2026 PRESIDENT

Joe Sissano
Eastern Zone
Leonardo, NJ

Welcome to the 28th Annual Dixie Grand American being held at the North Carolina ATA Home Grounds in Bostic.

I was able to attend the inaugural Dixie Grand held at the Forest City Gun Club in Savannah, Georgia, back in 1999, seems like only yesterday. The weather was just great throughout the shoot. Returning to New Jersey, I told all my friends about the exciting time and great weather, a few of my friends went the following year to wind, rain, and unseasonably cool temperatures! Sorry, trapshooting is an outdoor sport!

The Dixie Grand then moved to the Silver Dollar Club in Odessa, Florida for a good number of years, then on to Bostic in 2017, where it now resides. Since attending the shoot at Bostic in 2017 additional traps and improvements to trailer accommodation at the facility have occurred. If you like sitting on a rocking chair, this is the place! There must be at least 20 of them spread across the front of the clubhouse overlooking the trap fields.

Bob Schultz reports that lunch is available in the Clubhouse, and a "Miss & Out" will be held on Thursday night, with a \$10 fee and there are allowed two \$5 buybacks. All the proceeds from the event will go to the trap help. The winner has the choice of shells or money.

Bob mentioned that there are plenty of reasonable hotels in Forrest City, which is only 15 minutes from the club. For those interested in sightseeing, Chimney Rock is a short drive, and the Biltmore House is about 75 minutes away.

Greg Pink's SOS Clays software will be used to cashier the shoot and SOS Clays Presquadding Software is available for you to pick the time of day you'd like to start shooting. Greg's "Silver Shoot Out" will be available on certain handicap events.

So, put the Dixie Grand on your shooting calendar.

A handwritten signature in black ink that reads "Joe Sissano". The signature is fluid and cursive, with the first name "Joe" being more prominent.

ENTRY & SHOOTING PROCEDURE

1. Take your average card to the classification desk. Do not attempt to make your program entries before doing so.
2. **BE SURE YOUR AVERAGE CARD IS UP TO DATE.** Be sure your classification and handicap yardage are marked plainly by a member of the Handicap Committee before you leave the table. It is your responsibility to know the rules. You are subject to penalties for shooting in the wrong classification or at the wrong yardage, even if your card is so marked.
3. It is the **RESPONSIBILITY** of category shooters to see that they are so marked at the time they are classified/handicapped. If your special category does not appear on the bulletin sheet, report the omission at the cashier's office before entering competition.
4. The use of paper entry cards has been eliminated. Please be sure to have your ATA plastic card when you are at the entry windows. You will not be able to enter any events without your plastic card.
5. Squads will be rotated to different fields for each 100 of any 200 target event.
6. If you draw squad positions that will not be used for an event, please see squadding personnel or the cashier to release your position. Releasing your position allows us to fill holes in open squads, making this tournament more enjoyable for all shooters. **A shooter may not draw more than one (1) position per event.**
7. You will input your entries, including options, at the cashier windows. Upon paying your entry fees, you will be supplied with a receipt showing your squad and position along with your class/yardage, options, and applicable categories for each event entered. Once you leave the cashier window, your entry cannot be changed for options or squadding.
8. The cashier will accept no counter checks, or secondary party checks and the only type of cash or check accepted will be U.S. funds. Checks will be accepted for the amount of shooting fees only - No Exceptions.
9. All entries are final. No additions or withdrawals permitted on purses and options. Classification and Squadding/Cashiering will open Monday, October 5, 1:30 PM to 5:00 PM. Open Tuesday through Saturday, 7:30 AM to 4:00 PM and Sunday, 7:30 AM to 11:00 AM.

RULES & REGULATIONS

1. **CLASS WINNERS (BUMPS)**

Should you win or tie for high in a class in any 16 yard (Singles) or Doubles event or earn yardage in any Handicap event,

- It shall be **YOUR** responsibility to report to the handicap desk and have your yardage increased or classification reviewed.
- In Events #4, #5, #6, and #8, all shooters (regardless of category) with scores that equal or exceed the score of the class champion will be advanced starting with the next like event. In all events that include class advances, all shooters, (regardless of category) with scores that equal or exceed the score of the class champion will be advanced starting with the next like event.
- Any shooter whose class or yardage is changed for any reason shall be considered to be notified when the new class or yardage is posted on the bulletin board.

