2026 PRESIDENT

Joe Sissano
Eastern Zone
Leonardo, NJ

Welcome to the 41st Northeastern Grand, the first Satellite Grand of the 2027 ATA Target Year, which is hosted by the New York State Trapshooting Association, at their Home Grounds, and the Bridgeport Rod & Gun Club in Bridgeport, NY. The shoot will start a day earlier this year. It will start on Tuesday September 8th, 2026.

Late summer and Labor Day weekend bring beautiful scenery to New York's Finger Lakes Region.

I've been attending this shoot since its inception, in 1985. Over the course of 41-one years the landscape has changed with the addition of campsites, the background on the Home Grounds property is almost all filled in, shade structures have been added, and the removal of the original split rail fence several years ago opened the grounds immensely. There are 24-program trap fields, plus practice traps.

Don Rada will be cashiering again this year. Greg Pink's SOS Clays Cashiering Software will be used again this year, The SOS Clays Presquad Software will also be available for those shooters who like to compete at a certain time of day, bank, or choose not to stand online each morning.

Greg Pink's "Silver Shootout" will be available again this year for certain handicap events following the days competition. It has become a real crowd pleaser for the contestants, friends, and relatives watching and cheering them on to victory.

Association President, Robert Oswald, told me both kitchens would be open for the shooters. He also mentioned that the "Bullet Guy" store, will be donating two shotguns and the State Association a third one, and they will be raffled off during the shoot. The money raised will be used for grounds and machine improvements for NYSATA.

So, get out your 2027 ATA shoot schedule and add the Northeastern Grand to it.

A stylized, handwritten signature in black ink that reads "Joe Sissano". The signature is fluid and cursive, with the first name "Joe" being more prominent.

ENTRY AND SHOOTING PROCEDURE

HAVE YOUR ATA PLASTIC CARD READY FOR ALL PROCEDURES

- 1) Take your ATA card to the classification table immediately upon arrival. Do not attempt to make your program entries before doing so.
- 2) Be sure to check your classification receipt to see that your class, Handicap yardage and special category are properly indicated. It is your responsibility to know the rules. You are subject to disqualification for shooting from the wrong yardage or in an improper class - even if your receipt is so marked.
- 3) All Junior and Sub-Juniors, regardless of residence may shoot for \$23.00 per 100 targets, provided no money or options are played. Once an entry is made for either half price or full price targets it will not be changed. NYS Law requires all Sub-Junior shooters to be a minimum of 12 years old. Pricing subject to change based on event target pricing.
- 4) Get your entry cards and take them to the cashier window.
- 5) Do not draw entry cards and hold them until shortly before an event begins. Your cooperation will save time and make things more pleasant for all.
- 6) No counter checks or second party checks will be accepted by the cashier. Checks will be accepted for the amount of shooting fees only - No Exceptions. All entries must be made in U.S. funds. No Canadian checks will be accepted.
- 7) All entries are final. No additions or withdrawals permitted on purse or options.
- 8) Squads will be rotated to different fields for each 100 of any 200 target event.

NOTICES

SOLICITING- No soliciting, selling chances or similar activities will be allowed on the grounds, nor shall any literature of any kind be distributed on the grounds without prior written approval of the ATA and Club.

BANKS- Banks are not rotated. Squad 1 will start on Bank 1. Each bank will have a limited number of squads assigned to it. When a bank is full, it is FULL. Additional squads will only be opened by shoot management, when it is determined that available squads have been filled. Shooters who prefer a specific bank, squad, or shooting time are urged to pre-squad using sosclays.com or the entry sheet in the back of the program. All available squads for each bank will be opened for each event. Pre-squad early for the best selection. Host shall honor and hold all pre-squad positions for all events each day until 30 minutes prior to the start of the first event of that day. Additional squads will be reserved on Bank #2 for our chair shooters. These will be posted on our website with reservation instructions. There will be a \$10.00 re-squadding fee for all who re-squad after the bank assignments have been posted for the day. Targets shall be reset only after a member of the shoot committee or the target setting committee has come to the trap to review the targets.

