The extreme heat made for difficult shooting. The club extended the down time between events so shooters could hydrate & recharge their batteries. We did have 2 shooters who dropped out of the last two events due to the heat.

Event 1 - Singles:

Regardless of the heat, 20 of the 24 shooters broke a 90 or better, including 4-98s, 3-97s, 3-96s. Of the 24 shooters, there were 28 scores of 2

Event 2 - Handicap:

The heat continued to be an issue. But two shooters persevered to shoot 96s to earn a 1/2 yard punch each:

Peter Brissette from 20.5 yds to 21.0 yds

Jim Robinson from 20.0 yds to 20.5 yds

Jeff Tarka broke a 94, including a 47 in the Middle 50, earning him a payout of \$55.

Event 3 - Doubles:

The heat intensified by the time Doubles was to be shot. Several shooters did drop out. Some contemplated not shooting, including Richards. But just before his squad took the line, he decided to go for it. Although it was still hot, including the barrels, Time shot a matching his high doubles score.

We threw 5,900 targets throughout the heat, paying out \$513.25 in Options & Added Money.