2. Any shooter failing to carry out rule 1, above or who shoots in an incorrect class, or from a yardage higher or lower than that assigned by the Handicap Committee, will be subject to disqualification and will not be eligible to share in any money division or be eligible for trophies.

CATEGORY SHOOTERS

At all tournaments where All-American points will be awarded in any event, shooters may declare only one special category. Note: Wheel Chair shooters are exempt from this rule.

Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship trophy shoot-off/carry-over and has declared a special category at the time of classification, the shooter must fall back to the declared category.

Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group.

Any special category shooter, whose score does not qualify for a trophy in his/her category, may compete for place, class or yardage group trophies.

3. All Lady I, Lady II, Sub-Juniors, Juniors, Junior Golds, Sub-Vets, Veterans, and Senior-Vets must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. **Without such declaration, the contestant will NOT be allowed to compete for the applicable category trophy.** No contestant will be allowed to declare or change a special declaration after firing his/her first shot. The only exception to this rule will be to correct an ATA classification error. Failure to declare your classification does not constitute an ATA classification error. Please check your classification receipt before leaving the classification table.

4. Each shooter who is entitled to receive money won during any event agrees that if such money is not received by him/her during the period of this tournament, a check in payment for the money won may be mailed to him at the address indicated by ATA records, and when so mailed, the club will not be liable in any manner whatsoever for any check lost, stolen, unclaimed, or otherwise not received by the shooter.
5. Management will not be responsible for errors in scores after the options have been posted. Shooters should use the electronic bulletin board and the score board to check their scores to notify shoot management immediately if a discrepancy is noticed. **SCORES BECOME FINAL 1 HOUR AFTER THE CONCLUSION OF THE EVENT.**
6. All targets shot on Tuesday, October 6 and Wednesday, October 7 may be applied toward the below target requirements. If target requirement is met, you must immediately return to the Handicap Desk and be re-classified. If requirements are not met, you will remain shooting assigned yardage and/or assigned classification. No targets will be credited for target minimums starting on Thursday, October 8.
7. Shooters who do not have a total of 1,000 16-yard targets registered with the ATA in the current and previous target year will be advanced at least one class at the discretion of the Classification Committee. Shooters without an established average shall be placed in class B or higher at the discretion of the classification committee.
8. Shooters who do not have a total of 1,000 Doubles targets registered with the ATA in the current and previous target year will be advanced at least one class at the discretion of the Classification Committee. Shooters without an established average shall be placed in class B or higher at the discretion of the Classification Committee.
9. Shooters who do not have a total of 1,000 Handicap targets registered with the ATA in the current and previous target year will be assigned to the 23 yard line or their regular handicap yardage, whichever is greater. The minimum penalty yardage for all participants shall be 23 yards, with the exception of shooters age 70 and over, for which there will be no penalty yardage. Known ability may also be applied by the Handicap Committee. Any participant who fails to meet the minimum Handicap target requirements as described will be allowed the choice of shooting "Targets Only" from their assigned yardage provided they waive and forfeit all rights to options, purses, added money and trophies including HOA and HAA trophies.
10. In an effort to avoid unused positions, it is imperative that you either cashier or release all positions that you have squadded for prior to the event. **Pre-squad positions will be held for all events each day until 30 minutes prior to the start of the first event of that day. After that time, management reserves the right to open positions for that day.**

*Proud Charity
of Choice:*

The Kids & Clays Foundation schedules and coordinates shooting events to support participating Ronald McDonald House Charity Chapters. Our events form a special relationship between the restaurant, auto, and outdoor industries all for the common goal of helping critically ill children and their families at a time when they need it the most! Kids & Clays is unique in our partnership with the shooting industry. Together we introduce non-shooters to the fun of shooting sports participation and also to how much those sports contribute to wildlife conservation, the national economy and, in our case, to fundraising efforts for our charity of choice.

- Kids & Clays has generated over \$49,000,000 net revenue through clay target charity shoots with proceeds benefiting Ronald McDonald Houses. Over 5,200,000 raised in 2025!
