# OKOBOJI INDIAN PRAYER

O' Great Spirit, the Architect of the Universe whose voice we hear in the winds, and whose breath gives life to the entire world.

On the 128th year of the Okoboji Indians, we ask that you hear us.

We are small and weak.

We ask for strength, not to be greater than our brother, but to fight our greatest enemy - ourselves.

We need your strength and wisdom to enable us to continue this great organization.

O' Great Spirit let us learn without equivocation or mental reservation the lessons you have hidden in every leaf and rock.

Make us wise that we may understand the things you have taught our people throughout the centuries.

Make our hands respect the things you have made.  
Make our ears sharp to hear your voice.

Let us walk in beauty, and make our eyes  
ever behold the red and purple sunset.

So when life passes as the setting sun,  
our spirit may come to you under the great canopy  
of heaven. With clean hands, clear eyes and without  
shame.

O' Great Spirit bless your tribe of followers on our  
journey of competition and fellowship.  
And look upon those not present with favor and  
blessing.

ALAN LOVELESS

## CHIEF SHUTTERBUG

It is time to signal all Okoboji Chiefs, Ladies, and Palefaces to gather for our 128th PowWow!

We will meet where it all began...near the banks of the Mighty Mississippi River outside of Memphis, Tennessee.

A great gun club, The Memphis Sport Shooting Association will provide quality targets for our Okoboji competition and a nice place for some of our gatherings and ceremonies.

The highlight of the ladies activities will be a visit and tour of Elvis Presley's home, Graceland.

Let us all gather and enjoy the company of old friends and make many new ones. We will feast on famous Memphis barbeque and listen to the popular rhythm and blues music.

Betty and I look forward to seeing you all and renewing our Okoboji Spirit at the birth place of our great tribe!

Travel Safely,

ALAN AND BETTY LOVELESS

## CHIEF TEEPEE DESIGNER

We are looking forward to gathering with High Chief Alan Loveless and his wife Betty in beautiful Memphis Tennessee for the 128th POW WOW.

The smoke signals are puffing quicker, and the drumbeats are getting louder as the appointed gathering time draws nearer. I am filled with anticipation of shooting, drinking, eating and being with all my fellow Indians!

All Indians who share my excitement for this great POW WOW please honor others by inviting them as guests. Let us all feast until our bellies burst and the smiles on our faces become permanent. Let us act as if we are all "young braves" again with no worries or inhibitions! Let us live like there is no tomorrow!

May the Great Spirit protect and guide us all

See you there.