PLEASE NOTE- If you wish to save your empties, please transfer them from your gun to your pouch. Picking up hulls from the ground is a nuisance to the other shooters and will not be tolerated at any time.

RULES AND REGULATIONS

- 1) Should you win or tie for high in class in any 16-yard or Doubles event or earn yardage in any Handicap event, it shall be your duty to report to the Handicap Desk and have your classification reviewed or yardage punched. Any shooter whose class or yardage is changed for any reason shall be considered to have been notified when the new class or yardage is posted on the bulletin board. Mandatory class advance starts with Event #7. In all events that include class advances, all shooters (regardless of category) with scores that equal or exceed the high score of the class will be advanced starting with the next like event.
- 2) Any shooter failing to carry out rule one, or who shoots in a class or from a yardage higher or lower than that assigned by the Classification Committee, will be subject to penalty and will not be eligible to share in any money division or be eligible for trophies.

CATEGORY SHOOTERS

- 3) At all tournaments where All-American points will be awarded in any event, shooters may declare only one category (i.e. Lady I, Lady II, Sub-Junior, Junior, Junior Gold, Sub Veteran, Veteran, Sr. Veteran) Note: Wheel Chair shooters are exempt from this rule.
 - Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship shoot-off/carry-over and has declared a special category at the time of classification, the shooter must fall back to the declared category.
 - Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category will compete for the category trophy and not for place, class, or yardage group.
 - Any special category shooter, whose score does not qualify for a trophy in his/her category, may compete for place, class, or yardage group trophies.
 - Once any Category declarations have been made, any changes will be at the discretion of the Handicap Committee and only to correct an ATA classification error (see rule IV.K).
 - All Lady I, Lady II, Sub-Junior, Junior, Junior Gold, Sub Veteran, Veteran, Sr. Veteran shooters must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy for the duration of the tournament.
- 4) Each shooter who is entitled to receive money won during any event agrees that if such money is not received by him during the period of this tournament, a check in payment for the money won may be mailed to him at the address indicated by ATA records. And, when so mailed the Club will not be liable in any manner whatsoever for any check lost, stolen or otherwise not received by the shooter. **NO ENTRIES REFUNDED UNLESS EVENT IS CANCELLED.**
- 5) All target requirements must be met before the start of events on September 10, the first day of the tournament. Shooters who do not have a total of 1,000 16-yard targets registered with the ATA in the current and previous two target years combined will be advanced at least one class at the discretion of the Classification Committee. Shooters without an established average will be placed in Class A or higher at the discretion of the Classification Committee.
- 6) Shooters who do not have a total of 1,000 Doubles targets registered with the ATA in the current and previous two target years combined will be advanced at least one class at the discretion of the Classification Committee. Shooters without an established average will be placed in Class A or higher at the discretion of the Classification Committee.
- 7) Assigned yardage applies during this tournament. Shooters who do not have a total of 1,000 Handicap targets registered with the ATA in the current and previous two target years combined will be assigned to the 23 yard line or their regular handicap yardage, whichever is greater. There will be no penalty yardage for shooters age 70 and over. Known ability may also be applied by the Handicap Committee. Shooters who fail to meet the minimum handicap target requirements as described above may shoot "Targets only" from their assigned ATA yardage provided they waive and forfeit all rights to options, purses, added money and trophies including HOA and HAA trophies.

GENERAL INFORMATION

Shooters must check in with the squad hustlers prior to shooting, and any shooter not on the firing line when his or her squad is ready to shoot will be scratched and must report to classification for re-squadding. **No one will be called to the line. Squad will wait one minute before starting.**

Make-Ups: A maximum of 50 targets can be made up per event. If you miss your squad for more than 50 targets, you must be re-squadded. Shooters needing a make-up will report to the practice trap immediately and check in with the attendant.

