KOLAR ARMS ENHANCES ATA PARTNERSHIP

The Amateur Trapshooting Association is pleased to announce that Kolar Arms (Racine WI) will be the exclusive sponsor of the ATA World Doubles Championship during the 123rd Grand American Tournament this August. The ATA World Doubles Championship is the largest trap doubles event in the world.

The endorsement of this prestigious event boosts Kolar's decades of ATA support. ATA Executive Director Lynn Gipson noted, "The staff at Kolar Arms is always anxious to help the shooters in their pursuit of perfection on the firing line, and they have always been a tremendous partner for the ATA." Kolar President, Jeff Mainland remarked, "We're glad to help in any way we can. Trapshooting has become a big part of our company and our lives. We're thrilled and honored to sponsor this great event".

About Kolar – Kolar shotguns are considered to be one of the finest target shotguns manufactured today. They are built entirely in the USA in Racine Wisconsin. The predecessor to Kolar Arms, Pioneer Products (Don Mainland) entered shotgun manufacturing by buying out Kolar skeet tubes in the 1980's. After building the short-lived 90T single-barrel trap gun for Remington in the 90s, Kolar started making competition shotguns of their own. Kolar competition shotguns are now used by many of the top clay targets competitors in the world and typically have extremely beautiful wood sets and engraving.

About ATA - The ATA serves as the faithful protector of trapshooting and its mission is to promote and oversee the sport throughout the world. Established in 1899, the ATA is the oldest and the largest clay target shooting organization in the world. This non-profit organization governs the sport's rules and regulations. In addition, the ATA actively seeks ways to further enhance the sport and increase participation. Annually, ATA members participate in 6,000 plus registered tournaments and shoot at more than 60 million targets. The ATA encompasses an official youth program, as well. AIM, representing Academic, Integrity, and Marksmanship, serves to provide a safe and positive experience with firearms and registered trapshooting for youth members.
