Welcome Shooters,

On behalf of Billy Cook and the Executive Committee, I’d like to invite everyone to the 4th Annual Dixie Satellite Grand, hosted at the North Carolina Home Grounds in Bostic, NC. This is possibly the best time of year to visit North Carolina, and you get to shoot some targets.

The Dixie has grown each year since moving to Bostic. The targets are great, and the North Carolina hospitality cannot be beat. A great way to begin your 2021 target year before the long winter sets in.

Bring a friend and join Billy in Bostic for what is sure to be another record setting shoot.

I wish you safe travels to and from home. Don’t forget to bring a friend!

1. Take your average card to the classification desk. Do not attempt to make your program entries before doing so.

2. BE SURE YOUR AVERAGE CARD IS UP TO DATE. Be sure your classification and handicap yardage are marked plainly by a member of the handicap committee before you leave the table. It is your responsibility to know the rules. You are subject to penalties for shooting in the wrong classification or at the wrong yardage even if your card is so marked.

3. It is the RESPONSIBILITY of category shooters to see that they are so marked at the time they are classified/handicapped. If your special category does not appear on the bulletin sheet, report the omission at the cashier's office before entering competition.

4. The use of paper entry cards has been eliminated. Please be sure to have your ATA plastic card when you are at the entry windows. You will not be able to enter any events without your plastic card.

5. If you draw squad positions that will not be used for an event, please see squadding personnel or the cashier to release your position. Releasing your position allows us to fill holes in open squads, making this tournament more enjoyable for all shooters. A shooter may not draw more than one (1) position per event.

6. You will input your entries, including options, at the cashier windows. Upon paying your entry fees, you will be supplied with a receipt showing your squad, and position along with your class/yardage, options and applicable categories for each event entered. Once you leave the cashier window, your entry cannot be changed for options or squadding.

7. The cashier will accept no counter checks or secondary party checks and the only type of cash or check accepted will be U.S. funds. Checks will be accepted for the amount of shooting fees only - No Exceptions.

8. All entries are final. No additions or withdrawals permitted on purses and options. Classification and Squadding/Cashiering will open Monday, September 28th, 1:30 PM to 5:00 PM. Open Tuesday through Saturday, 7:30 AM to 4:00 PM and Sunday, 7:30 AM to Noon.

CLASS WINNERS (BUMPS)

1. Should you win or tie for high in a class in any 16 yard (Singles) or doubles event or earn yardage in any handicap event,
   • It shall be YOUR responsibility to report to the handicap desk and have your yardage increased or classification reviewed.
   • In Events #4, #5, #6, and #8, all shooters (regardless of category) with scores that equal or exceed the score of the class champion will be advanced starting with the next like event.
   • Any shooter whose class or yardage is changed for any reason shall be considered to be notified when the new class or yardage is posted on the bulletin board.

2. Any shooter failing to carry out rule 1 above or who shoots in an incorrect class or from a yardage higher or lower than that assigned by the handicap committee will be subject to disqualification and will not be eligible to share in any money division or be eligible for trophies.

CATEGORY SHOOTERS
At all tournaments where All American points will be awarded in any event, shooters may declare only one special category Note: Chair shooters are exempt from this rule.

Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship trophy shoot-off/carry-over and has declared a special category at the time of classification, the shooter must fall back to the declared category.

Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group.

Any special category shooter, whose score does not qualify for a trophy in his/her category, may compete for place, class or yardage group trophies.

3. All Lady I, Lady II, Sub-Juniors, Juniors, Junior Golds, Sub-Vets, Veterans, and Senior-Vets must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will NOT be allowed to compete for the applicable category trophy. No contestant will be allowed to declare or change a special declaration after firing his/her first shot. The only exception to this rule will be to correct an ATA classification error. Please check your classification receipt before leaving the classification table.
IT'S MORE THAN A GUN.
IT'S A BROWNING.

BROWNING.COM
4. Each shooter who is entitled to receive money won during any event agrees that if such money is not received by him during the period of this tournament, a check in payment for the money won may be mailed to him at the address indicated by ATA records, and when so mailed, the club will not be liable in any manner whatsoever for any check lost, stolen, unclaimed or otherwise not received by the shooter.

5. Management will not be responsible for errors in scores after the options have been posted. Shooters should use the electronic bulletin board and the score board to check their scores to notify shoot management immediately if a discrepancy is noticed. **SCORES BECOME FINAL 1 HOUR AFTER THE CONCLUSION OF THE EVENT.**

6. All targets shot on Tuesday, September 29 and Wednesday, September 30 may be applied toward the above target requirements. If target requirement is met, you must immediately return to the Handicap Desk and be re-classified. If requirements are not met, you will remain shooting assigned yardage and/or assigned classification. No targets will be credited for target minimums starting on Thursday, October 1.

7. Shooters who do not have a total of 1000 16-yard (singles) targets registered with the ATA in the current and previous year will be advanced at least one class or more at the discretion of the classification committee. Shooters without an established average shall be placed in class B or higher at the discretion of the classification committee.

8. Shooters who do not have a total of 1000 Doubles targets registered with the ATA in the current and previous year will be advanced at least one class at the discretion of the classification committee. Shooters without an established average shall be placed in class B or higher at the discretion of the classification committee.

9. Shooters who do not have a total of 1000 Handicap targets registered with the ATA in the current and previous year will be assigned to the 23 yard line or the regular handicap yardage, whichever is greater. Handicap target requirements will be waived for shooters age 70 and over, making them eligible for trophies and monies. Any participant who fails to meet the minimum handicap target requirements as described will be allowed the choice of shooting “Targets Only” from their assigned yardage provided they waive and forfeit all rights to options, purses, added money and trophies including HOA and HAA trophies.

10. In an effort to avoid unused positions, it is imperative that you either cashier or release all positions that you have squadded for prior to the event. **Pre-squad positions will be held for all events each day until 30 minutes prior to the start of the first event of that day. After that time, management reserves the right to open positions for that day.** You may call the office at 828-266-3693 if you cannot make it to the club in time and have your position released.
