NOTICES

SOLICITING- No soliciting, selling chances or similar activities will be allowed on the grounds, nor shall any literature of any kind be distributed on the grounds without prior written approval of the ATA and Club.

SHELLS- Due to the current national shortage of ammunition, shooters are encouraged to bring their own shells. All possible efforts to obtain and have shells available are being taken however, at the time of printing this program it is impossible to determine what stock of shells will be available for purchase.

BANKS- Banks are not rotated. Squad 1 will start on Bank 1. Each bank will have a limited number of squads assigned to it. When a bank is full, it is FULL. Additional squads will only be opened by shoot management, when it is determined that available squads have been filled. Shooters who prefer a specific bank, squad, or shooting time are urged to pre-squad using sosclays.com. All available squads for each bank will be opened for each event. Pre-squad early for the best selection. Host shall honor and hold all pre-squad positions for all events each day until 30 minutes prior to the start of the first event of that day. Additional squads will be reserved on Bank #2 for our chair shooters. These will be posted on our website with reservation instructions. RULES AND REGULATIONS

- 1) Should you win or tie for high in class in any 16-yard or Doubles event or earn yardage in any Handicap event, it shall be your duty to report to the Handicap Desk and have your classification reviewed or yardage punched. Any shooter whose class or yardage is changed for any reason shall be considered to have been notified when the new class or yardage is posted on the bulletin board. Mandatory class advance starts with Event #1. In all events that include class advances, all shooters (regardless of category) with scores that equal or exceed the high score of the class will be advanced starting with the next like event.

 - Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship shoot-off/carry-over and has declared a special category at the time of classification, the shooter must fall back to the declared category.
 - Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category will compete for the category trophy and not for place, class, or yardage group.
 - •Any special category shooter, whose score does not qualify for a trophy in his/her category, may compete for place, class, or yardage group trophies.
 - Once any Category declarations have been made, any changes will be at the discretion of the Handicap Committee and only to correct an ATA classification error (see rule IV.K).

- 5) All target requirements must be met before the start of events on September 4, the first day of the tournament. Shooters who do not have a total of 1,000 16-yard targets registered with the ATA in the current and previous two target years combined will be advanced at least one class at the discretion of the Classification Committee. There will be no penalty yardage for shooters age 70 and over. GENERAL INFORMATION

Shooters must check in with the squad hustlers prior to shooting, and any shooter not on the firing line when his or her squad is ready to shoot will be scratched and must report to classification for re-squadding. **No one will be called to the line. Squad will wait one minute before starting.**

Make-Ups: A maximum of 50 targets can be made up per event. If you miss your squad for more than 50 targets, you must be re-squadded. Shooters needing a make-up will report to the practice trap immediately and check in with the attendant.

It is the shooter's responsibility to check the bulletin sheets to make sure his/her options, scores and totals are posted correctly before leaving the grounds. Also, one is required to make sure all sub-events are posted accurately for totals and sequence. If errors are found it is their responsibility to notify scoreboard personnel at once. The cashier will wait 20 minutes after the last bulletin sheet is posted to figure the options. Once options are calculated there will be no changes unless the cashier has made an error in his tabulations.

All Chairshooter trophies will be mailed after the shoot.

The Kids & Clays Foundation schedules and comparates shooting events to support participating Ronald McDonald House Charity Chapters. Or events form a special relationship between the restaurant, auto, and outdoor industries all for the common goal of helping critically ill children and their families at a time when they need it the most! Kids & Clays is unique in our partnership with the shooting industry. Together we introduce non-shooters to the fun of shooting sports participation and also to how much those sports contribute to wildlife conservation, the national economy and, in our case, to fundraising efforts for our charity of choice.

PRE-SQUADDING INSTRUCTIONS

Pre-squadding by shooters for all NYSATA Shooting Tournaments will be available on SOSClays.com.

Northeastern Grand pre-squadding deadline is August 30th.

SOS Presquad works just slightly different than other sites. There is a video at sosclays.com that demonstrates how a shooter uses the site to pre-squad for our shoots.

Each shooter will either already have a SOS account or need to create one. There are 2 types of accounts for shooters:

Free Basic Account – just create an account, it allows you access to the SOS Clays Web App (website) system, see High Gun lists, use SOS Presquad, and pay \$2 per post reserved for a shoot.

Premium Account - \$60 per year, full use of both the SOS Clays Web App (website) system and the Mobile App with real-time shoot info and the bonus of never paying for SOS Pre-squadding at SOS Clubs.

A shooter can squad themselves and their squad mates if they like. Posts reserved for a SOS Premium Shooter are reserved at no cost, posts reserved for a regular shooter are reserved at \$2 per post reserved. Whoever is doing the squadding will check out and need to pay for the regular shooter's posts. If you squad has all premium shooters, you can squad them all and not pay anything at checkout.

There is a non-refundable service charge of \$2.00 per position, per event and must be paid online at SOSClays.com at the time of squadding. Upon checkout at SOSClays.com, a receipt showing your squads and positions for the shoot, will be emailed to you.

Once at the shoot, a shooter wishing to switch positions with another shooter must have both ATA numbers and present them to a point-of-sale cashier.

SHOOTERS DESIRING TO CHANGE SQUADS AND/OR POSITIONS IN AN EVENT MUST RELINQUISH THE POSITION THEY ARE HOLDING BEFORE BEING ELIGIBLE TO REQUEST A NEW POSITION.

Squadding selections have maximums. Use the following to determine the event's maximum number of squads.

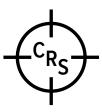

Event #1 less than 24	Event #2 less than 24	Event #3 less than 24
Event #4 less than 36	Event #5 less than 36	Event #6 less than 24
Event #7 less than 48	Event #8 less than 48	Event #9 less than 36
Event #10 less than 60	Event #11 less than 48	Event #12 less than 48

All singles and handicap events will be 50 targets per trap, two traps per bank. All squadding will be done counting all 12 banks everyday however, squad availability will be at the discretion of shoot management, and individual squad numbers may not always be available.

All Doubles events will be shot 100 targets per trap utilizing 12 traps for all doubles events. All squadding will be done counting all 12 traps everyday however, squad availability will be at the discretion of shoot management, and individual squad numbers may not always be available.
