**Singles Event Commentary:**

Henry rose to the occasion with his 99. He was followed by three 98s, two 97s, two 96s, two 95s, & on down. Our resident Peanut, a sub jr., held it together and broke a 85.

**Handicap Event Commentary:**

I thought for sure Doug Combs would collect the Mike Anderson \$500 Bounty, but no dice. Still, a 97 is not a shabby score, and earned him a yard. Half of the scores were 90 or better. I think the high humidity did some of our shooters in. Debbie shot one of her better handicap scores with that 94.

**Doubles Event Commentary:**

The doubles started with a sprinkle, ended with a downpour. Kudos to those on squads 3 & 4 who did finish the event. And their scorers stuck with them, getting drenched to the bone.

We threw 6,700 targets and paid \$470 in options. The Middle 50 paid \$80, with a 49 by Ray Kunis taking all.

Reminder: If you are not a regular shooter at Glen Park, we would appreciate it if you could check with the cashier to see if you have payouts BEFORE you leave. No checks had to be mailed this shoot.- Thanks.

Our next shoot will be November 7th. Just a reminder that Daylight Savings Time ends this Sunday. This will be our last ATA shoot for calendar year 2021. We will pick up again in April 2022. We will host Big 50s on the 1st Sundays of December through March.
