WELCOME

March 2026

Dear Fellow Shooter,

We are pleased to once again send you the Bradford Gun Club Program of Events booklet. In addition to our registered trap shooting events, this booklet contains information on our Ironman Shoots, 5 Stand, Skeet League, benefit clays shoots, and much more. Please take a moment to review the 2026 booklet complete Shoot Schedule shown on the inside of the front cover.

A special “Thank You” goes out to all of our advertisers and shoot sponsors who generously contribute to the production of this booklet as well as adding prizes and money to our sponsored shoots.

The Bradford Gun Club is open year round on Wednesdays from 4 to 8 PM and Sundays from 10 AM to 3 PM. On the days that we hold registered trap shoots the sporting clays course will be available.

There will be Special Events conducted on most of the handicap events at our multi-day trap events. Every effort will be made to hold live auctions as long as time permits. There will be no target requirements in 2026.

For shooters who have been to the Bradford Gun Club in the past, we thank you for your patronage and we look forward to seeing you again in 2026. We are anxious to meet and welcome shooters who are new to our Club. Let's all hope for great weather and great shooting in 2026! Please visit our website at www.bradfordgunclub.com. Information on and results of ATA shoots can be found on www.scoresR.com.

Sincerely,

The Board of Directors

AVERAGES. Make sure that the ATA card presented for classification is correct and contains all data with your 16 yard and doubles averages computed correctly.

BANK SYSTEM. A modified two trap bank system will be used for singles and handicap events. The traps will be marked 1A, 1B, etc. or 2A, 2B etc. The shooter will fire at 25 targets. Twice at each trap. In the doubles event targets will also be shot across two traps, 25 pair to a trap. The shooter's starting trap will be indicated on the entry ticket.

In the 16 Yard and Doubles events there will be 50 Options on the first and last 50 targets. On the Handicap events there will be 50 Options on the first, middle and last 50 targets. There will be no split entries on the 50 Options.

In accordance with ATA rules, should a shooter be eligible for a trophy in addition to a category trophy the category trophy will be considered superior. A shooter may win only one trophy per event.

TARGET REQUIREMENTS. Due to the continuing high price of ammo and the rising costs of participating in shooting events, there will be NO minimum number of targets required at 2026 ATA registered shoots. However, a shooter is still responsible for keeping their average card up to date and accurate. This average card must be presented at the Classification desk and will be used to classify a shooter along with "known ability".

Practice trap targets will be \$8.00 for 25 singles or handicap targets, \$6.00 for 10 pair of doubles targets. JUNE 28, 2026

The sponsors will generously give away 3 flats of shells each to two lucky shooters from Event #2 — the Handicap event. To be eligible to attempt to win the shells the shooters must abide by the following rules:

1. The shooter must have competed in event #2 — Handicap.
2. Upon completion of the event, BGC representatives will randomly and publicly select two numbers from zero to nine. Be sure to check your scores promptly. For purposes of this shoot-off, no scores will be changed after the two numbers are drawn.
3. Shooters with a score ending in the numbers selected will be eligible for the shoot-off. For example: if one of the numbers is a 2, then all scores ending in a 2 will be eligible for the shoot-off (e.g. 92, 82, 72, 62 etc.).
4. All shooters who have signed in to shoot-off will be assigned to shoot-off trap(s) and should have their guns and shells ready.
5. Shoot-off participants will proceed to shoot two shots from each post for a total of ten targets. All targets must be shot from ATA assigned yardages. Shoot-off rounds of ten targets each will continue until the two winners are determined.
6. Decisions by shoot management regarding the above listed rules, or other disputes, shall be final. All decisions will be made in conformity with ATA rules.
