Singles Event Commentary:

Despite the cool November weather, we had a good turnout & good scores: a 98, then Lester's 97 & a 96 by Curtis Held. Newcomer Nick is someone to watch with his 94. The SV & VT guys showed they still have it. Another interesting note is that Nathaniel Schocke aced out his dad, Daniel Schocke, 90 to 86.

Handicap Event Commentary:

Lester Jr topped the field, earning 1/2 yard, now on the 22. It was looking promising for the rest, but then the wind kicked up and the sun came out, brutal, causing scores to drop. However, Matt Erion topped a field of 19 entries in the Middle 50 breaking a 48 and collecting \$95. His scores were 18-23-25-20, very interesting. Closest shooter was Lester with a 45..

Doubles Event Commentary:

We had a computer glitch on the scores of squad 4, which were incorrectly posted. We had to confirm all scores from the scoresheets to the computer printout before publishing & sending to the ATA. The scores were posted to the program correctly, but what was posted on the board was different. Still haven't figured out why. But, newcomer Nick topped the field with his 89. The wind & sun made sure the scores for everyone else were something less.

We threw 7,400 targets, and paid out \$604 in options & added money. Our next regular 100 target program will be in 2020, on April 5th. We will be open on the 1st Sundays for Big 50 & practice: December 1st, January 5th, Feb. 2nd, & March 1st.
