2026 PRESIDENT

Joe Sissano
Eastern Zone
Leonardo, NJ

It's my pleasure to welcome you to the 19th Heartland Grand, at the Stockdale Gun Club, in Ackley, Iowa. The true Heartland of America,

Each year Dale, Matt, and the whole Heartland Staff is returning to make your target shooting experience most memorable, starting with the trapline, target presentation, the background, and solitude of the venue.

Each night food is on hand for the shooters and guests to enjoy.

Sandra's Shooting Services and Greg Pink of SOS Clays will be cashiering the shoot, and SOS Clay's presquad software is available for those not interested in standing in line, to squad each morning. Dale reported to me the following activities:

- "Silver Shootout"
- "White Flyer Wods Shoot" [Wobble, Osculating, Doubles, Singles]
- "Pat's Auto Big TV, miss & out"
- "Fast Eddie Slider"
- "National Pumpin Doubles"
- "Wobble"

will be available following the ATA's Satellite events during the shoot. All the extra events have generated great shootoff competitions at many of the other Satellite & State Shoots during the target year.

So, please add this shoot, to close out your 2026 ATA target year.

I hope to see you there this year.

RULES AND REGULATIONS

1) Should you win or tie for high in a class in any 16 yard or doubles event or earn yardage in any handicap event, it shall be your responsibility to report to the handicap desk and have your yardage increased or classification reviewed. Shooters winning or tying for high in class beginning in event #7 and #9 will be advanced at least one class for the next like event. Any shooter whose class or yardage is changed for any reason shall be considered to be notified when the new class or yardage is posted on the bulletin board. In all events that include class advances all shooters (regardless of category) with scores that equal or exceed the score of the class champion will be advanced starting with the next like event.

2) Any shooter failing to carry out rule 1 above or who shoots in an incorrect class or from a yardage higher or lower than that assigned by the handicap committee will be subject to disqualification and will not be eligible to share in any money division or be eligible for trophies.

3) A shooter may not win more than one trophy in the same event. If a shooter's score qualifies for more than one trophy, the shooter must notify the shoot management which trophy they desire to take or shoot-off for. Failure of the shooter to make notification within 15 minutes of that event's last scores being posted imposes on shoot management the duty to make the determination for the shooter. Concurrent special awards are exempt from this rule. Ties for all trophies in all handicap events shall be shot off daily.

4) At all tournaments where All American points will be awarded, in any event, Shooters may declare only one (1) Category (i.e., Lady I, Lady II, Junior Gold, Junior, Sub-Junior, Sub Veteran, Veteran, Senior Veteran). Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the Championship trophy shoot-off/carry-over and has declared a Special Category, at classification, the shooter will fall back to his/her declared category. Any shooter who has declared a Special Category at Classification and whose score qualifies him/her for any trophy in his/her declared Category will compete for the Category trophy and not for place, class or yardage group. Any Category shooter whose score doesn't qualify for a trophy in his/her Category may compete for place, class or yardage group.

5) Rule 3 above does not affect the right of all eligible shooters from shooting off for event champion or place trophies. A special category shooter may enter into a shoot off for event champion only and if unsuccessful fall back to special category.

6) Any special category declaration is to be made at the time you are classified. For purposes of special category declaration the time of entry is when you are classified. Report special category omission on the bulletin sheets to the cashier's office.

7) Each shooter who is entitled to receive money won during any event agrees that a check in payment for the money won may be mailed to him/her at the address indicated by ATA records, and when so mailed, the club will not be liable in any manner whatsoever for any check lost, stolen, unclaimed or otherwise not received by the shooter.

8) Management will not be responsible for errors after the options have been posted. Shooter should check their receipt, electronic bulletin board, and the paper score board to check their category class yardage and scores. Notify shoot management immediately if a discrepancy is discovered. **Errors will be corrected upon discovery.**

9) Shooters who do not have a total of 1,000 16-yard targets registered with the ATA in the previous and current target year (September 1, 2025 to the day the HOA starts) will be advanced at least one class at the discretion of the Classification Committee. Shooters without an established average will be placed in Class B or higher at the discretion of the Classification Committee.

10) Shooters who do not have a total of 1,000 Doubles targets registered with the ATA in the previous and current target year (September 1, 2025 to the day the HOA starts) will be advanced at least one class at the discretion of the Classification Committee. Shooters without an established average will be placed in Class B or higher at the discretion of the Classification Committee.

11) Assigned yardage applies during this tournament. Shooters who do not have a total of 1000 Handicap targets registered with the ATA in the previous and current target year (September 1, 2025 to the day the HOA starts) will be assigned to the 23 yard line or their regular handicap yardage, whichever is greater. The minimum penalty yardage for all participants shall be 23 yards, with the exception of shooters age 70 and over, for which there will be no penalty. Known ability may also be applied by the handicap committee. Shooters who fail to meet the minimum handicap target requirements as described above may shoot "Targets only" from their assigned ATA yardage provided they waive and forfeit all rights to options, purses, added money and trophies including HOA and HAA trophies.

12) All targets shot on Monday, August 17 and Tuesday, August 18 may be applied toward above target requirements. If target requirement is met, you must immediately return to the Handicap Desk and be re-classified. If requirements are not met, you will remain shooting assigned yardage and/or assigned classification. There will be no bump of classes on Monday or Tuesday.

13) In an effort to avoid unused positions, it is imperative that you either cashier or release all positions that you have squadded for prior to the event. **Anyone that does not cashier or release positions that have been squadded in their name will risk having any or all subsequent squadded positions in their name released by management.** You may call the sign up building at (620) 546-3519 if you can not make it to the club in time and have your position released.

