

BUCCANEER TRAP SHOOT SUMMARY

June 15, 2019

We had good weather and a good turnout for our monthly trap shoot. The wind could not make up its mind which direction to blow so some targets were high and some were low but we shot at all of them. There were 25 shooters this month and we threw roughly 1,600 targets.

Singles had 24 shooters. The top shooter in singles was David Barron with a perfect score of 50 out of 50. Nice shooting David. Second place was a 49 shot by Nathan Snyder. Glen Alford finished third with a 46 and three 43's shot by Wayne Averill, Mike Anselmo and Hiram Tucker tied for fourth in singles.

We had 14 shooters compete in handicap. Tim Parvis shot the high score in handicap knocking down 47 from the 20 yard line. Scott McGrady was 2nd with a 44 followed by Bill Mortensen who broke 42. Wayne Averill, Jerry Kinlaw and Terry Lewis all shot 41 to tie for fourth place in handicap.

Our doubles event fielded 11 shooters. David Barron and Nathan Snyder tied for top score in doubles with a pair of 44's. Tim Parvis was one bird back for second with a 43. Jason Harris took third with a 40 and fourth place went to Scott McGrady with a 38.

Eight people shot all three events to compete for high over all. The HOA prize goes to David Barron who broke 134 of 150 for an 89.33% HOA average. Honorable mention goes to Nathan Snyder who broke 132 of 150 for 88.0%. Tim Parvis was third with 87.33%.

This month we used the Lewis Class system to determine who won prize money. Shooters were divided into 4 groups/classes and the top two shooters in each group win. Ties split the money. Top score in each group receives 60% of the money for that group and second gets 40%. We had 15 winners this month.
