working closely with Navajo Agricultural Products Industry (NAPI).

Mike is a true modern polymath: a sharp-eyed business owner and hay harvester who is just as comfortable navigating the clouds as a **pilot** as he is hitting the apex as a racecar driver. When he's not chasing speed, you'll find him perfecting his swing as a **golfer** or crushing clays as an elite trap shooter.

By his side is Kim, the heart of their many adventures. A dedicated wife and side kick traveler, Kim shares Mike's competitive spirit at the firing line as a fellow trap shooter. Completing their high-flying crew is Macho, their charismatic cockatoo who ensures there's never a dull moment in the household. Together, they turn every day into a spectacular journey.
