# SHOOTER'S RESPONSIBILITY

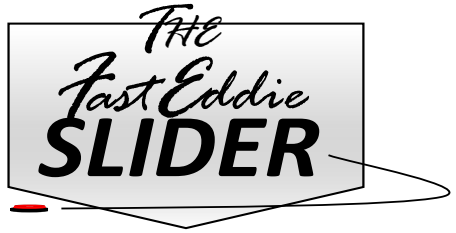

## ENTRY AND SHOOTING PROCEDURE

- 1) In all events that include class advances, all shooters (regardless of category) with scores that equal or exceed the score of the class champion will be advanced starting with the next like event.
- 2) Take your average card to the classification desk. Do not attempt to make your program entries before doing so.
- 3) **BE SURE YOUR AVERAGE CARD IS UP TO DATE.** Be sure your classification and handicap yardage are marked plainly by a member of the handicap committee before you leave the table. It is your responsibility to know the rules. You are subject to penalties for shooting in the wrong classification or at the wrong yardage even if your card is so marked.
- 4) It is the responsibility of category shooters to see that they are so marked at the time they are classified/handicapped. If your special category does not appear on the bulletin sheet, report the omission at the cashier's office.
- 5) If you draw squad positions that will not be used for an event, please see our squadding personnel to release your position. Releasing your position allows us to fill holes in open squads, making this tournament more enjoyable for all shooters. **A shooter may not draw more than one (1) position per event.**
- 6) Squadding will be restricted to a maximum of 2 yards on a squad, or as ATA rule book states.
- 7) The cashier will accept no counter checks or third party checks. Only cash, personal check, or credit cards accepted will be U.S. funds. Checks will be accepted for the amount of entry fees only - **Due to new bank regulations, no checks can be cashed. No Exceptions.**
- 8) No additions or withdrawals permitted on purses and options. **NO OPTIONS REFUNDED UNLESS EVENT IS CANCELED.**

Squads will be assigned to the first available bank that is able to accommodate squadding needs. Club management reserves the right to balance the fields.
- 10) Squads will be rotated to different banks of fields for each 100 or any 200 target event.
- 11) Classification and Squadding/Cashiering will open:

## NIGHT BEFORE HEARTLAND GRAND!

Iowa trapshooter, Ed Harken (1938-2023) was a friend of mine who was awarded a nickname of Fast Eddie. Ed was one of Iowa's best shots who earned his grand slam (no.220 6/16/1998) and shot his way onto the Iowa State Trapshooting Association's Elite trap team several times. Ed was very good at business too. Besides John Deere in Waterloo, IA, Ed's company, Blackhawk Engineering, 118 Blackhawk Ln, Cedar Falls, IA, was one of Iowa's larger employers. At the time his business was growing into a larger building and there was not enough office space. So, Ed decided to purchase an old 7-Eleven type convenience store to set it up as a temporary office headquarters during construction of the new plant.

At the time of his company's move, we were all just trying to focus on our performance at the Iowa State shoot. If you had been to the Iowa State trap shoot back then, there was a tepee where we gathered and the stories where shared. We were listening to Ed's play-by-play of the move before, between, and after events at the shoot.

Ed also had so many "balls in the air" at the same time, so much of the time, he earned the nickname among his friends as Fast Eddie. But our focus then was on the convenience store purchase. Not to be left out, we started the rumor that Ed's wife, Mary, was going to run the cash register to sell all the normal 7-Eleven type products, but Ed was going to be cutting bait in the rear of the store and restocking the bathroom vending machines. During state shoot week, the store name became "Fast Eddie's Minnow Worl'".

I had a local t-shirt shop make a couple dozen hats to give out during the shoot. The hats were ugly yellow ventilated with a big white billboard area for imprinting on the front. There were two vertical minnows boarding the left and right side of the front billboard area and bold print in between, Fast Eddie's Minnow Worl'. The next line or so, said "beer, bait, and stink bait in the rear", or words to that effect. Uglier the better. I gave a hat to everyone that knew Ed, but not Ed.

The actual punch line to the story was it took a couple days for Ed to look up see one of them. Then to hear Fast Eddie go "off" on it wanting one of those hats! I don't think he ever found one.

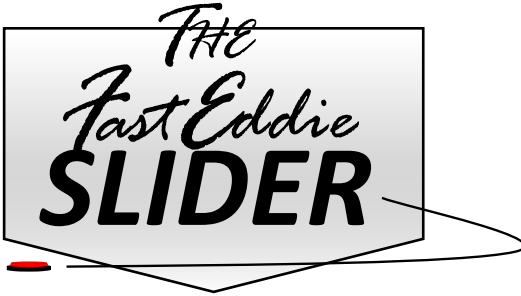

August 18th, 2024, the weekend before the 2024 Heartland Grand, the fun is building with events and activities. Harlin Campbell is hosting a couple clinics. The second Annual Leland's Dead Pair Double Marathons will be running Saturday and Sunday. We thought it would be a cool and fun transition into Monday's kick off of the Heartland Grand and celebrate Fast Eddie Harken, by naming the night slider shoot, the "Fast Eddie Slider". The event will begin in the afternoon with the Sunday evening cookout, Calcutta, and then the shoot will begin at pitch dark.

100 target night slider has \$2500.00 added money to the Calcutta, all in Fast Eddie style. Shooters will be squadded by ATA handicap yardage with no more than two yard differences. The first trap is shot from the 16 yard, then the second trap move to the 20 yard handicap, next to the 22 yardline, then the last trap, is shot from you established ATA earned yardage. Targets will be White Flyer all white pitch targets.

