2026 PRESIDENT

Joe Sissano
Eastern Zone
Leonardo, NJ

Well, this will be the last time I'll be greeting you in one of the Satellite Grand Programs. It has been fun writing them for the ATA. They bring back fond memories that I have experienced going to each one of them, and hopefully, you shooters reading them do also. For the shooters that haven't had the opportunity to attend a Satellite Grand, put one on your bucket list, so you too may experience the "Grand" experience.

This will be the 23rd Annual Autumn Grand at the Tucson Trap & Skeet Club. I traveled out to the Autumn Grand back in November 2017. The weather this time of year is superb for trapshooting, and the chance of snow is remote!

Again, this year, Greg Pink's SOS Clays Cashiering Software will be used, and the SOS Clays Presquadding Software will allow you to pick out the time of day you'd like to shoot. Greg will also be holding the "Silver Shootout" following the day's events, on certain handicap events you will see here in the Program. They are fun to watch and participate in and very lucrative to the winner!

Food is available to the shooters in the clubhouse, and of course the ice cream vendor is on the grounds. For those out there that enjoys a good "bread pudding" you must go to Vivace Restaurant, in the Catalina Foothills. The dessert is fabulous!

Wishing all of you the best weather and target count during the shoot!

A handwritten signature in black ink that reads 'Joe Sissano'. The signature is stylized with a large, looping 'J' and 'S'.

ADVANCE RESERVED SQUADDING AND PRE-CASHIERING

Pre-squadding will be available September 12, 2026 at 11:00 am PST. The website for reservations will be sosclays.com. The website will charge \$2.00 per person per event, or purchase of the SOS Clays premium app will allow free pre-squad.

1. All pre-squad positions for all events each day will be held until 30 minutes prior to the first event of that day. After that time, pre-squadded positions not yet cashiered for that day will be canceled and opened to all shooters. All pre-cashier monies are refundable for any reason until November 3, 2026, at which time they will become non-refundable.
2. Pre-cashiering forms will be available by downloading them from tucsontrapandskeet.com, or requesting the forms from the club. This simple form will have assigned squad/position and is to be filled out and returned along with entry fees and daily fees to avoid cashiering at the tournament. If only one address is supplied it is the addressee's responsibility to distribute the forms to the other squad members. Please note that pre-cashiering does not preclude you from bypassing the classification table prior to shooting.
3. To pre-cashier your reserved entry or your first day's events, return the form with payment for the events noted on the pre-cashier form plus daily fees. If you elect to enter options, please clearly mark those desired and add the amounts. Your pre-cashiered entry will be rejected if payment is insufficient. At the club's option, overpayments will be refunded at the tournament or mailed to the address on the request form.
4. Refund Policy: Target and option money will be refundable until November 3, 2026 at which time it will become non-refundable. Pre-squadding fees are non-refundable.
5. After you have been classified, squadded, and cashiered, you may pick up your receipt. The receipt will have your classification printed. Please check to see that it is correct. All pre-tournament cashiered entries are considered as your initial entry. Your entry is only valid if you have been classified. Subsequent changes to squads, positions and withdrawals are subject to the assigned fees per the program. All such changes will be processed only during regular hours at the tournament. The Club reserves the right to cancel or reject, without refund, any or all multiple requests for reservations.

Martin Lewis Challenge

LeeAnn, WD, and Denton Martin want to continue the Multiple Event Martin Lewis Challenge. All shooters should thank them for the \$20,000 donation to the Autumn Grand at Tucson Trap and Skeet Club. Their support and contributions during the last 20 years have provided shooters a world class trapshooting venue.

