

Middletown Sportsmen's Club is seeking a new club manager

Founded in 1947 in Middletown, Ohio, Middletown Sportsmen's Club has 16 competition traps, 2 skeet fields, a sporting clay course, 5-stand, rifle and pistol range, campground, and fully stocked fishing lake.

Clay target sports are open to the public while the rifle and pistol range and fishing lake are reserved for club members only.

Middletown Sportsmen's Club hosts 2 ATA sanctioned trapshooting invitational tournaments yearly. The first in April and the second in September. The club also hosts one of Ohio's OSTA Zone Shoots in May, and recently became a host site for the ATA's Central Zone Shoot in July. In addition to our registered tournaments and dates, Middletown has always been known for our enthusiastic Calcutta shooters. Hosting Calcutta events from October to April on Saturdays, and several other very popular Calcutta events throughout the year. Additionally Middletown hosts a fall league yearly and has introduced a spring league for 2023.

The manager works closely with small staff on day to day operations and any weekly events. The manager oversees the operations and maintenance of the facility and buildings. The manager will work closely with the Board of Directors on the business operations of the club.

An ideal candidate would possess strong people and communication skills, some experience with shooting sports or prior gun club experience, mechanical skills and willingness to expand those as related to the facility's needs, and some experience with business operations.

The Board of Directors is accepting resumes by email at applymsc@yahoo.com
