Singles Event Commentary:

George Krach showed us that age is just a number, cleaning everyone's clock. He was followed by 2 98s, 3 97s, 2 96s & 5 95s. Interesting that 12 shooters were senior vets. Winners in B, C & D are shooting over their abilities, and hopefully will be in a higher class next shoot. There were 7 vets, and the vet winner continues to move on up.

Handicap Event Commentary:

Justin rose to the top and got a 1/2 yard for his efforts. The senior vets duked it out, Tom over Wayne by Long Run. Then Wayne falls back to middle yardage where once again he loses by Long Run, to Bernie. Strange to lose twice in one event, can't recall that happening before. What's even stranger is that Wayne dropped his 1st target, then ran the next 15 targets. Had he broke his 1st target, he would be a winner. Bernie was having a good day, collecting \$75 in the Middle 50 with a 47. I think I saw him in the parking lot celebrating.

Doubles Event Commentary:

Once again Justin makes his presence known. I think he will be someone to watch. This is the 2nd ATA shoot where we had 20 doubles shooters. We do have a large Doubles following at the club.

Tom Antczak claimed HOA with a 279, but Justin Rentner was on his heels with a 278. We always say this game is won by a target or two, perfect example. Next in line with 275s were Tim Richards, Doug Darby & Bernie Matthews.

We threw 8,500 targets, and paid out \$663.50 in options. Our next & final shot of this year will be November 3rd.
