Singles Event Commentary:

Yes, it was raining when you woke up, up until 11 am. The shooters that did show up just waited for the rain to quit, and it did. What are the odds of having 5 shooters in the Singles, and have one of them run them straight. Henry Bahr did just that. That earned him \$100 which is Mike Anderson Bounty.

Handicap Event Commentary:

Once again Jean Aubin was high, earning 1/2 yard. Last month he shot a 95 for a 1/2 yard. Six shooters and one of them gets a punch? That doesn't happen very often. Henry Bahr took the middle 50 with a 49. He shot a 95 at 21.5 yard line.

Doubles Event Commentary:

There were 5 shooters, and Tim Richards was high in A class with a 92. But he was the only one in A class, so only a mention.

Many thanks to those that showed up. Several times I asked if we should cancel, but they came to shoot. So we just waited. Around 11 am it cleared up, and stayed that way for the rest of the day.

We threw 1,600 targets, paid out \$162 in options, Bounty & added money. Next 100 target program will be on Sept. 20th.

Reminder: If you are not a regular shooter at Glen Park, we would appreciate it if you could check with the cashier to see if you have payouts BEFORE you leave. If you collect on day of the shoot, it would save us the time & cost to mail out checks.
