# SHOOTER'S RESPONSIBILITY

## ENTRY AND SHOOTING PROCEDURE

- 1) In all events that include class advances, all shooters (regardless of category) with scores that equal or exceed the score of the class champion will be advanced starting with the next like event.
- 2) Take your average card to the classification desk. Do not attempt to make your program entries before doing so.
- 3) **BE SURE YOUR AVERAGE CARD IS UP TO DATE.** Be sure your classification and handicap yardage are marked plainly by a member of the handicap committee before you leave the table. It is your responsibility to know the rules. You are subject to penalties for shooting in the wrong classification or at the wrong yardage even if your card is so marked.
- 4) It is the responsibility of category shooters to see that they are so marked at the time they are classified/handicapped. If your special category does not appear on the bulletin sheet, report the omission at the cashier's office.
- 5) If you draw squad positions that will not be used for an event, please see our squadding personnel to release your position. Releasing your position allows us to fill holes in open squads, making this tournament more enjoyable for all shooters. **A shooter may not draw more than one (1) position per event.**
- 6) Squadding will be restricted to a maximum of 2 yards on a squad, or as ATA rule book states.
- 7) The cashier will accept no counter checks and the only type of cash, check, or credit cards accepted will be U.S. funds. Checks will be accepted for the amount of entry fees only - No Exceptions.
- 8) No additions or withdrawals permitted on purses and options. **NO OPTIONS REFUNDED UNLESS EVENT IS CANCELLED.**
- 9) If you sign up after the bank assignments have been posted, you must take a position on the **first available squad**. There will be no exception to this rule. Squads will be assigned to the first available bank that is able to accommodate squadding needs. Club management reserves the right to balance the fields.
- 10) Classification and Squadding/Cashiering will open:  
Open Saturday 8/21 - 12 PM to 4 PM  
Sunday 8/22 - Saturday 8/28 – 8:00 AM to 4:00 PM and  
Sunday, August 29th - 9:00 AM to 1:00 PM.
- 11) Payoff checks may be picked up at the trophy counter after 1:00 pm daily.
- 12) Please do not wait until the last day to receive your added money, payoff checks and trophies.
- 13) **MAKE YOUR CAMPING RESERVATIONS FOR THE 2022 HEARTLAND GRAND AT THE TROPHY COUNTER.**

# **RULES AND REGULATIONS**

1) Should you win or tie for high in a class in any 16 yard or doubles event or earn yardage in any handicap event, it shall be your responsibility to report to the handicap desk and have your yardage increased or classification reviewed. Shooters winning or tying for high in class beginning in event #7 and #9 will be advanced at least one class for the next like event. Any shooter whose class or yardage is changed for any reason shall be considered to be notified when the new class or yardage is posted on the bulletin board. In all events that include class advances all shooters (regardless of category) with scores that equal or exceed the score of the class champion will be advanced starting with the next like event.

2) Any shooter failing to carry out rule 1 above or who shoots in an incorrect class or from a yardage higher or lower than that assigned by the handicap committee will be subject to disqualification and will not be eligible to share in any money division or be eligible for trophies.

3) A shooter may not win more than one trophy in the same event. If a shooter's score qualifies for more than one trophy, the shooter must notify the shoot management which trophy they desire to take or shoot-off for. Failure of the shooter to make notification within 15 minutes of that event's last scores being posted imposes on shoot management the duty to make the determination for the shooter. Concurrent special awards are exempt from this rule. Ties for all trophies in all handicap events will be shot off.

4) At all tournaments where All American points will be awarded, in any event, Shooters may declare only one (1) Category (i.e., Lady I, Lady II, Junior Gold, Junior, Sub-Junior, Sub Veteran, Veteran, Senior Veteran ). Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the Championship trophy shoot-off/carry-over and has declared a Special Category, at classification, the shooter will fall back to his/her declared category. Any shooter who has declared a Special Category at Classification and whose score qualifies him/her for any trophy in his/her declared Category will compete for the Category trophy and not for place, class or yardage group. Any Category shooter whose score doesn't qualify for a trophy in his/her Category may compete for place, class or yardage group.

5) Rule 3 above does not affect the right of all eligible shooters from shooting off for event champion or place trophies. A special category shooter may enter into a shoot off for event champion only and if unsuccessful fall back to special category.

6) Any special category declaration is to be made at the time you are classified. For purposes of special category declaration the time of entry is when you are classified. Report special category omission on the bulletin sheets to the cashier's office.

7) Each shooter who is entitled to receive money won during any event agrees that if such money is not received by him during the period of this tournament, a check in payment for the money won may be mailed to him at the address indicated by ATA records, and when so mailed, the club will not be liable in any manner whatsoever for any check lost, stolen, unclaimed or otherwise not received by the shooter.

