We have been fortunate with good weather for our ATA shoots. This shoot was one of those

Lots of surprises in the 16s. Yes, a D class shooter did break a 99. Sometimes that happens. Even with this good weather, there were no 100 straights. And to those shooters that were wishing they were in a higher class, if you think you are better than what your average says, just say so and it will be done. Nice that the Bentleys could both shoot a 95. Honorable mention to Nick who shot a 97, in D class.

A dark horse, Doug Darby, managed a 96 in short yardage. He did take a 1 yard reduction recently, and now working his way back. He was followed by Jean Aubin, another short yardage shooter, with a 94.

Amazing that there was a 93 in Doubles as the wind caused major havoc. Next came Tim Richards, 91.

Total payouts amounted to \$587.50. We threw 7,000 targets.

Our next shoot will be July 1st.
