WELCOME TO
WALLA WALLA GUN CLUB

When we looked around for a theme for our new April shoot, it was clear that as shooters we needed to look at ourselves and profoundly thank those among us —still shooting— who have contributed a large portion of their lives to our sport.

Larry Bunch and Holly Ledgerwood fit the bill nicely.

Besides shooting thousands of targets over the years, in their own way each has contributed much to trap shooting in our area. Both have served as officers in Pomeroy Gun Club. Additionally, Larry has been on the board and highly involved in the Washington State Trapshooting Association, and Holly has most recently been the major player in keeping alive the always fun Hi-Yu Indians organization and trap shoot.

We hope you will join all your friends in celebrating and thanking these two fine people.

Come to Walla Walla Gun Club and join the festivities. We have ample RV parking spaces with water and electric hookup. Contact Bob Bloch for reservations 541-969-7913.

We are located just off Highway 12 at 1212 Middle Waitsburg Road, an easy exit from the freeway.

Let me know if we can help in any way.
