KTA PRESIDENT LETTER

On behalf of myself, the KTA Directors and Officers, we welcome you to the first ever Satellite Grand held in Kansas.

The Southwest Grand has a long tradition - 44 years to be exact - starting in Missouri in 1979, moving to Oklahoma in 1981, and to San Antonio in 1998. We are proud to host the 44th annual ATA Southwest Grand here in Kansas at the Kansas Trapshooting Association home grounds in Sedgwick (Wichita), Kansas. Kansas also has a long tradition, shooting our first Kansas State Shoot 132 years ago.

The KTA Home Grounds, purchased in 1969 and rebuilt in 2004, has everything the ATA shooter has grown to expect: 20 level, clear unobstructed background trap fields, modern clubhouse with dine-in cafe, new bathroom shower house, and the absolute BEST targets you will shoot anywhere!

We thank the ATA Executive Committee for entrusting us with the Southwestern Satellite Grand and invite ALL ATA members to come enjoy Kansas Trapshooting in September. You'll be glad you did.

Kindest regards,
Rob Taylor

ENTRY & SHOOTING PROCEDURE

1. Take your average card to the classification desk. Do not attempt to make your program entries before doing so.
2. BE SURE YOUR AVERAGE CARD IS UP TO DATE. Be sure your classification and handicap yardage are marked plainly by a member of the Handicap Committee before you leave the table. It is your responsibility to know the rules. You are subject to penalties for shooting in the wrong classification or at the wrong yardage even if your card is so marked.
3. It is the **RESPONSIBILITY** of category shooters to see that they are so marked at the time they are classified/handicapped. If your special category does not appear on the bulletin sheet, report the omission at the cashier's office before entering competition.
4. Please be sure to have your ATA plastic card when you are at the entry windows. You will not be able to enter any events without your plastic card.
5. If you draw squad positions that will not be used for an event, please see squadding personnel. Releasing your position allows us to fill holes in open squads, making this tournament more enjoyable for all shooters. **A shooter may not draw more than one (1) position per event.**
6. Upon paying your entry fees, you will be supplied with a receipt showing your squad, and position along with your class/yardage, options and applicable categories for each event entered.
7. The cashier will accept no counter checks or secondary party checks and the only type of cash or check accepted will be U.S. funds. Credit or debit cards may be used for targets and daily fees only. Options must be paid by check or cash. - No Exceptions.
8. All entries are final. No additions or withdrawals permitted on purses and options. Classification and Squadding/Cashiering will open Sunday, September 11, 12:00 PM to 5:00 PM. Open Monday through Sunday, 8:00 AM to 5:00 PM.

RULES & REGULATIONS

CLASS WINNERS (BUMPS)

1. Should you win or tie for high in a class in any 16-yard (Singles) or Doubles event or earn yardage in any Handicap event,
 - It shall be **YOUR** responsibility to report to the handicap desk and have your yardage increased or classification reviewed.
 - In Events #4, and #5, all shooters (regardless of category) with scores that equal or exceed the score of the class champion will be advanced starting with the next like event. In all events that include class advances, all shooters, (regardless of category) with scores that equal or exceed the score of the class champion will be advanced starting with the next like event.
 - Any shooter whose class or yardage is changed for any reason shall be considered to be notified when the new class or yardage is posted on the electronic bulletin board.
2. Any shooter failing to carry out rule 1 above or who shoots in an incorrect class or from a yardage higher or lower than that assigned by the Handicap Committee will be subject to disqualification and will not be eligible to share in any money division or be eligible for trophies.

CATEGORY SHOOTERS

At all tournaments where All-American points will be awarded in any event, shooters may declare only one special category.

Note: Chair shooters are exempt from this rule.

Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship trophy shoot-off/carry-over and has declared a special category at the time of classification, the shooter must fall back to the declared category.

Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group.

Any special category shooter, whose score does not qualify for a trophy in his/her category, may compete for place, class or yardage group trophies.

3. All Lady I, Lady II, Sub-Juniors, Juniors, Junior Golds, Sub-Vets, Veterans, and Senior-Vets must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. **Without such declaration, the contestant will NOT be allowed to compete for the applicable category trophy.** No contestant will be allowed to declare or change a special declaration after firing his/her first shot. The only exception to this rule will be to correct an ATA classification error. Failure to declare your classification does not constitute an ATA classification error. Please check your classification receipt before leaving the classification table.

4. Each shooter who is entitled to receive money won during any event agrees that if such money is not received by him during the period of this tournament, a check in payment for the money won may be mailed to him at the address indicated by ATA records, and when so mailed, the club will not be liable in any manner whatsoever for any check lost, stolen, unclaimed or otherwise not received by the shooter.
5. Management will not be responsible for errors in scores after the options have been posted. Shooters should use the electronic bulletin board and the score board to check their scores to notify shoot management immediately if a discrepancy is noticed. **SCORES BECOME FINAL 1 HOUR AFTER THE CONCLUSION OF THE EVENT.**
6. All targets shot on Monday, September 12 and Tuesday, September 13 may be applied toward the below target requirements. If target requirement is met, you must immediately return to the Handicap Desk and be re-classified. If requirements are not met, you will remain shooting assigned yardage and/or assigned classification. No targets will be credited for target minimums starting on Wednesday, September 14.
7. Shooters who do not have a total of 1,000 16-yard targets registered with the ATA in the current and previous target year will be advanced at least one class at the discretion of the Classification Committee. Shooters without an established average shall be placed in class B or higher at the discretion of the classification committee.
8. Shooters who do not have a total of 1,000 Doubles targets registered with the ATA in the current and previous target year will be advanced at least one class at the discretion of the Classification Committee. Shooters without an established average shall be placed in class B or higher at the discretion of the classification committee.
9. Shooters who do not have a total of 1,000 Handicap targets registered with the ATA in the current and previous target year will be assigned to the 23 yard line or their regular handicap yardage, whichever is greater. The minimum penalty yardage for all participants shall be 23 yards, with the exception of shooters age 70 and over, for which there will be no penalty yardage. Any participant who fails to meet the minimum handicap target requirements as described will be allowed the choice of shooting "Targets Only" from their assigned yardage provided they waive and forfeit all rights to options, purses, added money and trophies including HOA and HAA trophies.
10. In an effort to avoid unused positions, it is imperative that you either cashier or release all positions that you have squadded for prior to the event. **Pre-squad positions will be held for all events each day until 30 minutes prior to the start of the first event of that day. After that time, management reserves the right to open positions for that day.**

You may call the office at 316-755-2933 if you cannot make it to the club in time and have your position released.