The “Martin Lewis Challenge” will be a multiple event Lewis purse available on the following High Over All program events:

The High Over All Lewis (1100 Targets - \$5,000 added)
Multiple Singles Lewis (400 Targets - \$5,000 added)
Multiple Handicap Lewis (400 Targets - \$5,000 added)
Multiple Doubles Lewis (300 Targets- \$5,000 added)

Shooters can enter all four multiple Lewis purses or just the individual HOA, Singles, Handicap, or Doubles Lewis options. The Multiple Lewis Options must be played on the first entry in Singles (Event #15), Handicap (Event #16), and Doubles (Event #17). The High Over All Multiple Lewis (Event #15, Singles) must be entered during sign up for the first event included in the HOA.

ENTRY AND SHOOTING PROCEDURE

1. Take your average card to the classification/handicap table immediately upon arrival. Be sure your classification, handicap yardage and special category such as Lady I, Lady II, Sub-Junior, Junior, Junior Gold, Sub-Veteran, Veteran, and Senior Veteran is entered into the computer by a member of the Handicap Committee before you leave the table. It shall be the shooters responsibility to inform the Handicap Committee as to his or her category. Once a category declaration has been made, any changes will be to correct an ATA classification error and will be at the discretion of the Handicap Committee (see rule IV.K).
2. Once classified, proceed to the cashier window for entry and reservations. Pre-cashiered shooters should pick up their completed entry receipts and verify data before the start of the first event you have entered. The cashier window will be open at 8:00 am to 2:00 pm daily.
3. All pre-squad positions for all events each day will be held until 30 minutes prior to the first event of that day. After that time, pre-squadded positions not yet cashiered for that day will be canceled and opened to all shooters. All pre-cashier monies are refundable for any reason until November 3, 2026, at which time they will become non-refundable.
4. The cashiers will not accept counter checks or second party checks. Checks are accepted in the amount of shooting fees only - no exceptions. All entries must be made in U.S. funds.
5. No shooter will be allowed to make up more than 50 targets on the practice traps if he/she has missed the squad. If you are unable to join your squad before they have started their second trap, you must be re-squadded. All make-ups for missed squads or gun repairs report to the practice trap area within 15 minutes of when the last squad takes the line for that event.
6. By entering the competition every person agrees to accept all official decisions and to abide by ATA rules.
7. Be ready to shoot. Squads will not wait for tardy members. If you miss your squad, report to the office and be re-squadded on a later squad. If no squad is available, a shooter forfeits all entry and option money.
8. In case of a gun breakdown, a shooter will be allowed five (5) minutes for repair or replacement.
9. Please check your score before leaving each post. The squad captain (#1 shooter) will total the score after each sub event and initial the score sheet before leaving the trap. Errors made in totaling shall be corrected whenever discovered. All changes will be made in strict accordance with ATA rules.
10. All information needed to award trophies, award monies, and file ATA shoot reports is taken from the score sheets, so be sure all information is correct.
11. The use of transportation vehicles, such as motorized carts and motorbikes, with the exception of wheelchairs or other means of transportation for truly handicapped persons, will not be permitted on the sidewalks or immediate area at any time for any purpose. The sole exception to this rule will be utilization of motorized carts by shoot management. Shoot management will minimize the use of motorized carts whenever possible and ensure the use of above vehicles is enforced.