Please stay tuned to the Stockdale Gun Club website and usual places for all detailed information.

# RULES AND REGULATIONS

1) Should you win or tie for high in a class in any 16 yard or doubles event or earn yardage in any handicap event, it shall be your responsibility to report to the handicap desk and have your yardage increased or classification reviewed. Shooters winning or tying for high in class beginning in event #7 and #9 will be advanced at least one class for the next like event. Any shooter whose class or yardage is changed for any reason shall be considered to be notified when the new class or yardage is posted on the bulletin board. In all events that include class advances all shooters (regardless of category) with scores that equal or exceed the score of the class champion will be advanced starting with the next like event.

2) Any shooter failing to carry out rule 1 above or who shoots in an incorrect class or from a yardage higher or lower than that assigned by the handicap committee will be subject to disqualification and will not be eligible to share in any money division or be eligible for trophies.

3) A shooter may not win more than one trophy in the same event. If a shooter's score qualifies for more than one trophy, the shooter must notify the shoot management which trophy they desire to take or shoot-off for. Failure of the shooter to make notification within 15 minutes of that event's last scores being posted imposes on shoot management the duty to make the determination for the shooter. Concurrent special awards are exempt from this rule. Ties for all trophies in all handicap events shall be shot off daily.

4) At all tournaments where All American points will be awarded, in any event, Shooters may declare only one (1) Category (i.e., Lady I, Lady II, Junior Gold, Junior, Sub-Junior, Sub Veteran, Veteran, Senior Veteran ). Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the Championship trophy shoot-off/carry-over and has declared a Special Category, at classification, the shooter will fall back to his/her declared category. Any shooter who has declared a Special Category at Classification and whose score qualifies him/her for any trophy in his/her declared Category will compete for the Category trophy and not for place, class or yardage group. Any Category shooter whose score doesn't qualify for a trophy in his/her Category may compete for place, class or yardage group.

5) Rule 3 above does not affect the right of all eligible shooters from shooting off for event champion or place trophies. A special category shooter may enter into a shoot off for event champion only and if unsuccessful fall back to special category.

6) Any special category declaration is to be made at the time you are classified. For purposes of special category declaration the time of entry is when you are classified. Report special category omission on the bulletin sheets to the cashier's office.

7) Each shooter who is entitled to receive money won during any event agrees that a check in payment for the money won may be mailed to him/her at the address indicated by ATA records, and when so mailed, the club will not be liable in any manner whatsoever for any check lost, stolen, unclaimed or otherwise not received by the shooter.

8) Management will not be responsible for errors after the options have been posted. Shooter should check their receipt, electronic bulletin board, and the paper score board to check their category class yardage and scores. Notify shoot management immediately if a discrepancy is discovered. **Errors will be corrected upon discovery.**

9) Shooters who do not have a total of 1,000 16-yard targets registered with the ATA in the previous and current target year (September 1, 2023 to the day the HOA starts) will be advanced at least one class at the discretion of the Classification Committee. Shooters without an established average will be placed in Class B or higher at the discretion of the Classification Committee.

10) Shooters who do not have a total of 1,000 Doubles targets registered with the ATA in the previous and current target year (September 1, 2023 to the day the HOA starts) will be advanced at least one class at the discretion of the Classification Committee. Shooters without an established average will be placed in Class B or higher at the discretion of the Classification Committee.

11) Assigned yardage applies during this tournament. Shooters who do not have a total of 1000 Handicap targets registered with the ATA in the previous and current target year (September 1, 2023 to the day the HOA starts) will be assigned to the 23 yard line or their regular handicap yardage, whichever is greater. The minimum penalty yardage for all participants shall be 23 yards, with the exception of shooters age 70 and over, for which there will be no penalty. Known ability may also be applied by the handicap committee. Shooters who fail to meet the minimum handicap target requirements as described above may shoot "Targets only" from their assigned ATA yardage provided they waive and forfeit all rights to options, purses, added money and trophies including HOA and HAA trophies.

12) All targets shot on Monday, August 19 and Tuesday, August 20 may be applied toward above target requirements. If target requirement is met, you must immediately return to the Handicap Desk and be re-classified. If requirements are not met, you will remain shooting assigned yardage and/or assigned classification. There will be no bump of classes on Monday or Tuesday.

13) In an effort to avoid unused positions, it is imperative that you either cashier or release all positions that you have squadded for prior to the event. **Anyone that does not cashier or release positions that have been squadded in their name will risk having any or all subsequent squadded positions in their name released by management.** You may call the sign up building at (641) 648-4458 if you can not make it to the club in time and have your position released.

14) Shooters must present their ATA numbers to pre-squad and have all the shooters yardages of the posts that are being reserved.

15) **NO CARTS ALLOWED ON THE SIDEWALK NORTH OF THE SIGN UP BUILDING OR NORTH OF THE BRICK CLUB HOUSE.** The use of transportation vehicles, such as motorized carts and motorbikes, with the exception of wheelchairs, or other means of transportation for truly handicapped persons, will not be permitted on the sidewalks or immediate area at any time for any purpose. The sole exception to this rule will be utilization of golf carts by shoot management. Shoot management will minimize the use of golf carts whenever possible and ensure that use of above vehicles is enforced.

16) Dogs must be leashed during shooting hours. Pets must be attached to one end of the leash and the other end of the leash attached to a fixed object or human.
