SHOOTER RESPONSIBILITY

1. Take your average card to the Classification/Handicap window immediately upon arrival. It shall be the shooters responsibility to inform the Handicap Committee as to his or her category.
2. Once classified, proceed to cashier for entry, options and receipt.
3. All presquad.com reservations will be honored and held for all events each day until 30 minutes prior to the start of the first event of that day.
4. The cashier will not accept counter checks or second party checks. Checks are accepted in the amount of shooting fees only – No Exceptions. **All entries must be made in U.S. funds.**
5. No shooter will be allowed to make up more than 50 targets on a practice trap if he/she has missed the squad. If you are unable to join your squad before they have started their second fifty, you must be re-squadded. All make-ups for missed squads or gun repairs report to the practice trap within 30 minutes of when the last squad takes the line for that event.
6. By entering the competition, every person agrees to accept all official decisions and to abide by ATA rules.
7. Be ready to shoot. Squads will not wait for tardy members. If you miss your squad, report to cashier and be re-squadded on a later squad. If there is no squad available the shooter forfeits all entry and option money.

RULES & REGULATIONS

1. Should you win or tie for a class in any 16-yard or Doubles event, or earn yardage in any Handicap event, it shall be your responsibility to report to the Classification/Handicap counter to have your classification reviewed or yardage increased. Shooters winning or tying for class in Events #5 through #13 will be advanced at least one class. In all events that include class advances all shooters (regardless of category) with scores that equal or exceed the score of the Class Champion will be advanced starting with the next like event. Any shooter whose class or yardage is changed for any reason shall be considered notified when the new class or yardage is posted on the bulletin board.
2. Any shooters failing to carry out rule 1 above or who shoots in a class or a yardage higher or lower than assigned will be subject to disqualification and will not be able to share in any money division or be eligible for trophies.
3. A shooter may not win more than 1 ATA trophy in the same event.
4. **CATEGORY SHOOTERS:** (See ATA Rule section X.D) At all tournaments where All-American points will be awarded, in any event, shooters may declare only one category (i.e., Lady I, Lady II, Sub Jr., Jr., Jr Gold, Sub-Vet, Vet and Sr. Vet). Any shooter who is tied for Event Champion may shoot off/carry over for the Championship trophy. If a shooter fails in the Championship shoot off/carry over and has declared a Special Category at classification, the shooter will fall back to his/her declared category.

Any shooter who has declared a Special Category at Classification, and whose scores only qualifies him/her for any trophy in his/her Declared Category, will compete for the Category trophy and not for place, class or yardage group.

Any Category shooter whose score does not qualify for a trophy in his/her Category may compete for place, class or yardage group.
5. There will be no class advance until Event #5.
6. **REFUND POLICY:** Target money will not be refunded once cashiered. Option money can be refunded until the start of the event at which time it becomes non-refundable.
7. The target setting committee shall set targets each morning or during event changes based on predicted weather conditions and in accordance with ATA rules. Once targets have been set, only field supervisors have authority to change them. Target speed will be set by a radar gun and will be maintained uniformly on all traps. Changes will be made only if targets have become illegal or vary appreciably from original setting.
8. The management shall appoint judge or judges to be called upon as the occasions arise. The scorer must call upon a judge to settle any controversy regarding a score or when the scorer has made an error by being ahead or behind in scoring.

GUN CLUB LEWIS OPTION – EVENT #11

Deserving gun Clubs nationwide have benefited from the ATA Gun Club Fund for the past several years. These funds must be used to improve the facilities and programs at clubs and recipients are determined by the Executive Committee each year at the Grand American. Half of your \$20 entry into the Gun Club Lewis option will be placed in the fund and the other half will be paid out in three Lewis Divisions, 1 money each. Remainder is a tax deductible donation to the ATA.

CLASSIFICATION & HANDICAP

All target requirements described below **MUST** be met before firing a shot in the first event of the HOA (Event #5) on Wednesday, June 1st. After meeting the target requirement, please return to classification. Any reclassification must occur prior to your paid entry into Event #5.

After Event #5 is completed, class and yardage may only be increased.

TARGET REQUIREMENTS:

Shooters who do not have a total of 1,000 16-yard targets registered with the ATA in the current and previous target year will be advanced at least one class at the discretion of the Classification Committee. Shooters without an established average will be placed in Class B or higher at the discretion of the Classification Committee.

Shooters who do not have a total of 1,000 Doubles targets registered with the ATA in the current and previous target year will be advanced at least one class at the discretion of the Classification Committee. Shooters without an established average will be placed in Class B or higher at the discretion of the Classification Committee.

Assigned yardage applies during this tournament. Shooters who do not have a total of 1000 Handicap targets registered with the ATA in the current and previous target years will be assigned to the 23 yard line or their regular Handicap yardage, whichever is greater. The minimum penalty yardage for all participants shall be 23 yards, with the exception of shooters age 70 and over, for which there will be no penalty, making them eligible for trophies and monies. Known ability may also be applied by the Handicap Committee. Shooters who fail to meet the minimum Handicap target requirements as described above may shoot "Targets only" from their assigned ATA yardage provided they waive and forfeit all rights to options, purses, added money and trophies including HOA and HAA trophies.

Failure to shoot from the correct Handicap yardage will result in score disqualification. It is the responsibility of all shooters to verify that they have been classified at the correct Handicap yardage. This includes **ALL** earned yardage from any prior registered tournament (Rule XII.B.e). Also, any shooter that has ever registered targets in another shooting organization must inform classification **BEFORE** their Handicap yardage has been determined. These shooters will be required to shoot from the greatest documented yardage (Rule VI.C.4). All trophies or monies won for a disqualified score must be returned (Rule XII.B.7). Any yardage earned for a disqualified score will be added to the shooter's average card (Rule XII.B.8).

Shooters are required to have their 16-yard and Doubles averages computed for use by the Handicap Committee. Any shooter holding a card of another association will be classified at the yardage and class which is the greatest of the cards. The Handicap Committee reserves the right to change a shooters classification at any time deemed necessary.
