#### Singles Event Commentary:

It was a terrific fall day. Low to mid 70s, and sunny. The sun is not kind to us this time of the year, as we shoot to the south. But of the 26 shooters, 19 broke a 90 or better. They always say you're doing good if your score starts with a 9. No one claimed the \$100 Bounty, but it was competitive.

#### Handicap Event Commentary:

Of the 21 shooters, 8 broke a 90 or better. Again, the sun did do a number, on some shooters. But it didn't bother Lester Busch Jr who broke a 97 for an automatic 1 yard punch.

#### Doubles Event Commentary:

There were only 3 shooters who broke a 90 or better, Harvey had Tim Richards on his tail with a 95, great scores.

Thanks to shooters who pitched in to load targets, as we were short handed. No one noticed the scrambling to keep the squad moving. Thanks to Diana Powell. She came to shoot, but couldn't resist entering shooters in the computer. Unfortunately she couldn't shoot due to a gun malfunction right off the bat in the Singles..

We threw 6,400 targets, paid out \$1,190 in options & added money. Next Sunday ATA will be Oct. 4th Nat'l Trapshooting Day.

**Reminder:** If you are not a regular shooter at Glen Park, we would appreciate it if you could check with the cashier to see if you have payouts BEFORE you leave. If you collect on day of the shoot, it would save us the time & cost to mail out checks.
