# ADVANCE RESERVED SQUADDING AND PRE-CASHIERING

Pre-squadding will be available on the website at [presquad.com](http://presquad.com) beginning September 14, 2024 at 11:30 am PST. Pre-squadding reservations will not be accepted after November 3 at 11:30 pm PST, and pre-cashiering must be in the Club's hands by closing November 3. There will be a \$2.00 pre-squadding charge per event per person.

1. All pre-squad positions for all events each day will be held until 30 minutes prior to the first event of that day. After that time, pre-squadded positions not yet cashiered for that day will be canceled and opened to all shooters. All pre-cashier monies are refundable for any reason until November 5, 2024, at which time they will become non-refundable.
2. Pre-cashiering forms will be available by downloading them from [tucsontrapandskeet.com](http://tucsontrapandskeet.com), or requesting the forms from the club. This simple form will have assigned squad/position and is to be filled out and returned along with entry fees and daily fees to avoid cashiering at the tournament. If only one address is supplied it is the addressee's responsibility to distribute the forms to the other squad members. Please note that pre-cashiering does not preclude you from bypassing the classification table prior to shooting.
3. To pre-cashier your reserved entry or your first day's events, return the form with payment for the events noted on the pre-cashier form plus daily fees. If you elect to enter options, please clearly mark those desired and add the amounts. Your pre-cashiered entry will be rejected if payment is insufficient. At the club's option, overpayments will be refunded at the tournament or mailed to the address on the request form.
4. Refund Policy: Target and option money will be refundable until November 5, 2024 at which time it will become non-refundable. Pre-squadding fees are non-refundable.
5. After you have been classified, squadded, and cashiered, you may pick up your receipt. The receipt will have your classification printed. Please check to see that it is correct. All pre-tournament cashiered entries are considered as your initial entry. Your entry is only valid if you have been classified. Subsequent changes to squads, positions and withdrawals are subject to the assigned fees per the program. All such changes will be processed only during regular hours at the tournament. The Club reserves the right to cancel or reject, without refund, any or all multiple requests for reservations.

# ENTRY AND SHOOTING PROCEDURE

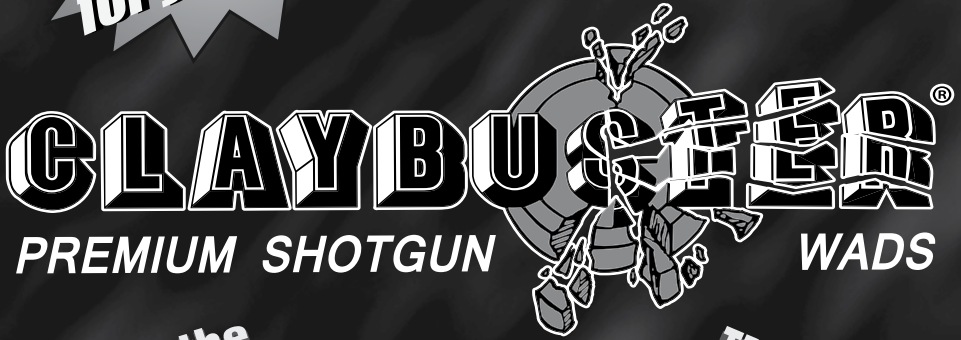

1. Take your average card to the classification/handicap table immediately upon arrival. Be sure your classification, handicap yardage and special category such as Lady I, Lady II, Sub-Junior, Junior, Junior Gold, Sub-Veteran, Veteran, and Senior Veteran is entered into the computer by a member of the Handicap Committee before you leave the table. It shall be the shooters responsibility to inform the Handicap Committee as to his or her category. Once a category declaration has been made, any changes will be to correct an ATA classification error and will be at the discretion of the Handicap Committee (see rule IV.K).
2. Once classified, proceed to the cashier window for entry and reservations. Pre-cashiered shooters should pick up their completed entry receipts and verify data before the start of the first event you have entered. The cashier window will be open at 8:00 am to 2:00 pm daily.
3. All pre-squad positions for all events each day will be held until 30 minutes prior to the first event of that day. After that time, pre-squadded positions not yet cashiered for that day will be canceled and opened to all shooters. All pre-cashier monies are refundable for any reason until November 5, 2024, at which time they will be become non-refundable.
4. The cashiers will not accept counter checks or second party checks. Checks are accepted in the amount of shooting fees only - no exceptions. All entries must be made in U.S. funds.
5. No shooter will be allowed to make up more than 50 targets on the practice traps if he/she has missed the squad. If you are unable to join your squad before they have started their second trap, you must be re-squadded. All make-ups for missed squads or gun repairs report to the practice trap area within 15 minutes of when the last squad takes the line for that event.
6. By entering the competition every person agrees to accept all official decisions and to abide by ATA rules.
7. Be ready to shoot. Squads will not wait for tardy members. If you miss your squad, report to the office and be re-squadded on a later squad. If no squad is available, a shooter forfeits all entry and option money.
8. In case of a gun breakdown, a shooter will be allowed five (5) minutes for repair or replacement.
9. Please check your score before leaving each post. The squad captain (#1 shooter) will total the score after each sub event and initial the score sheet before leaving the trap. Errors made in totaling shall be corrected whenever discovered. All changes will be made in strict accordance with ATA rules.
10. All information needed to award trophies, award monies, and file ATA shoot reports is taken from the score sheets, so be sure all information is correct.
11. The use of transportation vehicles, such as motorized carts and motorbikes, with the exception of wheelchairs or other means of transportation for truly handicapped persons, will not be permitted on the sidewalks or immediate area at any time for any purpose. The sole exception to this rule will be utilization of motorized carts by shoot management. Shoot management will minimize the use of motorized carts whenever possible and ensure the use of above vehicles is enforced.