It is the shooter's responsibility to check the bulletin sheets to make sure his/her options, scores and totals are posted correctly before leaving the grounds. Also, one is required to make sure all sub-events are posted accurately for totals and sequence. If errors are found it is their responsibility to notify scoreboard personnel at once. The cashier will wait 20 minutes after the last bulletin sheet is posted to figure the options. Once options are calculated there will be no changes unless the cashier has made an error in his tabulations.

All Wheel Chair shooter trophies will be mailed after the shoot.

Proud Charity
of Choice:

The Kids & Clays Foundation schedules and coordinates shooting events to support participating Ronald McDonald House Charity Chapters. Our events form a special relationship between the restaurant, auto, and outdoor industries all for the common goal of helping critically ill children and their families at a time when they need it the most! Kids & Clays is unique in our partnership with the shooting industry. Together we introduce non-shooters to the fun of shooting sports participation and also to how much those sports contribute to wildlife conservation, the national economy and, in our case, to fundraising efforts for our charity of choice.

PRE-SQUADDING INSTRUCTIONS

Pre-squadding by shooters for all NYSATA Shooting Tournaments will be available on SOSClays.com.

Northeastern Grand pre-squadding deadline is September 4th.

SOS Presquad works just slightly different than other sites. There is a video at sosclays.com that demonstrates how a shooter uses the site to pre-squad for our shoots.

Each shooter will either already have a SOS account or need to create one. There are 2 types of accounts for shooters:

Free Basic Account – just create an account, it allows you access to the SOS Clays Web App (website) system, see High Gun lists, use SOS Presquad, and pay \$2 per post reserved for a shoot.

Premium Account – \$60 per year, full use of both the SOS Clays Web App (website) system and the Mobile App with real-time shoot info and the bonus of never paying for SOS Pre-squadding at SOS Clubs.

A shooter can squad themselves and their squad mates if they like. Posts reserved for a SOS Premium Shooter are reserved at no cost, posts reserved for a regular shooter are reserved at \$2 per post reserved. Whoever is doing the squadding will check out and need to pay for the regular shooter's posts. If you squad has all premium shooters, you can squad them all and not pay anything at checkout.

There is a non-refundable service charge of \$2.00 per position, per event and must be paid online at SOSClays.com at the time of squadding. Upon checkout at SOSClays.com, a receipt showing your squads and positions for the shoot, will be emailed to you.

Once at the shoot, a shooter wishing to switch positions with another shooter must have both ATA numbers and present them to a point-of-sale cashier.

SHOOTERS DESIRING TO CHANGE SQUADS AND/OR POSITIONS IN AN EVENT MUST RELINQUISH THE POSITION THEY ARE HOLDING BEFORE BEING ELIGIBLE TO REQUEST A NEW POSITION.

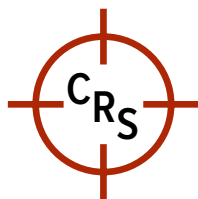

Squadding selections have maximums. Use the following to determine the event's maximum number of squads.

Event #1 less than 24	Event #2 less than 24	Event #3 less than 24
Event #4 less than 24	Event #5 less than 36	Event #6 less than 36
Event #7 less than 48	Event #8 less than 48	Event #9 less than 48
Event #10 less than 60	Event #11 less than 48	Event #12 less than 48
Event #13 less than 60	Event #14 less than 48	Event #15 less than 48

All singles and handicap events will be 50 targets per trap, two traps per bank. All squadding will be done counting all 12 banks everyday however, squad availability will be at the discretion of shoot management, and individual squad numbers may not always be available.

All Doubles events will be shot 100 targets per trap utilizing 12 traps for all doubles events. All squadding will be done counting all 12 traps everyday however, squad availability will be at the discretion of shoot management, and individual squad numbers may not always be available.