RULES & REGULATIONS

1. If your score is high in your class for any singles or doubles events, or you earn yardage in any handicap event, it shall be your responsibility to report to the handicap desk to have your class reviewed or yardage increased. Automatic class advances are dependent on high score and NOT class trophy wins. Non-category (Open) class high score will automatically advance at least one class for the next like event. ANY score that equals or exceeds "Open" class high score, regardless of category, shall also be advanced at least one class in the next like event.
2. Any shooter failing to carry out rule 1 above or who shoots in a class or from a yardage other than assigned will be subject to disqualification and will not be eligible to share in any money division or be eligible for trophies.
3. A shooter may not win more than one ATA trophy in the same event.
4. At all tournaments where All-American points will be awarded, in any event, Shooters may declare only one (1) Category (i.e., Lady 1, Lady 2, Sub-Junior, Junior, Junior Gold, Sub-Veteran, Veteran, Senior Veteran or Wheel Chair-Shooter).
Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the Championship trophy shoot-off/carry-over and has declared a Special Category, at classification, the shooter will fall back to his/her declared Category.
Any shooter who has declared a Special Category at Classification and whose score qualifies him/her for any trophy in his/her declared Category will compete for the Category trophy and not for place, class or yardage group.
Any Category shooter whose score doesn't qualify for a trophy in his/her Category may compete for place, class or yardage group.
5. Refund Policy: Target money will not be refunded once cashiered. Option money can be refunded until the start of the event at which time it becomes non-refundable. Pre-cashiered money is refundable for any reason until November 3, 2026 at which time it becomes non-refundable.
6. The target setting committee shall set targets each morning or during event changes based on predicted weather conditions and in accordance with ATA rules. Once targets have been set, only field supervisors have authority to change them. Target speed will be set by a radar gun and will be maintained uniformly on all traps. Changes will be made only if targets have become illegal or vary appreciably from original setting.
7. The management shall appoint a judge or judges to be called upon as the occasion arises. The scorer must call upon a judge to settle any controversy regarding a score or when the scorer has made an error by being ahead or behind in scoring.

SHOOT-OFFS

All ties in Singles and Doubles events will carry over to the next HOA event. Ties for all trophies in all Handicap events shall be shoot off daily. Shooters will receive three five minute calls for shootoffs. No response, shooter will forfeit.

CLASSIFICATION & HANDICAP

TO AVOID THE PENALTY CLASS/YARDAGE DESCRIBED BELOW, ALL TARGET REQUIREMENTS MUST BE MET BY THE END OF THE DAY MONDAY, NOVEMBER 9 AND BEFORE ENTRY INTO EVENT #15. PLEASE RETURN TO THE CLASSIFICATION DESK TO BE RECLASSIFIED.

Shooters who do not have a total of 1,000 16-yard targets registered with the ATA in the current and previous two target years will be advanced at least one class or more at the discretion of the classification committee. Shooters without an established average shall be placed in class B or higher at the discretion of the classification committee.

Shooters who do not have a total of 1,000 Doubles targets registered with the ATA in the current and previous two target years will be advanced at least one class or more at the discretion of the classification committee. Shooters without an established average shall be placed in class B or higher at the discretion of the classification committee.

Shooters who do not have a total of 1,000 Handicap targets registered with the ATA in the current and two previous target years will be assigned to penalty 23 yard line or the regular Handicap yardage, whichever is greater. The minimum penalty yardage for all participants shall be 23 yards, with the exception of shooters age 70 and over, for which there will be no penalty yardage. Any participant who fails to meet the minimum handicap target requirements as described will be allowed the choice of shooting "Targets Only" from their assigned yardage provided they waive and forfeit all rights to options, purses, added money and trophies including HOA and HAA trophies. The decision to shoot "Targets Only" must be made at initial classification and is not revocable.

Shooters are required to have their 16-yard and Doubles averages computed for use by the Handicap Committee. Any shooter holding a card of another association will be classified at the yardage and class which is the greatest of these cards. Proud Charity
of Choice:

The Kids & Clays Foundation schedules and coordinates shooting events to support participating Ronald McDonald House Charity Chapters. Our events form a special relationship between the restaurant, auto, and outdoor industries all for the common goal of helping critically ill children and their families at a time when they need it the most! Kids & Clays is unique in our partnership with the shooting industry. Together we introduce non-shooters to the fun of shooting sports participation and also to how much those sports contribute to wildlife conservation, the national economy and, in our case, to fundraising efforts for our charity of choice.

- Kids & Clays has generated over \$49,000,000 net revenue through clay target charity shoots with proceeds benefiting Ronald McDonald Houses. Over 5,200,000 raised in 2025!
- Please help us continue the support by making a tax deductible contribution today by visiting www.kidsandclays.com or scan the QR code to visit the website.