14) Shooters must present their ATA numbers to pre-squad and have all the shooters yardages of the posts that are being reserved.

15) **NO CARTS ALLOWED ON THE SIDEWALK NORTH OF THE SIGN UP BUILDING OR NORTH OF THE BRICK CLUB HOUSE.** The use of transportation vehicles, such as motorized carts and motorbikes, with the exception of wheelchairs, or other means of transportation for truly handicapped persons, will not be permitted on the sidewalks or immediate area at any time for any purpose. The sole exception to this rule will be utilization of golf carts by shoot management. Shoot management will minimize the use of golf carts whenever possible and ensure that use of above vehicles is enforced.

16) Dogs must be leashed during shooting hours. Pets must be attached to one end of the leash and the other end of the leash attached to a fixed object or human.

Proud Charity
of Choice:

The Kids & Clays Foundation schedules and coordinates shooting events to support participating Ronald McDonald House Charity Chapters. Our events form a special relationship between the restaurant, auto, and outdoor industries all for the common goal of helping critically ill children and their families at a time when they need it the most! Kids & Clays is unique in our partnership with the shooting industry. Together we introduce non-shooters to the fun of shooting sports participation and also to how much those sports contribute to wildlife conservation, the national economy and, in our case, to fundraising efforts for our charity of choice.

- Kids & Clays has generated over \$49,000,000 net revenue through clay target charity shoots with proceeds benefiting Ronald McDonald Houses. Over 5,200,000 raised in 2025!
- Please help us continue the support by making a tax deductible contribution today by visiting www.kidsandclays.com or scan the QR code to visit the website.

ATA 100 OR 200 STRAIGHT PINS

Shooters breaking 100 or 200 straight without carry-over will be awarded a Heartland Grand 100 or 200 straight pin, and only one such pin will be awarded to each individual. Stockdale Gun Club offers nice 100 & 200 straight singles pin as well as a 100 straight doubles pin that may be picked up at the sign up building cashiering window.

Advance full payment is required and spaces will be allocated on a "first received" basis.

ATA GUN CLUB FUND LEWIS

Events 15 and 18

Deserving gun clubs nationwide have benefited from the ATA Gun Club Fund for the past several years. These funds must be used to improve the facilities and programs at clubs and recipients are determined by the

Executive Committee each year at the Grand American. Half of your \$20 entry into the Gun Club Lewis option will be placed in the fund and the other half will be paid out in three Lewis Divisions, 1 money each. Remainder is a tax deductible donation to the ATA.

ATA HALL OF FAME CONTRIBUTOR PURSE AND AWARD

EVENT 21

The \$20 fee for this award is a 50% tax-deductible donation to the Hall of Fame. This donation provides support to our museum and o the many worthy projects undertaken by the Hall of Fame. All donors will qualify for the Hall of Fame Award. Your entry card shows this contribution and is your receipt. The Hall of Fame will retain 50% of the donation while the remainder will constitute the portion to be awarded. Monies will be paid out in three Lewis Classes, 60/40 high gun in each class. The high score in the event will receive a custom engraved plaque.

NOTE: Any ties will be resolved at the shoot managers' discretion.

**Drawing for a
SUB-JUNIOR CONTESTANT
participating at the Heartland Grand
will be held during
Saturday, August 22nd
200 Singles Championship**

Life Membership

This ATA Life Membership drawing is being provided by Ben Brush, South Haven, MI.

Years ago, a young Sub-Junior shooter stood where you are today. Thanks to the generosity of Bill Hunter, Ben won an ATA Life Membership that shaped his shooting journey for a lifetime.

Ben is ready to pay it forward. To honor the gift that started it all, he is personally donating an ATA Life Membership to one lucky Sub-Junior shooter right here at this year's Heartland Grand.

This is your chance to secure your lifetime place in the ATA community, fueled by the sportsmanship of those who shot before you.

BANK SWAP

SATURDAY 200 SINGLES

The first 100 Singles shoot on assigned banks then the second 100 singles will be shot on different assigned banks. Squadding assignment sheets that are printed in **BLACK** will reflect where first 100 singles are shot. The second squadding assignment sheets printed in **RED** will reflect where the second 100 singles squads will be assigned to. Both squadding sheets are posted in the usual displayed locations.

Pre-squadding

SOS Clays is the pre-squad company for the Heartland Grand. Greg Pink is the owner of SOS Clays and has developed a pre-squad feature that ties in directly to our software system at the Heartland Grand. Please go to the SOS Clays site (<https://app.sosclays.com>), create a free account and pre-squad as you have in prior years for \$2.00 per post per person.

Or, SOS Clays offers a mobile app for your phones and tablets that provides free pre-squad, real-time info about your squad, OnDeck status, live scores and option reports. It is part of their Premium Membership for \$60 per year. The app membership is 365 days from date of purchase. The big bonus is that it also gets you free pre-squadding. If you pre-squad for even a few shoots the \$60.00 app fee is basically free, it really makes buying the app a "No Brainer"! We look forward to providing you with a Successful and Enjoyable balance of the 2026 Shooting Season and into 2027.

Pre-squadding will begin July 1, 2026, 7:00PM and will close Friday, August 14, 2026, 7:00PM.

All pre-squad positions for all events each day will be held until 30 minutes prior to the first event of that day. After that time, pre-squadded positions not yet cashiered for that day will be canceled and opened to all shooters. All pre-cashier monies are refundable for any reason until August 14, 2026, at which time they become non-refundable.
