Commentary:

Once again we were blessed with great weather, although it did get a little windy for the Doubles.

Singles:

Of the 33 shooters, 26 broke a 90 or better. Bernie Matthews dropped his 3rd target but hung in there for a 99. Tom Antczak dropped his 57th target for his 99. There were four 98s, a 97, two 96s, three 95s, three 94s, three 93s, a 92, three 91s, & four 90s. Bottom line, lots of good scores.

Handicap:

A number of shooters broke out of the pack for some very good scores. John Wood topped them all, with a 98 getting a yard punch. William Pearson was right behind him with a 97 for his yard punch. Several shooters did their personal bests.

Doubles:

Although the targets looked good, something was in the wind because the scores were kept down.

Bernie Matthews took HOA with his 273, followed by 271s by Bill Mager and Wayne Meyers.

We paid out \$550.50 in options and added money, and threw 7,100 targets. Of the 34 shooters, 10 were from Illinois and the rest from Indiana.

This shoot showed the true nature of our shooters. We were short handed for scorers & loaders. Numerous shooters stepped forward to help, including Bill M, Larry L, John H. Scott N, Lester B, and Bruce C. As some of our shooters know, I get nervous when the possibility of something going wrong is more likely than not. It was a thing of beauty to watch this shoot run flawlessly.

Our next shoot will be August 4th.