8) Management will not be responsible for errors after the options have been posted. Shooter should check their receipt, electronic bulletin board, and the paper score board to check their category class yardage and scores. Notify shoot management immediately if a discrepancy is discovered. **Errors will be corrected upon discovery.**

9) Shooters who do not have a total of 1,000 16-yard targets registered with the ATA in the current and previous two target years (September 1, 2018 to the day the HOA starts) will be advanced at least one class at the discretion of the Classification Committee. Shooters without an established average will be placed in Class B or higher at the discretion of the Classification Committee.

10) Shooters who do not have a total of 1,000 Doubles targets registered with the ATA in the current and previous two target years (September 1, 2018 to the day the HOA starts) will be advanced at least one class at the discretion of the Classification Committee. Shooters without an established average will be placed in Class B or higher at the discretion of the Classification Committee.

11) Assigned yardage applies during this tournament. Shooters who do not have a total of 1000 Handicap targets registered with the ATA in the current and previous two target years (September 1, 2018 to the day the HOA starts) will be assigned to the 23 yard line or their regular handicap yardage, whichever is greater. The minimum penalty yardage for all participants shall be 23 yards, with the exception of shooters age 70 and over, for which there will be no penalty, making them eligible for trophies and monies. Known ability may also be applied by the handicap committee. Shooters who fail to meet the minimum handicap target requirements as described above may shoot "Targets only" from their assigned ATA yardage provided they waive and forfeit all rights to options, purses, added money and trophies including HOA and HAA trophies.

12) All targets shot on Monday, August 23 and Tuesday, August 24 may be applied toward above target requirements. If target requirement is met, you must immediately return to the Handicap Desk and be re-classified. If requirements are not met, you will remain shooting assigned yardage and/or assigned classification. There will be no bump of classes on Monday or Tuesday.

13) In an effort to avoid unused positions, it is imperative that you either cashier or release all positions that you have squadded for prior to the event. **Anyone that does not cashier or release positions that have been squadded in their name will risk having any or all subsequent squadded positions in their name released by management.** You may call the sign up building at (641) 648-4458 if you can not make it to the club in time and have your position released.

14) Shooters must present their ATA number to presquad and have all shooters yardages of the posts that are being reserved.

15) The use of transportation vehicles, such as motorized carts and motorbikes, with the exception of wheelchairs, or other means of transportation for truly handicapped persons, will not be permitted on the sidewalks or immediate area at any time for any purpose. The sole exception to this rule will be utilization of golf carts by shoot management. Shoot management will minimize the use of golf carts whenever possible and ensure that use of above vehicles is enforced. **NO CARTS ALLOWED ON SIDEWALK NORTH OF THE SIGN UP BUILDING OR NORTH OF THE BRICK CLUB HOUSE.**

16) Dogs must be leashed during shooting hours. Pets must be attached to one end of the leash and the other end of the leash attached to a fixed object or human.

Remainder is a tax deductible donation to the ATA.

## Pre-squadding and Pre-shell Rules

Pre-squadding and Presquad Shell Reserve for the Heartland Grand will be fully automated and will be online at [www.presquad.com](http://www.presquad.com). Pre-squadding is \$2.00 per post per event payable to Presquad.com. Linkage to Presquad Shell Reserve will open up after you completed pre-squadding. Pre-squadding will begin July 1, 2021 and will Close Monday, August 16, 2021, 7:00PM.

- Shooters must presquad at before reserving shells.
- We will not reserve shells for the "Pump'em Doubles" or the "Wobble" events.
- If you completed your entries to shoot the entire Heartland Grand Program the maximum number of Singles shell boxes you could purchase is 32. Maximum Handicap shell boxes are 28 and Doubles shell boxes are 20.
- You will receive an email from The Stockdale Gun Club confirming your reservation. You MUST receive a confirmation email to be assured your shells will be waiting for you upon arrival!

### Notes:

The shells will be reserved by the box based off of your presquadding of events. The reserved shells are first come first serve basis. You may choose to reserve less shells than you plan to shoot but not more. Types of shells will change based upon inventory that is available when we received your reservation application form. Not all the shells will be "premium shells" but you will know what shells you have reserved and are available for you to pick up. Shell reservations will close when presquadding for the shoot closes. We are asking for all shells that are reserved to be picked at once, after you have paid the Presquad fees and completed entry fees for the shoot. You must produce your entry receipt to pick up reserved shells. If there are any shells left over after Presquad.com reservations close, the remaining inventory will be sold based on paid entry receipts, shoot off reports, and practice tickets.

There will be a drawing made by the management for bank assignments for each day. These bank assignments will be posted the night before at the club houses and around the trap line. If you sign up after the bank assignments have been posted, you must take a position on the first available squad. There will be no exception to this rule.

All pre-squad positions for all events each day will be held until 30 minutes prior to the first event of that day. After that time, pre-squadded positions not yet cashed for that day will be canceled and opened to all shooters. All pre-cashier monies are refundable for any reason until August 21, 2021, at which time they become non-refundable.
