All Shooters are invited to the 20<sup>th</sup> Bair Hatcher dinner at the clubhouse at the conclusion of shooting. We will be starting any handicap shoot offs at the start of the dinner. Estimated time of dinner is 6-6:30PM.

Dinner and nonalcoholic beverages will be provided free of charge thanks to generous donations of FWTS club members.

This dinner does not cover enough of the thanks FWTS can give you for shooting with us at this event for now 20 years and the 75 plus years we have been in existence at this location at 1064 FM 2871, Fort Worth, TX 76126

We look forward to the next 75 plus years at our new location. The 2025-2026 FWTS BOD saw the opportunity to further clay target shooting in the Fort Worth area and worked flawlessly together to sell the current ground and obtain a new location that not only offers American Skeet and American Trap but increasing our footprint on the international side of skeet and trap. While combining with Defender Clay Sports Ranch, the state leader in sporting clays to offer 2 five stand courses, 2 helice fields and 4 to 5 championship level sporting clay courses. At program printing time, the location has not been announced, but by the time this shoot rolls around everybody will know the new location.

On behalf of the FWTS BOD Thank you!  
Steve Bradbury FWTS BOD President and Trap chair

**This shoot will return to October at our new location in 2027 for the 21<sup>st</sup> anniversary. This year is a one off and the decision to move it to August was made by the FWTS BOD as this is our signature shoot and it is the 20<sup>th</sup> anniversary. It just makes sense to have this special shoot at this location one more time to honor the life of Bair Hatcher. We know the target year is ending soon, the new target year is approaching, and it is hot. We promise to throw an excellent shoot, with excellent targets and as we return to 6 program traps and a practice field at our new location, we look to ideally meeting the requirement for All-American points like we reached in 2024. Also, should more land become available, the FWTS BOD is interested in expanding the line to add 2-4 more program traps to grow this shoot, zone shoots, SW zone, and youth events while furthering the sport of registered trap shooting.**
